PENROSE A WINNER

The Battle at Harrisburg Is Virtually Ended with Above Result.

RESULT SHOWN AT CAUCUS

Wanamakerites Concede Their Defeat but Promise to Do Better Next Time—Dr. Mackey Escapes from Hon. Johnny Farr and the Latter Displays Symptoms of Excessive Nervousness—The Parade in Honor of Penrose.

Editorial Correspondence of The Tribune. Harrisburg, Pa., Jan. 4.—After a day of hard and active canvassing the senatorial fight virtually reached its conclusion at tonight's caucus of the members of the house. During the day the Wanamaker forces took a rally capturing Luzerne solidly for their nominee for chairman of tomorrow night's caucus. With this to encourage them they made wild claims late in the afternoon of surprises in store. The surprises, however, did not materialize. Of the 71 votes which were received tonight, a considerable number will not vote for Wanamaker tomorrow night. It is believed two members of the Luzerne delegation who voted for Bliss will decline to support Wanamaker. This is known to a practical certainty. In Delaware three votes which went to Bliss are expected to drop tomorrow to Penrose in case Robinson's name shall not be presented to the caucus. It is probable that several other changes will occur similar in character. At all events the fight is over and Penrose has won. Mackey and Farr tonight supported Bliss.

During the day Mackey for a time got separated from Farr and the latter's nervousness soon became so apparent as to occasion remark. During the day Mackey renewed overtures for Congressman-elect Connell's pardon, offering to sign a statement retracting his recently published letter and giving the names of those who instigated the publication of the latter document. Mr. Connell refused absolutely to treat further in the matter. The parade which followed tonight's caucus was one of the most imposing in the history of Harrisburg parades and the crowd which witnessed it was unprecedented in size. Senator Penrose was kept busy for nearly a half an hour bowing his acknowledgments from the balcony of the Lochiel. The enthusiasm manifested itself throughout the city and kept up until long after midnight. The Wanamaker managers concede their defeat in the joint caucus tomorrow night, but let themselves down by claiming they have accomplished enough to show that next time they may be more fortunate. Nothing has yet been decided upon with reference to the reading clerkship. That will reach an issue tomorrow. Livy S. Richardson.

THE HOUSE CAUCUS.

P. M. Lytle, Supported by the Quay Men, Is Selected for Chairman.

Harrisburg, Pa., Jan. 4.—The result of the house caucus tonight indicates pretty clearly the drift on the senatorial question. The Quay men, supported by P. M. Lytle, of Huntingdon, for chairman and the anti-Quay forces voted for Ward R. Bliss, of Delaware. There were seven absentees, McConnell, of Philadelphia; Fitzcarr, of Allegheny; Todd, of Lawrence; Powell, of Luzerne; Dempsey, of McKean; Wells, Potter and Kershner, of Schuylkill. The first ballot resulted: Lytle, 93; Bliss, 71; the two candidates voting for each other. The vote in detail was as follows:

Muehlbronner, Charles W. Simon, William McDonald, William T. Marshall, Thomas J. Ford, John I. Shaw, Thomas Tiltrook. Armstrong—George W. McNeess, W. Fred Turner. Beaver—Ira F. Mansfield, Andrew J. FUN IN DELAWARE.

The Mittie May Take a Hand in Organizing the Legislature.

Dover, Jan. 4.—Everybody in Dover is on the anxious bench waiting for the results of the organization of the legislature tomorrow. The wildest rumors have been flying about telling of the bold coups d'etat to be made, and backing them up with all sorts of plausible explanations. Captain Simmons, of the Coper guards, has been notified by Governor Watson to have his men in readiness to suppress any outbreak that may occur, but the leaders of both parties nooh nooh any such possibilities. The fight hinges on the senate. The Republicans have four hold-over senators and they need to seat J. Frank Allee, of Kent county. Allee's seat will give them a majority of one and they claim it is absolutely necessary to their political existence to control the senate and prevent at least partisan legislation. John F. Sausbury, the Kent county politician, declared tonight that Samuel R. Meredith, Democrat, would certainly be seated by the Democrats.

