IN THE SHIP YARDS.

which a revolver was fired to it. The bullet had gone through the sleeve but had not touched the flesh. The man was Andrew Whohlde, a middle aged Hungarian llving at 304 Phelps street. He was paid yesterday and had \$37 in his pockets. After spending the night on the West Side he started for home via the Linden street bridge and in the center of it he met two men, one of whom he said was only 18 or 19 years old, the other being a big strapping man. strapping man.

He asked them where some one lived and they took him in tow to find the place. They brought him back over the bridge and at the corner of Sixth street stopped, and while the big man held him the little one began to go through his pockets. He grappled the little fellow and knocked him, but fhe big fellow struck him as they were falling and as soon as the little fel-low got up he pulled out a revolver and fired it at him. The bullet went through the left sleeve of the coat near the shoulder. The Hungarian said the weapon was almed at his heart. He asked them where some one lived

IN THE SHIP YARDS. Philadelphia, Nov. 10.—A member of the Neafle and Levy Ship and Engine Building Company, to-day amounced that the firm has been awarded the con-tract for the building of a steamer, which would not have been blaced in the event of a free silver victory. The fulfilment of the contract will neces-sitate the employment of a large num-ber of new hands, and work is to be started within a few weeks. At Hughes and Patterson's rolling the shoulder. The Hungarian said the weapon was aimed at his heart. There was the blood on his face and his coat on fire where the bullet went through to corroborate his story, and one of the pockets was torn out of his pants. The \$37 he had when he clauted but was taken from but SALISBURY'S SPEECH.
