WEST SIDE EVENTS.

Opening of the Fair of the Columbia Hose Company in St. David's Hall—Those in Charge.

The Columbia Hose company began its annual fair last night in St. David's hall under circumstances which can hardly be called auspicious. It was raining and everyone knew the reflection that if rain had to come they'd rather have it on the opening night than on any other of the three nights following, when the fair would be in full bloom.

A treat awaits any one who enters the hall. The place is handsomely decorated with flags, etc., and along the southern side of the hall are a number of booths, in which fancy and useful articles are for sale. In charge of the booths are the following: Miss Mabel Boldry, candy; booth No. 1, Mrs. Albert Lewis, Mrs. Sarah Davis, Miss Emma Gilles; No. 2, Mrs. Samuel Harris, Mrs. Henry Meyers, Miss Celia Bassett, Miss Cattie Peters; No. 3, Mrs. Henry Kingsley, Mrs. Stephen Price, Miss Mary Williams, Miss Mary Yoes; No. 4, Miss Martha Hitchings, Miss Annie Jones, Miss Mary Moran, Miss Lizzie Price, Miss Martha Nichols, Miss Annie Williams; No. 5, Mrs. R. T. Ireland, Miss Anna Thomas.

At Lewis is in charge of the wheel of fortune or misfortune, and at the door are Henry Kingsley, Henry Meyers and David D. Davis. Fred Alvord serves the refreshments. A number of contests are on; one is between Vada Jones and Mrs. Stanton for a handsome doll. The committee for the company in charge of the fair is composed of Charles Yoes, chairman; T. V. Lewis, treasurer; S. E. Price, secretary; Henry Kingsley, Al Lewis and W. T. Sprouts. The programme for tonight promises some good things in the way of a good time. The Century Hose company, with Chief Hickey as the leading attraction, will be present in a body, and also a number of firemen from up and down the city. The Taylor Hose company will attend in a body. With the Century company will come the Ringgold band, which will be held this evening. This will be the first real night of the fair and the crowd will undoubtedly be a large one.

AN EXCELLENT PROGRAMME.

Friday night Camp 178, Patriotic Order Sons of America, will celebrate its twenty-fourth anniversary in Mears' hall with an entertainment, the principal entertainment being Charles Douglas, of Wilkes-Barre. Mr. Douglas will give an exhibition of his power as a ventriloquist, using blackhead beings as his personae, and he will also recite the act of a ne'er-do-well, giving such specialties as "A visit to spirit land" and the programme says that he will stop a bullet from a St. Albans gun. State President A. J. Colborn will deliver an address.

The bill boards at the western corner of Lackawanna avenue and Ninth street have been torn down and ground has been broken for the erection of a three story building, which when completed will be occupied by E. DANGER IN SODA.

Serious Results Sometimes Follow Its Successive Use.

Common soda is all right in its place and indispensable in the kitchen and for other household purposes, but it was never intended for a medicine, and people who use it as such will some day regret it.

A rare and common use of soda to relieve heartburn or sour stomach, a habit which thousands of people practice almost daily, and one which is fraught with danger, moreover, the soda only gives temporary relief and in the end the stomach trouble gets worse and worse.

The soda acts as a mechanical irritant to the walls of the stomach and bowels and cases are on record where it accumulated in the intestines, causing death by inflammation or perforation.

Dr. Harlandson recommends as the safest and surest cure for sour stomach (acid dyspepsia) an excellent preparation sold by druggists under the name of Stuart's Dyspepsia Tablets. These tablets are large 29 grain lozenges, very pleasant to taste and contain the natural acids, pepsin, and digestive elements essential to good digestion, and when taken after meals they digest the food perfectly and promptly before it has time to ferment, sour and poison the blood and nervous system.

Dr. Wuerth states that he invariably uses Stuart's Dyspepsia Tablets in all cases of indigestion, sour stomach, and finds them a certain cure not only for sour stomach, but by promptly digesting the food they create a healthy appetite, increase flesh and strengthen the action of the heart and liver. They are not a cathartic, but intended only for stomach diseases and weakness and do not loosen the bowels, as many stomach trouble except cancer of the stomach.

All druggists sell Stuart's Dyspepsia Tablets at 50c per package.

A little book describing all forms of stomach weakness and their cure mailed free by addressing the Stuart Co., of Marshall, Mich.

by her husband, William L. Jones. After denying the charge of misconduct with Emma R. Holcomb, preferred against her by her husband, she goes on to make the startling statement that she and her husband, on December 1, 1885, entered into an arrangement whereby they were to live apart for the period of two years that she might secure a divorce on the grounds of desertion, as then provided by law. It being also agreed between them that he was to surrender all marital claims upon her and make no objection to her taking with Holcomb during the period which they would have to wait for a divorce.

She denies, however, having availed herself of this latter part of the agreement, although her husband, she alleges, connived with others to influence her to become illegally allied with Holcomb.

The object of the board of trade in getting Mr. Stone here is to encourage and forward the movement of improving the roads of Lackawanna county as provided by the Flynn bill which was passed by the last legislature.