MISSING MAN RETURNS.

Senator-Elect Money from Mississippi Within the Cuban Rebel Lines.

Havana, Jan. 4.—Representative and senator-elect from Mississippi, Money, who has been missing from this city since Saturday, returned to Havana this evening. All efforts to learn from him where he had been were fruitless, he declining to say anything that would tend to disclose his whereabouts since he disappeared. The general opinion is that he has been within the rebel lines seeking the information he desired, but there is no way of proving this belief. Consul General Lee is authority for the statement that Mr. Money has no connection with the Cuban Junta in New York. This statement is made in view of the fact that a report has been circulated to the effect that Mr. Money is an agent of the Junta or has some connection with that body. General Lee adds that Mr. Money made the trip to Cuba for pleasure and to obtain personal information within lawful limits of the condition of the country in order to enable him to speak with authority on the Cuban question. Last Saturday Mr. Money, General Lee says, was invited to visit the town of San Jose de Las Lajas some 15 miles southeast of Havana, in order to see the country. He went there that day and remained until today. He remained in the town during his entire stay and saw no rebels. General Lague reports from Cienfuegos that his command met 1,500 rebels at Marroquin, province of Santa Clara, and after a long fight compelled them to retreat. No mention is made of the losses on either side. Four hundred rebel cavalrymen, commanded by Maximo Gomez, the insurgent commander-in-chief, made attacks at Santa Teresa and other places upon a government convoy. The Spanish forces comprised artillery and the charges of the rebels were met with a volley of grape shot which caused havoc in their ranks. It is stated that 100 of the insurgents were killed. The Spanish losses are said to have been only one captain and a private killed and thirteen wounded. The convoy has arrived at Arroyo Blanco.

FREE BATHS FOR THE POPULISTS.

Five Enamelled Tubs Put in Place in the Kansas State House. Topeka, Kan., Jan. 4.—When the Populists take possession of the Kansas state house on the 12th, they intend to prove to the world that the Populist party is not opposed to the bath. During the present Republican administration five enamel bath tubs have been put in some of the offices, but the only officers in authority have been permitted to revel in this luxury. Governor-elect Leedy proposes to issue tickets so that all subordinates may have the use of the bath tubs. If a granger constituent calls, and is in need of a bath, the courtesy will be extended, but the flesh powder, Florida water, cologne and Turkish towels and a colored attendant, which have made the state-house baths famous will be discarded.

PLAYED WITH POWDER.

An Eight-Year-Old Girl Is Burned to Death. Fremont, O., Jan. 4.—At Millersville, near here, a son of Alexander Dowick secured several pounds of blasting powder and went to the cellar accompanied by three sisters to kill rats. The powder exploded and one girl, 8 years old, was burned to death. The clothing of the other three children caught fire and they were horribly burned, as were Mr. and Mrs. Dowick in attempting to extinguish the flames.

STRANGER LOST HIS MONEY.

Was Relieved of Thirty-four Dollars and a Hat Followed. At 2:30 this morning the police raided a house of ill-repute on the Little Broadway restaurant on Center street near Penn avenue. Seven women and a man, who is said to be the proprietor, were arrested. Early in the night a stranger in this city entered the place and was robbed of \$34. He complained to the police and the raid followed. The women and the man were locked up in the central police station.

Zeigler Outpointed.

Philadelphia, Jan. 4.—The Quaker City Athletic club gave its first exhibition tonight, five boxing bouts of six rounds each being on the programme. The main event was the contest between Jack Everhardt, of New Orleans, and Owen Zeigler, of Philadelphia, light weights. No decision was given in any of the events, but Everhardt clearly outpointed Zeigler.

Coal Miners Strike.

