Terrible Results from the Storms Along the Atlantic Coast.

THE DAMAGE TO PROPERTY

Asbury Park and Long Branch Suffer Losses to the Extent of Tens of Thousands of Dollars--Hotels and Pavilions Washed Away at Rockaway--Train and Telegraph Service Interfered with at All Points Along the New Jersey Coast.

New York, Oct. 12--The West India hurricane which arrived in this city yesterday is today bowling off the coast, making the water boil and driving the breakers mountains high upon the shore.

At Red Bank, N. J., a number of boats were blown on the river shore there is more or less damage to some of the summer docks and buoys.

At Sandy Hook the gale was more severely felt than for years. At Barnegat, N. J., considerable damage has been done to shipping and property along the coast.

At Asbury Park the waves are beating heavily against the famous board walk, carrying destruction in their wake.

At Rockaway beach at least twenty houses have been raised and the granite monument, marking the spot where the New Era was wrecked in 1874, has toppled over.

At Long Branch the waves are washing out at every wave. Sea Breeze is also cut in the full force of the storm.

At 2:30 this afternoon a monster wave struck the grandstand at Brighton Beach and tore away two-thirds of the structure.

At Manhattan Beach the disaster which has befallen the Manhattan Beach hotel was swept away, and the magnificent lawn in front of the Oriental hotel was made a dismal waste.

At Rockaway beach at least twenty hotels and pavilions were carried away.

At Sea Isle City, N. J., Oct. 12. The storm still rages here with unabated fury and this morning the seas were rushing in against the sea wall on the beach front and through across the town to the meadows, which for miles are a raging, surging body of water.

At Ocean City is isolated, and the wires to that place fail to work. The seas break heavy and they have a clear sweep across half a mile of land from the ocean to the bay.

At Five Mile beach the West Jersey railroad are reported and the Five Mile beach railroad is almost entirely gone.

The high tide this afternoon will be remembered, for never have breakers rushed in shore with such force as they did for three hours from 11 o'clock until after 2. Shortly after noon the sea tore away sections of the board walk and demolished fences and verandas of many cottages on the front.

The havoc of the sea was the greatest in the vicinity of Continental hotel. Cottages owned by Charles Glass, A. C. Wagner, M. C. Kelley, Charles Walters, Errecker estate, Samuel Well, Augustave Reid were all badly damaged by the waves.

The cottage of Charles Reid, the Burd house, and several others were blown away.

HAS NOT BOLTED BILLY.

Bryan's Partner Talbot Spikes a Campaign Lie.

Lincoln, Neb., Oct. 12--In a statement given out this evening, A. R. Talbot, Republican candidate for the senate and law partner of William J. Bryan, said:

I see that it is stated in the press reports that I have bolted Mr. Bryan for president. I have always been and am now a Republican and I have not the slightest admiration for Mr. Bryan and I have, in my honesty, integrity and patriotism, never been and am never to be associated with Mr. Bryan and any statement to that effect is untrue.

It is a pity that the statement in the press of the country to the effect that Mr. Bryan misstated his financial relations to the defunct German National bank of this city in his New London, Conn., speech, is without foundation and untrue.

Mr. Bryan's own statement of the fact that that bank was not indebted to it in any amount whatever, and that the indebtedness referred to in the dispatches, was my own personal obligation.

BRYAN AT MINNEAPOLIS. Crowds Fought for Admission to the Hall in Which the Boy Orator Spoke--Received by Ladies.

Minneapolis, Minn., Oct. 12--Perfect Indian summer weather, neither too cool nor too warm, aided the Minnesota women in their efforts to get Bryan tonight to outdo the efforts of their brother of St. Paul in giving a rousing welcome to the Democratic standard-bearer.

Like a host of other friends of his sister city, they had arranged for no less than four speeches by Mr. Bryan and fortune was with them.

At 7:30 o'clock the crowd of women felt strong of voice and body after two days of rest and was able to speak with his old-time vigor.

MONONGAHELA MEN VISIT M'KINLEY

An Enthusiastic Delegation Introduced by Hon. George V. Lawrence.

MANY LADIES ARE IN THE PARTY

The Ex-Congressman Presents Major McKinley with a Gold-Mounted Cane, the Gift of the Fayette City Republican Club--A Cane from the Glass Workers--Stirring Speeches Made.

Canton, O., Oct. 12--Major McKinley this morning expressed himself as being in the very best of health and spirits and in every way well prepared for another week of labor.

On the reception of the great mass of visiting delegations. Over thirty delegations are expected to engage the major's attention during the week, and they will come from a dozen different states.

There were two delegations scheduled for today. Both were from Pennsylvania and they were introduced by the members of the Monongahela valley and the workers of Roscoe, Pa. The Pennsylvania delegation, to the number of about 600, arrived on a special train at 10 o'clock.

