## WEST SIDE EVENTS.

**Probability That Rev. W. S. Jones Will on Sunday Announce His Resignation, to Take Effect at Once.**

In all probability, Rev. W. S. Jones will, before the month is over, resign the pastorate of the First Welsh Baptist church. Mr. Jones has notified several of the deacons of his church of his intention to leave the church and, as reported, says that the resignation will be formally tendered next Sunday night after the regular service. The announcement was made in the newspaper of this week's issue that Mr. Jones had received a call from the Carmathian Baptist church at South Wales. When this had gotten abroad it seemed clear to some people that Mr. Jones' resignation from the South Main avenue church would only be a question of a short time.

It was thought that Mr. Jones would announce his resignation at last night's meeting of the church, but it was not done. Sunday night will almost certainly see the withdrawal unless, in the meantime, Mr. Jones changes his present decision. The reverend gentleman is very popular with his congregation. An effort will doubtless be made to have him remain. While on his recent tour of Wales Mr. Jones preached at the Carmathian church.

## POLICE NOTES.

Constable Joseph Dean, of the Twenty-first ward, last evening arrested Joseph and Lizzie Lambert, husband and wife, on a charge of larceny preferred by Joseph Lambert, a relative. The case was amicably settled before Alderman Moses.

Before Alderman John last night Joe Barcyon, the crack pigeon shot, and James Stalk, were given a continued hearing, for setting thirty-five valuable pigeons from Henry Whitthrop, of Ebyon and Meridian street. The young men were held in \$300 bail each, which was furnished.

That poor weary wanderer with an unsettled mind, who Wednesday night gave his name as Jacob Courtwright, is still in the West Side police station, where he was taken. The police authorities are making inquiries.

## A GOOD PRACTICE.

**If You Want a Good Appetite and Perfect Digestion.**

After each meal dissolve one or two of Stuart's Dyspepsia Tablets in the mouth and, mingling with the food, they constitute a perfect digestive, absolutely safe for the most sensitive stomach.

They digest the food before it has time to ferment, thus preventing the formation of gas and keeping the blood pure and free from the poisonous products of fermentation, half-digested food. Stuart's Dyspepsia Tablets make the complexion clear by keeping the blood pure.

They increase flesh by digesting fresh-forming foods. Stuart's Dyspepsia Tablets are the only remedy designed especially for the cure of stomach troubles and nothing else.

One disease, one remedy, the successful physician of today is the specialist, the successful medicine is the medicine prepared especially for one disease.

A whole package taken, one that would not hurt you, but would simply be a waste of good material.

Over six thousand men and women in the state of Michigan alone have been cured of indigestion and dyspepsia by the use of Stuart's Dyspepsia Tablets.

Sold by druggists at 50 cents per package. Send for Free Book on stomach diseases to Stuart Co., Marshall, Mich.

**REVISION OF THE RULES.**

Messrs. Blewitt and Reedy Issue a Manifesto to Democrats.

Chairman E. P. Blewitt and Secretary D. Reedy, of the committee appointed to revise the rules for the government of the Democratic party, have issued the following frank statement to the Democratic voters of the county:

The committee on the revision of rules for the better government of the Democratic party of this county have had their meeting. It is our intention to simplify the rules and as far as possible to leave the management of the party in the hands of the people. We have been otherwise. That there may not be any misunderstanding as to the intent of the committee to secure a more efficient use of the party to participate in our deliberations we hereby extend to all persons interested in the party a frank statement to suggest such rules and amendments as to them may be suitable to adopt. The committee will be glad to consider anything presented them in this line and should the deliberations of the committee fail to meet the approval of the party within the county, we shall feel that it was not because they failed to do their duty by inviting the party to assist suggestions or amendments.

"Too long has it been otherwise" is a sentence that many of the Democratic leaders do not like, and Mr. Blewitt will be asked some pointed questions.
