**MEETING OF THE ARCHDEACONRY.**

Autumn Session of Episcopal Clergy at Trinity Church.

Episcopal clergymen from the counties of Bradford, Lackawanna, Luzerne, Susquehanna and Wayne were present Monday evening at Trinity church and held the first service of a three days' session of the arch-deaconry. Evening prayer was followed by an address by the Rev. Mr. Kinosh, a missionary from Brazil. He made an earnest appeal for the work and spoke of his own labors during the past seven years congregations have been gathered in three large cities. At a business meeting of the session yesterday the Rev. D. W. Cox, D. D., of Alden, was re-elected arch-deacon and the Rev. James P. Ware, of Plymouth, secretary.

At the morning session, held at 10 o'clock, after the services by the Rev. J. H. Griffith, of Sayre, and the Rev. N. Lewis, Jr., of Honesdale, a sermon was delivered by the Rev. Rogers Israel, rector of St. Luke's church, Scranton. Mr. Israel's able discourse before the arch-deaconry was from the text taken from St. Paul's first Epistle to the Corinthians, the ninth chapter and twenty seventh verse.

The lesson was most earnestly enforced, showing the necessity of self-conquest, the power of grace through the means provided and the necessity of using all appointed means. The following clergymen were present yesterday: Revs. D. W. Cox, Alden; J. P. Ware, Plymouth; E. J. McHenry, Great Bond; W. E. Daw, Towanda; H. H. Mill, Scranton; F. Marshall, Forest City; E. H. Eckert, West Pittston; J. H. Griffith, Sayre; Rogers Israel, Scranton; J. N. Lewis, Jr., Honesdale; H. L. Jones, Wilkes-Barre; and W. de P. Johnson, Wilkes-Barre.

TOMORROW NIGHT'S RALLY.

Speakers and Programme of the Grand Republican Demonstration.

Citizens residing in Carbondale or near it, and especially Democrats who seek the truth in this campaign, should not fail to attend tomorrow evening's grand Republican rally at the Opera house. The principal speaker, Colonel William A. Stone, of Allegheny, is one of the ablest members of the Pennsylvania delegation in Congress, an orator of great ability and a thinker who has left his mark on public affairs. Some persons believe that he is destined to be one of the greatest of whether that belief be true or not, all who know him admit that he is a political speaker well worth hearing—a speaker whose words are genuinely instructive.

In addition to Colonel Stone, Major Everet Warren, A. J. Colborn, Jr., and John F. Reynolds will be present and will deliver brief addresses. This will be the political demonstration of the campaign so far as Carbondale is concerned, and everybody is cordially invited.

EXCITEMENT ON A TROLLEY CAR.

An intoxicated man with a revolver makes trouble.

An intoxicated man boarded an electric car Monday evening and disregarding the rules of the company continued to smoke his cigar. Conductor E. J. Thomas remonstrated with him and urged attention to the rules. But when the passenger in an insolvent manner defied the conductor, Mr. Thomas immediately seized the cigar and threw it into the street. Then the intoxicated man jumping up struck the conductor and when efforts were made to eject him from the car drew a revolver.

The passengers becoming somewhat frightened, at once made efforts to leave. However, Constable Gilby and C. S. Alexander disarmed the drunken man who was taken to the station house. Yesterday morning he was held by Alderman Jones in a cell for his appearance at court. The man gave his name as Hiram Powers, and claimed to be a resident of Jermy.

CRANE'S NARROW ESCAPE.

A Portion of the Roadbed Under His Team Given Way.

Monday evening Michael Crane, a driver for the Carbondale brewery, had a very thrilling experience near the Delaware and Hudson fan house.

As he was driving along the street a portion of the road bed gave away. As the weight of the horses was put on it, it began to sink slowly and as the horses stepped on the ground they fell down about fifty feet to the bottom of the shaft. The hind wheel was still in the hole when Mr. Crane unhitched the team and went to the brewery for help. Of late there have been a number of cave-ins on this street, which is a new one built quite recently by the Delaware and Hudson company.

"Spring Medicines," "Blood Purifiers" and "Tonics" an Old-Fashioned Idea.

Pure blood, strong nerves and muscles, firm healthy flesh can only come from wholesome food well digested. "Blood purifiers" and "nerve tonics" do not reach the cause of the mischief. The stomach is the point to be looked after. The safest and surest way to cure any form of indigestion is to take after each meal some harmless preparation which will itself digest food. There is an excellent preparation of this kind composed of vegetable essences, pure pepsin, Golden Seal and fruit salts, sold by druggists under name of Stuart's Dyspepsia Tablets and these tablets taken after meals assist digestion wonderfully because they will digest the food promptly before it has time to ferment and sour and the weak stomach relieved and assisted. CLARENCE GUNTON HELD UP.

He Has a Narrow Escape from Death on Pettibone Falls.

Sunday night between 9:30 and 10 o'clock, while on his way home from Wilkes-Barre, Clarence Gunton narrowly escaped death at the hands of an unknown person. The circumstances attending the assault are substantially these: Mr. Gunton is employed and boards at Geo. E. Fancourt's green houses on the flats near the Pettibone shaft. He was on his way to work at this time and was carrying his pocket book, which he carried in his coat pocket, under his arm. He was walking on the North street bridge over the road which the hucksters and miners take and which goes through a stretch of woods on the upper side of the road. He had reached the spot where the Wilkes-Barre and Eastern trestle spans the road, when suddenly from behind one of the upright pillars which support the trestle, a man stepped forward and held a word, but pointed a revolver and fired, the bullet striking Gunton in the fleshy part of the leg near the thigh.

**Gloom to Sunshine**

Of ill health, despondency and despair, gives way to the sunshine of hope, happiness and health, upon taking Hood's Sarsaparilla, because it gives renewed life and vitality to the blood, and thus imparts strength and energy to the body. Hood's Sarsaparilla helped me wonderfully, changed sloth to health, gloom to sunshine. No pen can describe what I suffered. I was dazedly sick, had sick headaches every few days and those terrible tired, despondent feelings, with heart troubles so that I could not go up and down stairs without clasping my hand over my heart and resting. In fact, it would almost take my breath away. I suffered so I did not care to live, yet I had more to live for. There is no pleasure in life if deprived of health, for life becomes a burden. Hood's Sarsaparilla does far more than advertised. After taking one bottle, it is sufficient to recommend it. Mrs. J. E. SMITH, Beloit, Iowa.

The late ROBERT BARTHOLOMEW PROPHET, a celebrated and HYGIENIC GENERAL THERAPEUTIC and COLLEGE OF JEFFERSON MEDICAL COLLEGE of Philadelphia, said in his last work on medical electricity: "The time is not far off when electricity for medical purposes will take the place of many drugs with the same phenomenal success that has marked the progress of this science in the moving of cars, lighting of streets and houses and for general motive power." It was in 1790 that Galvani discovered the action of galvanism on the nerves by experiment on a frog. For 100 years galvanism has continued to grow in prominence as a cure for disease.

LET IT BE THOROUGHLY UNDERSTOOD that Dr. Green is a graduate in medicine and pharmacy, he has prescribed for thousands of patients who have never had an application of electricity, but experience and study has convinced him that it is Marton, Rockwell, Massey and other remedies which are the true KING OF MEDICAL REMEDIES. Bear in mind that proper electrical treatment, with first-class appliances, is NOT PAINFUL.

If you wish to know the result of Dr. Green's treatment for Rheumatism write to E. E. Bostick, 207 East Cumberland Street, Philadelphia, Pa., or care Seabury & Johnson, New York.
