#### WRECK ON THE GRAVITY.

The Accident Due to a Switchman's

Carelessness. gravity track at the Powderly The gravity track at the Fowdard switch was the scene of an accident yesterday. The accident was due to the carelessness of a switchman, key Chase. Chase had been switching several cars of culm on a side track, but forgot to throw the switch back. Conductor Hendrick's trip of cars was the first one down the mountain and very fortunately they were running slowly. Chase signaled to come on and did not discover that the switch was open until

Plye loaded cars were thrown from the tracks and the track was torn up for several rods. No other damage was

#### EXPECTS NO TROUBLE.

Contractor John Booth Thinks the Matter Will Be Settled.

Although there has been trouble among the residents of South Main street in regard to the improvements. Contractor John Posth expects the matter, will be supported by will be selled to the satisfaction of

all parties,
Mr. Posith said, in speaking of the curb, that if was one inch thicker and costs 2 rents less per fact. The crown of the rend bevery high in some places, but this was left surposely, as in those parts it is expected it will sink. The highest place is but about three inches and after some use the read will bave a uniform level.

White Louis Cardolla, of North Main etroit, was ending his which yester-day he was thrown directly in front of a team of here's, Fortunally the team was stopped in time to prevent a seri-
