A HOT DISCUSSION AT ROCHESTER

Resolutions Are Also Offered Opposing the Issue of National Bank Notes and Declaiming That All Money Should Be Issued Exclusively By the Government .- Mr. Sovereign's Opponent.

Rochester, Nov. 12.—After the read-ing of minutes by Secretary Hayes, of the Knights of Labor, this morning, a resolution was offered that the election of officers be taken up at 3 o'clock this afternoon, but it was defeated. The committee reported favorably on the adoption of the following amend-ments to section 2 of the constitution. proposed by District Assembly 75, of Brooklyn, composed of street and ele-vated railroad men: "Provincial, State, national, trade and district assemblies are szyvereign in their own furisdiction. are sovereign in their own jurisdiction, under the general laws of the order, and

The amendment is proposed so as to give the district assemblies a large measure of home rule power. Under the meetion as it now stands, appeals the section as it now stands, appeals are made to the general executive board.

Discussion of the proposed amendment occupied the whole sesison, but no action was taken. There is much sentiment in favor of the amendment, but it is thought that much time will be taken up in discussing it this afternoon.
