This thing ought to be placed in the think-tank of every man in this country. It de-molishes the free silvelte premises; it leaves them nothing to stand on. "They say again that the govern-ment will take 412% grains of silver which you shall bring to the mints and stamp it \$1. Then you can take this dollar which cost you only 49% cents, the present intrinsic value of a silver dollar, and pay off your debts and mortgages. Any of you got any silver bullion? If not where are you going to get it? There are only 20,000 people in all these United States who are in-terested in silver mining. I do not

BONDS ARE OUASHED.

Olyphant's New Electric Light Works Must Wait a Little Longer.

In an opinion handed down yesterday Judge Gunster decides that the \$15,000 of bonds issued by Olyphant borough to construct and erect a new electric

light plant, are invalid. mg5gdSMYDDq.ingm sdA- :nflut swis On January 5, 1895, council passed an ordinance to increase the indebtedness the borough because the electric light plant appeared to the authorities insufficient. On February 19, an elec-tion was held and the borough cast 253 votes that "the indebtedness be increas-ed," and 137 votes for "No decrease of ed.' debt.

The council in June advertised for bids for an electric plant, steam en-gines, bollers, etc., and undertook to enmanufacturers of gives us the right to with a view of carrying out the pur-pose expressed in the ordinance containing the matter submitted to the people's vote. A preliminary injunction was granted

to restrain the councils from entering into contract and the injunction was afterward continued. On March 20, 1896, the borough filed a 9

On March 20, 1896, the borough filed a formal answer and it appearing to the court that the plaintin's had failed to prosecute their bill of injunction dill-gently and that the borough had ap-parently overcome the obstacles sug-gested by the bill, the preliminary in-junction was dissolved on April 13. junction was dissolved on April 13. Prior to this date, however, on Octo-ber 3, 1895, the council passed an or-dinance specifying the denomination. They were to be of \$500 bearing 5 per cent. interest each, and would mature every year on October 1 till October 1. 1910, when all would be paid. The borough had the privilege of redeem-ing them faster if it desired. The bonds were advertised but no bids were received, and on April 20, 1895, the burgess and president of council sold the entire issue to Edward C: Jones, of New York, and the proceeds paid in-to to the borought treasury. to to the borought treasury.

000 is more than 2 per centum of these amounts, the issue of bonds for that amount was without authority of law and is illegal, and at the time the contracts were awarded and entered into no bonds had been issued, and there was no money in the treasury with which to pay them, the consent of the electors had never been obtained to pay increase of indebtedness except by the issue of bonds, and it necessarily follows that the contracts mentioned were not only not authorized by law but were entered into in violation of

law. **DISPUTE OVER COAL LAND.**

Restraining Arm of the Court Asked to Re Used.

The West Ridge Coal company, by its attorneys, Hon. Alfred Hand, and Davis & Edwards, began an equity suit made, and all young men are cordially invited to be present.
