As compared with the best prices of the morning Sugar yielded 2½ to 169½; Tobacco, 1½ to 69%; Burlington, % to 72%; Chicago Gas, 1½ to 55%; St. Paul 75 a 71%; Pack bland to 64%; St. Paul, % to 71%; Rock Island, 1 to 63%, and the remainder of the to% per cent. Near the close ist 15 to 2, per cent. Near the close the dealings were enlivened by a jump in Reading from 23% to 25 %, and the remainder of the list railied 1/2 to 1/2 per cent. Although the market closed firm the dealings lacked the animation

THIRTY YEAR 5 PER CENT. FIRST MORTGAGE GOLD BONDS, FREE FROM TAXES.

INTEREST PAYABLE APRIL 1 AND OCTOBER 1

The Spring Brook Water Supply Company offers to the public ONE HUNDRED THOUSAND DOLLARS of the above described bonds. The company furnishes the entire water supply of the Lackawanna and Wyoming Valleys, from Scranton to Nanticoke, including among others,

the following cities and boroughs. to wit: Wilkes-Barre, Pittston, West Pittston, Avoca, Durgea, Wyoming, Luzerne, Kingston, Edwardsville, Parsons, Miner's Mills, South Wilkes-Barre, Ashley, Sugar Notch, Warrior Run, etc. The bonds

are secured by mortgage on the entire system. The company has no hesitation in offering and recommending these bonds as a safe and desirable investment. The history of the companies in the system shows that water companies are free from the fluctuations and disturbances that affect industrial and railroad enterprises. A thorough investigation of the Wilkes-Barre Water system, covering a period of forty-five years, shows an annual increase over the previous year, without exception, and this through a period covering several financial panics and the Civil War.

The company is taking care of the increased growth of the valley in its demand for a good and pure water supply, a sufficient number of bonds being held in the treasury for this purpose.

Sealed proposals will be received for the whole, or any part of the bonds offered, until Wednesday, October 28th, 1896, at 10 o'clock a. m., at its office, at Scranton, or any of the following banks, where further information, if desired, may also be obtained:
