THERE WILL BE NO WAR WITH SPAIN Officials at Washington Annoyed by

Gruesome Tales of Conflict.

LOME'S CABLEGRAM DE SENOR

Duke De Tugan Believes the Yarns in Reference to War Between the Excited.

Washington, Nov. 13.—To a senator who called upon him today to inquire in respect to the war rumors in regard to Cuba, President Cleveland replied that the position of this government was as stated in his last annual mes-sage to congress, one of traditional sympathy with a people struggling for autonomy and freedom, but neverthe-less this government felt its plain duty to honestly fulfill every international obligation. The president further said that every precaution had been taken so that if occasion should arise in Cuba, sr., as cast for one man. This gives the Republicans all their the United States could assert itself with force, but he did not think that occasion would arise. Secretary Lamont was more outspok-

en and expressed his individual opin-ion that some authoritative statement should be made to put an end to these disturbing and unjustified rumors of

war. Senor De Lome, Spanish minister, received the following cablegram today from Duke De Tugan, Spanish minister of foreign affairs, dated Madrid yes-

The cablegrams from New York and Washington, published in London re-ferring to supposed notes of Mr. Taylor and the Spanish government are entirely false. There is not the slightest foundation for such rumors, which are undoubtedly of filibustering origin."

BUSINESS BOOMS.

Some of the Enterprises Opened Up by the Election of Mckinley.

Oxford, N. J., Nov. 13 .- The nail mills at this place, will resume in a week or so after an idleness of several years. Carpenters are at work taking dayn the boards which have covered the windows, and machinists are overhauling the machines. The company an-nounces that it will work full time and that the mills will run to their fullest

capacity. Ann Arbor, Mich., Nov. 13 .--- Business is rapidly picking up in all the man-ufacturing industries of this place. The Michigan Furniture company is run-ning with extra hands since the election, to enable it to fill orders which it received contingent upon McKinley's election. Nearly every industry in the

election. Nearly every industry in the city is in the same condition. Pittsburg, Pa., Nov. 13.—Orders have been issued by J. Painter Sons & Co. that their large rolling mill plant in the West End will be put on double turn next Monday. The mill has been idle several months.

All departments go on double turn with good prospects for a steady run. The Scheen Pressed Steel company, in Allegheny, has resumed, company, in The Scheen Pressed Steel company, in Allegheny, has resumed operations in part, employing 500 men. Preparations are in progress for a resumption in full, giving work to 500 additional men. Detroit, Mich., Nov. 13.—The Journal this afternoon, and the chill of wint. Detroit, Mich., Nov. 13.—The Journal Major McKinley, for the first time since how child of white the wings of the most pressing epistles. Show ield was in the air. Callers were few and Major McKinley, for the first time since how or threachourse to baseball his election, had two or three hours of uninterrupted toil. This evening a num-ber of neighbors and friends of Major among manufacturers show renewed activity in business since McKinley's election. The manufacturing firm of Buck & Sherwood, which was working and Mrs. McKinley spent the evening by specal invitation at the house of the president-elect. Mrs. McKinley had so far receive her health as to be able to receive her guests. This was the first social event that has taken place Buck & Sherwood, which was working three-quarters time, is now working sixty hours per week. The Michigan Bolt and Nut works have increased their working hours per week and ex-pect to be running full time again in a at the McKinley house since the elecweek, and Leonard, Lawrence & Co. have been running full time since elec-tion. All of the local banks report a General William M. Osborne went to Cleveland this afternoon to see Mr. Hanna. It is likely that Chairman Hanna will come to Canton in a day or two to have a long talk with Major McKinley. Mc. McKinley said to-night he would not be able to attend the banbetter condition of affairs, their depos-its having gained daily since the election. THE HORSE SHOW. he would not be able to attend the ban-quet of the Home Market club in Bos-ton on the 24th of November. Colonel George R. Guyer, of the Eighth regiment, O. N. G., was in the city to-day in consultation with Major Immense Audiences Fill Madisou Square Garden. McKinley relative to the matter of his

the river, whence, if her recent exer-tion had not developed serious strains, tion had not developed serious strains, she may go by easy stages as far south as Shanghal for the winter. Her cruise to-day was a great surprise to the officials of the department, who supposed Lieutenant Rees undertook to move the ship as the result of a bet that the integrity of her bottom was not

that the integrity of her bottom was not wholly dependent upon the fact that it rested on the bed of the placid Pei Ho. The old vessel had long ago been con-demned as unseaworthy, and has been frequently advertised for sale, but bid-ders have never appeared, and the de-pertment has been compalled to main-

partment has been compelled to main-tain her in the service by the exercise of the utmost precaution to prevent United States and Spain Are Started by Filibusterers--Secretary Lamont JAMES SHAW ELECTED.

Mckinley Will Receive the Entire Delaware Electoral Vote. Wilmington, Del., Nov. 13.-Today Governor Watson issued his election proclamation. In it he declares that the three McKinley electors, Shaw, Fooks and Wilson were chosen. He decided to consider the votes cast for James G. Shaw and for James G. Shaw,

electors. DARK MURDER MYSTERY.

The Body of D. T. Colgrove Is Found in

a Mutilated Condition Tied to a Tree in the Woods.

Coudersport, Pa., Nov. 13.—The find-ing of a skeleton in the woods in Mc-Kean county, about five miles west of the Potter county line, on Wednesday by Earl Frank, a pheasant hunter, disloses a murder and solves the mystery

closes a murder and solves the mystery surrounding the disappearance two months ago by D. T. Colgrove, for whom search was made for three or four weeks. The identity of the skeleton has been made certain by Colgrove's brother, who recognized certain portions of the clothing. The skull had been severed from the body and lay at the feet, while one of the arms was found a rod away.

away. A rope about the butt of the tree in-

dicates that Colgrove was either tor-tured before being killed, or else was left to die tied to the tree, and after his death his bones were pulled apart by wild beasts. If the latter had been the case, however, it is believed that the animals would have also torn apart other portions of the body. The general belief is that the murder or murderrs severed the man's head from his ody. The motive for the murder is be-

lleved to have been important secrets known by Colgrove, which he refused to disclose. **M'KINLEY SIGNS LETTERS.**

For the First Time Since Election

His Callers Have Been Few. Canton, O., Nov. 13 .- Major McKinley

THE VENEZUELAN MINISTER HAPPY

Senor Jose Andrade Rejoices at the Success of His Efforts.

PROUD OF UNCLE SAM'S FRIENDSHIP

He Thinks the Fifty Year Clause Will Shut England Out of the Orinoco Country and the Watershed of the Cuyani River--Grateful to the United States.

New York, Nov. 13.—Senor Jose An-drade, minister from Venezuela to the United States, is at the Hotel Savoy, and in an extremely happy frame of mind, his activity in enlisting this countrys interest in behalf of his coun-try having borne abundant fruit. When asked by a representative of the United Associated Presses whether the draft or treaty or proposed agree-ment with reference to the disputed territory claimed by England had yet been submitted to him he said: "No, it is strictly correct to say that. In fact, I am not aware that such a

"No, it is strictly correct to say that. In fact, I am not aware that such a treaty is yet in existence. In the or-dinary course it will be submitted to my government for approval. The published statement that the treaty had been drawn and was brought here by me, is not correct. Neither have I any intention of returning to Caracas with the treaty.

with the treaty. "There is much concerning the nego-tlations that I cannot speak of, but I may say that Venezuela's claim is practically conceded; for all we asked from the start was that the dispute be rethe start was that the dispute be re-ferred to a fair tribunal. Lord Salis-

bory's recent announcement at the Lord Mayor's banquet, I believe was brought about by President Cleveland's firm stand and by the knowledge that the American commission would and must render an adverse report."

What will be the effect of the agree-ment of England to a clause requiring

50 years occupancy to make a claim to territory good? "I think it will shut England out of "I think it will shut England out of the Orinoco country and the watershed of the Cuyaui river and leave her little of the disputed territory, except, per-haps the settlements between the Es-sequibo and Pomeroon rivers. Of course, we, as Venezuelans, feel very grateful for the kind offices of the Uni-ted States and percentise is as a fearted States and recognize it as a friend-ly act tending to uphold the Monroe doctrine and in the interest of justice. "After the findings of the tribunal are made known must come a permanent treaty between England and Veneruela, which I expect will be realized before the winter passes. Of those before the winter passes. Of those matters, however, I am not at liberty

Chicago, Nov. 13 .- By a vote of seven

Mr. Brush today traded Smith, short stop, and Fisher, pitcher, of Cincin-nati, to Brooklyn, for Corcoran, short TRIAL OF THE NEW stop, and it is said he paid \$1,000 to balance the deal. Von Der Ahe drafted Hartman, who

used to play third base with Pitts-burg, from Milwaukee sold Bert Mey-ers to the Milwaukee club, a practical exchange. The Louisville club sold Jack Crooks to Columbus for \$500, thus retiring the

once famous player from the national league.

CUT IN APPROPRIATIONS.

The Missionary Committee of the M. E. Church Reduce Expenses. Detroit, Mich., Nov. 13.-The general

missionary committee of the Methodist Episcopal church this morning selected Philadelphia as the place for holding its meeting next year. Apportionment of appropriation for foreign missions

occupied the remainder of the session

The committee apportioned \$48,576 to Japan, a cut of \$6,000 over last year, and \$11,285 to Korea, which is about the same amount as was devoted to that mission last year. give the ship builders an idea of the power of the engines and the way in which they work, and the speed de-

which they work, and the speed de-veloped was a secondary consideration of that trip. Nevertheless, on a two hours' burst of speed this morning, the ship averaged 16.27 knote at 112 revolu-tions of the screws. This is .27 more than the contract speed of the vessel calls for, and that the Iowa is capable of better time than this was shown when she was occasionally spurted up around the 17 knot notch. The result of the trip was in every way satisfactory to Edwin 8. Cramp, who had it in charge for the build-ers. The most important feature of the afternoon session was the report of the special commission of Africa, which the special commission of Arrick, which recommended the adoption of extensive missions in that country known as Bishop William Taylor's self-support-ing missions and their institution as regular foreign missions of the Metho-dist Episcopal church.

