The Only Remedy in the World, Except a Surgical Operation, That Will Certainly Cure Any Form of

The study of physicians, the experiments of chemists, the loudly advertised pretensions of quacks, have been for years expended in one direction; to find a pile cure that would cure.

The results have been a number of harmless and inmost cases useless ointments, suppositories and even internal remedies, which the public have weighed in the balance of experience and found wanting; nearly all of them gave some relief, but nothing approaching a radical cure resulted from

these preparations. these preparations.

The remedy required is one which will immediately stop the pain so severe in many cases of piles, and then by contracting the small blood vessels (capillaries) to their normal size, produces a radical cure by reducing and finally because the second production of the second p finally absorbing the tumors and heal-ing the inflamed, raw mucous surfaces. Until two years ago, no such remedy had been produced, but at that time a suppository was placed upon the market, which has since proven itself to be the long sought permanent cure for this common and distressing tronble; it has rapidly become famous throughout the United States and Can-ada, and is now sold by nearly all druggists under the name of the Py-

ramid Pile Cure.

It is now the best known, because its merit and safety have advertised it wherever used.
