THE CAMPAIGN IS NOW AT AN END

Various Headquarters in New York are Closed.

KENTUCKY SAFE FOR REPUBLICANS

All Doubt as to the Blue Grass State is removed and Intelligence is Received with Very Great Enthusiasm. Governor Bradley's Dispatch.

New York, Nov. 6.—The political campaign is almost at an end and the various political headquarters will be closed. Joseph H. Manley, of Maine, left Republican national headquarters this morning for his home. National Committee men N. H. Scott, General Powell Clayton and General McKinley are still, however, at headquarters and will be there until the final closing.

Committee man Scott received the following telegram this morning from Governor Bradley, of Kentucky: "Kentucky has certainly gone for McKinley and will just as certainly go for W. O. Bradley."

This dispatch removed all doubt as to the blue grass state and there was great rejoicing when it was received. The Democratic state headquarters are almost deserted. Chairman Elliott Danforth and James C. Truman, chairman of the state, have left. The only person at headquarters was W. G. McLaughlin, who is Treasurer William E. John, assisted by Mr. McLaughlin, like Mr. St. John, has cheerfully accepted the result of the election and acquiesces philosophically in McKinley's election.

HOPES FOR TENNESSEE.

Both Parties Claim the State—Kentucky Safe—Other Results.

Memphis, Tenn., Nov. 6.—Complete figures upon which may be based certain results of the election in Tennessee may not be available for three or four days, but those already received indicate Republican success, though the Democrats claim the state by 8,000. Both sides are playing a waiting game in sending in returns. Josiah Patterson, sound money Democrat for congress, has manifested the spirit of Fayette county, where wholesale frauds are reported to such an extent as to give Carmack, free silver Democrat, the lead in the district. The face of the returns in this district.

Louisville, Ky., Nov. 6.—Leslie, the last of the missing counties, gave McKinley 841 plurality. This indicates that the state is Republican by between 600 and 700.

Yankton, S. D., Nov. 6.—Returns from the entire state, except three counties, give the state to McKinley beyond a doubt.

Trenton, N. J., Nov. 6.—The county board of canvassers today canvassed the returns of Mercer county and the official vote was shown to be: McKinley, 13,877; Bryan, 5,971; Palmer, 430; and for Governor, McKim, 1,000; McKinley's plurality, 7,906.

For congress, Gardner (Rep.), 13,800; Cleburne (Dem.), 5,994. Gardner's plurality, 7,806.

Yankton, S. D., Nov. 6.—At 11 o'clock tonight South Dakota vote on presidential electors is filed and an official count will be required to determine the result. Republican congressmen and governor ran ahead of the electoral ticket by several hundred votes so far as heard from and they may have safe majorities.

DELAWARE RETURNS.

Wilmington, Del., Nov. 6.—The counting up of the returns for this county was finished by the noon, adding machines at 7:30 o'clock this evening. No disorder occurred after 3 o'clock this morning. The sheriff had a big force of deputies on hand all day to keep the crowds out of the court house. The result of the counting showed that the Flynn people for sheriff, had his vote much reduced as compared with the figures given out by the election officers after the polls closed. The last count showed him but 183 plurality against 1,021 returned by the election officers. The result in the state on presidential electors stands: McKinley 21,845; Palmer 1,336; and for Governor, McKim 1,000. McKinley's plurality 20,509.

James C. Shaw, a McKinley elector, whose name had been added on the ticket in New Castle county, was counted as two men, but his vote in Kent and Sussex counties gave him more than the lowest man on the Democratic ticket and he is elected.

LATEST FROM KENTUCKY.

Louisville, Ky., Nov. 6.—As the official returns come in tonight the statement is confirmed that the electoral vote of the state is going to 12 to 12. It will take the official count to satisfy both sides. The last newspaper figures place McKinley's plurality in the state at 623. Knap and Smith, the electors on the Republican and Democratic ticket, respectively, are running ahead of the other electors on the official count and no matter which way the state goes the electoral vote will be divided; that is, if the Republicans carry the state ticket they will get 12 electors and the Democrats 11 and vice-versa if the Democrats win.

This results from the fact that a large number of voters placed the cross opposite the name of the first elector on the ticket instead of under the party device. The canvassing board has ruled in these cases that the vote should count only for one elector, notwithstanding the evident intention of the voter.

CONTESTS WILL FOLLOW.

Congress May Be Called Upon to Settle Several Elections.

New York, Nov. 6.—Until the votes cast last Tuesday are officially declared it is not probable that any further changes will be made in the list of representatives elected to the 54th congress sent out by the United Associated Presses.

Whatever may be the result of the canvass of the votes, it is evident that a number of contests before the house to establish claims to seats alleged to have been fraudulently withheld from those rightfully entitled to hold them will be made. The letter from Mr. Brady, read at Republican headquarters today before Chairman Hanna and several members of the committee, opens the way for a half a dozen contests from Virginia alone.

Representative Pasiah Patterson, of the Memphis, Tenn., district, a gold Democrat, has, according to reports sent out from there, already entered a contest for the seat. It is also reported that a contest is likely to occur also between the candidates in the eleven Kentucky districts. Reports from Ohio, Kentucky, Missouri, and other states indicate that contests may be expected from that state.

Monte Scott Defeated.

Denver, Col., Nov. 6.—E. H. Bechenberger, the defeated 5-mile bicycle rider of this city, defeated Monte Scott, the champion of the world, in a 5-mile race at the Denver Wheel track last night. The race was a close one, but Bechenberger has defeated Scott.

Terrible Fate of Mrs. William Carpenter, of New Castle.

New Castle, Pa., Nov. 6.—William Carpenter, of Crawford avenue, was almost roasted alive tonight. She was just recovering from a severe illness and was sitting up in bed. The fire broke out when she fell over the grate bars. When found shortly afterward she was lying with her mouth across the hot grate bars, both lips were roasted and part of the flesh clung to the bars when she was removed, her face and neck were horribly burned, and her hair was nearly all singed off.

Physicians say that if she had not inhaled the fumes from the hot coals there is a possibility that she may recover, but the chances are against her. She is about 30 years of age.

BIMETALLISM IS STRENGTHENED

Lincoln, Neb., Nov. 6.—William J. Bryan this afternoon gave out the following statement to the bimetallicists of the United States:

Comrades: Millions of loyal hearts are saddened by temporary defeat. I beg to offer a word of hope and encouragement to those who are disappointed. I am brave, more earnest and devoted, than those who espoused the cause of bimetallicism. They fought from conviction and have fought with all the zeal which conviction inspires. Events will prove whether they are right or wrong. Having done their duty as they saw it they have nothing to regret. The Republican candidate has been elected, but the cause of bimetallicism is not defeated. It is only a temporary setback. It is only a temporary setback. It is only a temporary setback.