The report also recommended the ap-propriation of \$14,700 for Africa, an increase of \$9,000 over last year, and it was adopted. The apportionment for the whole of

India was made \$134,400 and \$8,036 for Malaysia, both of which are cut off 4 per cent. The other amounts appor-tioned were Germany, \$12,333: Switzer-land, \$7,500 and Norway, \$12,700, all of which were reduced. noon and made the run to the break-water on one tide, arriving there that night. The government was represented by Lieutenant Doyle, ordance offi-cer stationed at the yard, and Assist-ant Engineer Pickerel. On Wednesday

There was a platform meeting this evening at which Dr. A. B. Leonard and Bishop W. F. Mallalleu delivered addresses on "China, Japan and Korea" morning after adjusting the ships com-passes the Iowa ran off shore twenty miles and was steamed four times over the ten knot course between the two lightships on five fathom bank shoal. The engineers were given a good limbering to and at 215 addresses Korea."

W. C. T. U. CONVENTION.

Twenty-third Annual Meeting Held in St. Louis.

St. Louis, Mo., Nov. 13 .- The 500 officers and delegates to the twenty-third annual convention of the National W. T. C. U. were called to order in Exposition Music hall at 9 o'clock this morn-ng by President Frances E. Willard. Prior to this a morning prayer meet-ing was conducted in Schuyler Me-morial hall by Miss Elizabeth Green-wood of New York

wood, of New York. At 11 o'clock the evangelistic hour be-gan, and the noonday hour of prayer

was observed. The afternoon session was opened with an eloquent prayer by Mrs. Mary Gartland, president of the W. C. T. U. of North Carolina. The report of the committee on credentials showed that all delegates were entitled to participate in the proceedings of the conven-

GLOBE WAREHOUSE.

New York, Nov. 13.-776 horse show still lives in popular favor. Society has filled the boxes and arena seats all the week and horsemen have been on hand as usual, but the masses have not put in an appearance until today, when there were about 8,000 people this afternoon, and fully 10,000 people were present tonight.

The promenade was a sea of humanity and every seat, even in the top gallery was taken. The occupants of boxes were, perhaps, a triffe less dressy than on former nights, as Friday nigh has come to be regarded as country cousins' night, and the swells of so clety remain away. The programme of the day was one of the best of th The most showy classes were week. judged, and the awarding of champion ship prizes in the classes for hackney stallions, mares and fillies in the af ternoon, and the contest over the high jump at night made sensational fea tures. There was one class for ladies saddle horses ridden by ladies only which brought fourteen fine animals into the ring, and was captured by

Miss Doremus Chester. The latter was defeated later by C. L. Railey's Ken-tucky horse, Patsy McCord, which was given the saddle horse championship

In the contest of ladies' hunter's over the fence at the end of the afternoon session. Thomas Hitchcock's horse Blue Garter, ridden by William English, fell at the barred gate. Eng-lish went underneath and the bars fell on the horse. English had a nardict: row escape from serious injury.

REV. RUMPF RESIGNS.

A Minister Charged with Cruelty and Drunkenness.

Pittsburg, Pa., Nov. 13 .- Rev. Carl Rumpf, until recently pastor of St. Paul's German Evangelical Protestant church, Allegheny, has resigned at the request of the board of trustees of his congregation who made the request be-cause of charges of drunkenness and cruelty to his family made against Mr. A committee of five was appointed to

investigate these charges, and they were convinced that Mr. Rumpf was not the proper man to minister to their welfare

CRUISER MONACACY AFLOAT.

She Is Pulled Out of the Mud Banks of the Pei Ho River.

Washington, Nov. 13.—The United States cruiser Monacacy has moved after a year and three days' repose on the mud banks of the Pel Ho river, at Tien Tsin bank. A cablegram to-day from her new commander, Lleutenant Rees, who recently displaced Command-or Believer of the news Rees, who recently displaced Command-er Reisinger, in charge of this naval analomy, announced her successful navigation as far as Tong Ku, thirty miles down the river from her former habitation, and she is now opposite the famed Taku forts, near the mouth of

regiment acting as escort at the in-auguration. Although the president-elect has not stated whom he will give the honor to, the Eight regiment offi-cers have reason to express confidence in the belief that they will be favored, and the railroad authorities are after them relatve to transporting them.

ANDRUS CASE VERDICT.

No New Evidence Brought Out at the Coroner's Inquest.

Yonkers, N. Y., Nov. 13 .- The jury empaneled by Coroner Miles in the Andrus case today, visited the Arlington Chemical company's works and wit-nessed the discharge of a detonating cap by the use of the wires and battery as supposed to have been arranged previous to the discharge of the bomb which killed Hamlin J. Andrus on the morning of Oct. 21. The coroner explained the surroundings and also discharged a cap by means of a battery. The report of the cap when exploded was distinctly heard outside the works The inquest proceeded at the court house this afternoon. Among the wit-

nesses were a son and nephew of the dead man. The session lasted four hour and considerable conflicting but generally unenlightening testimony vas given. The jury returned this ver