They came from the following towns in "the fourth pool" of the Monongahela Valley: Charcoal, Mount Vernon, Fayette City, Ross Centre, California and Brownsville.

Many ladies accompanied the excursionists. The rain which had been falling during the morning, came down very hard just as the Pennsylvania delegation arrived.

All outdoor demonstrations were suspended for several days. Several delegations were escorted to the Tabernacle. A colored glee club had just begun to sing some campaign selections when Major McKinley entered the hall.

Instantly every man in the audience was on his feet and cheering at the top of his voice. Major McKinley has never before been so warmly and enthusiastically welcomed than that of the members and others from the Monongahela valley.

Hon. George V. Lawrence, who has represented the district which carries this entire delegation, for several terms in congress, acted as spokesman. Mr. Lawrence is over eighty years of age, and a personal friend of Major McKinley.

Major McKinley, in his remarks, warmly welcomed the delegation and expressed his appreciation of the interest and sympathy of the people of the Monongahela valley.

He then presented the delegation to the members of the Monongahela valley and the workers of Roscoe, Pa. The delegation, to the number of about 600, arrived on a special train at 10 o'clock.

CUBAN REBELS ARE REPULSED

They Are Forced to Leave a Strong Position at Guayabos.

Spanish Losses Fifteen Men Killed and Thirty-five Wounded--The Insurgents Drive Back Toward the Eastern Province of Matanzas.

Havana, Oct. 12--General Echague reports that on October 8th his command had a serious encounter with the rebel forces, who held strong positions on the hills of Guayabos. After a fight, lasting three hours, the rebels were finally dislodged, despite their tenacious defence, under the raking fire of the Spanish artillery, and brilliant bayonet charge by the Spaniards.

Macedo, before retreating to Camilo and Calguano, burned his own camp and fired five cannon shots at the Spaniards without effect. The loss of the rebels is not known.

The loss of the Spaniards was fifteen men killed and two lieutenant colonels, three lieutenants and thirty-three privates wounded with bullets and machetes and five men badly wounded.

General Echague had his wounded conveyed to San Diego and his command has had an engagement which resulted in his repulsing the insurgents, who were advancing from the east border of the province of Matanzas.

MR. QUAY'S ESTIMATE. Two Hundred and Seventy Electoral Votes for McKinley and Hobart.

New York, Oct. 12--The following statement was given out at National Republican headquarters today after a conference of the entire executive committee:

The election of McKinley and Hobart is an accomplished and assured fact. They will receive 270 electoral votes. Bryan will receive 10 and there are six states having fifty-seven electoral votes which are doubtful, but the probabilities all point to the fact that these sixty-seven votes will go to the Republican column, and be added to the 270 now assured for McKinley and Hobart. This is the only possible result and will hold it. Our present effort in the west is to this end. The opposition have abandoned the case. M. S. Quay.

NOT COUNTY OFFICERS. Candidates for the Legislature Need Not File Nomination Papers with the County Commissioners.

Harrisburg, Pa., Oct. 12--The question having been raised as to whether or not a member of the legislature is a county officer and whether his certificate of nomination should be filed with the secretary of the commonwealth or the county commissioners, an opinion by Judge McPherson of the Dauphin county court, which has final jurisdiction in these matters, has been unlearned.

In 1841 in a case stated he says a member of the legislature whose official duty is to share the making of laws, and who thus may exercise power over the whole area of the state, and may affect every resident citizen, is not a county officer, and his certificate of nomination should be filed with the secretary of the commonwealth.

NOMINATION CASES. Carload of Witnesses Examined in Magee-O'Donnell Affair.

Harrisburg, Oct. 12--The objections of C. L. Magee and James E. O'Donnell to each other's certificates of nomination in the Fifty-third senatorial district were heard by Judge McPherson and McPherson this afternoon. There was a carload of witnesses.

The court has made a decree in the matter of the objections of Magee and O'Donnell. The certificate of Senator George Handy Smith, declaring Vane's certificate valid and that of Smith invalid, was returned by Judge McPherson. Senator Smith having withdrawn. No opinions in contested nomination cases were handed down today.

Three Men Killed. Wilkes-Barre, Pa., Oct. 12--Three men named Thomas Mitchell, George Hittcock and John Petrus, rock miners, were instantly killed in the Lullin shaft tonight. They were at work near the foot of the shaft laying a track when a body of rock fell upon them, crushing them beyond recovery.

Daughters of Liberty. Harrisburg, Pa., Oct. 12--The annual meeting of the state council of the Daughters of Liberty will be held in the Supreme court chamber at the capitol this week, beginning tomorrow.
