The Turner basket ball team defeat The Turner basket ball team defeated the North End team last evening in Company H armory by a score of 2 to 0. The game was devoid of any interesting features. The North End presented a patched-up team, several of the best players being absent, and consequently team work was wanting. An other instance of their poor playing was shown in their not allowing many open throws for the basket. The playing of the Turners was excellent. The teams lined up as follows:

THE OLD WAY

Of Treating Dyspepsia and Indigestion by Dicting a Barbarous and Useless One.

Useless One.

We say the old way, but really it is a very common one at present time and many dyspeptics and physicians as well consider the first step to take in attempting to cure indigestion is to diet, either by selecting certain foods and rejecting others or to greatly diminish the quantity usually taken, in other words the starvation plan is by many supposed to be the first essential.

The almost certain failure of the starvation cure for dyspepsia has been proven time and again, but still the moment Dyspepsia makes its appearance a course of dieting is at once advised.

All this is radically wrong. It is foolish and unscientific to recommend dieting or starvation to a man suffering from Dyspepsia, because Indigestion from Dyspepsia, because Indigestion itself starves every organ and every nerve and every fibre in the body.

What the Dyspeptic wants is abundant nutrition, which means plenty of good, wholesome, well-cooked food and something to assist the weak stomach to digest it. This is exactly the purpose for which Stuart's Dyspepsia Tablets are adapted and this is the method by which they cure the worst cases of by which they cure the worst cases of Dyspepsia, in other words the patient gets plenty of wholesome food and Stuart's Dyspepsia Tablets digest it for him. In this way the system is nourished and the overworked stomach rested because the tablets will direct the