Pittsburg, Pa., Jan. 4.—About 1,200 coal miners employed in coal mines along the Wheeling division of the Baltimore and Ohio railway struck today. The strike is the result of the refusal of the operators to pay the 92-cent rate, as proposed at the last joint conference of miners and operators.

RUIN BROUGHT BY FLOOD AND STORM

Heavy Damage to Property and Crops in the West.

SIXTY HOURS RAIN IN SOME PLACES

In Minnesota and Nebraska Blizzards Raged—Rivers on Both Sides of Mississippi Above Danger Mark. Joliet Is Threatened.

Chicago, Jan. 4.—Reports from all parts of the West tell of damage by flood and storm during the last twenty-four hours. Joliet is threatened with one of the worst floods in its history. Hickory and Spring Creeks are out of their banks, and the Des Moines river and the lower level of the canal have raised sixteen inches today. Families are moving out of their houses and the lowlands are flooded. Water is sweeping through the lumber yards, and the Rock Island track is submerged. In the vicinity of Lacon wheat has been damaged badly by the thirty-two hours' rain and the roads are impassable for marketing corn. The Sangamon river is rising, threatening destruction to thousands of bushels of cribbed corn. It has rained for sixty hours and is still raining, but growing colder.

In Northern Michigan the rain is also severe. Near Menominee it has rained for forty-eight hours. Logging has been suspended for hundreds of miles, have come out of the woods. Ice gorges at Fischer and other points on the Menominee river are threatening serious consequences to Menominee and Marinette.

CASHIER'S SUICIDE.

Richard D. Cornelius, One of the Oldest of Baltimore Bank Officials, Drowns in a Duck Pond.

Baltimore, Jan. 4.—Richard D. Cornelius, one of the oldest and best known bank cashiers of this city, committed suicide today. His body was found in the duck pond in Druid Hill park this afternoon, a few hours after a shortage of \$90,000 had been discovered in his accounts at the National Farmers' and Planters' bank. Last Saturday Bank Examiner Marshall Winchester drew the attention of the officers of the bank to some irregularities in the accounts of an out-of-town institution. This morning Mr. Cornelius was asked to explain the irregularities. He did not attempt to do so, but abruptly walked off. A closer examination of his accounts disclosed an apparent shortage of \$90,000.

NEBRASKA SUFFERS.

Nebraska is suffering from the worst blizzard it has experienced for years. Snow has piled up to a depth of five feet and the wind piled drifts six and seven feet high. Trains are delayed in the vicinity of Hastings. Last night a blinding snow was falling and a sharp wind was blowing. At Grand Island there was five feet of snow in the Union Pacific railroad yards. Telegraph and telephone service is greatly impeded.

St. Louis, Jan. 4.—The heavy rain which has been falling in this vicinity for the past two days continued until yesterday evening, when a cold wave set in and the temperature dropped 30 to 40 degrees in a short time. The heavy rains have caused the rivers on both sides of the Mississippi to rise above the danger mark.

At Richmond, Mo., the Gasconada river is all over the low bottoms, and is rising at the rate of fourteen inches an hour. Hundreds of acres of wheat and corn in the shock have already been washed away. The river is full of floats, rails, sawlogs and railroad ties, which represent a loss of many thousands of dollars.

In the vicinity of Virginia, Ill., the heaviest rainfall in years prevailed within the past sixteen hours. At Peoria, Ill., the South Canadian river is higher than it has been for a number of years. The "Blue Goose" saloon, which is situated in the middle of the river, was turned over by the flood Saturday night. Six men were in the house at the time it was capsized, and they had all lodged on a log which has become fastened in the river. They were rescued about noon yesterday by people on the Oklahoma side. They were in the water for twelve hours.

Sioux City, Iowa, Jan. 4.—The worst blizzard known for years has been raging here for thirty-six hours. In this town the street railway traffic is practically blocked. Many trains have been abandoned and are late. The conditions are steadily growing worse, and a general blockade is feared. Deaths are reported from the outlying districts but until after the storm nothing definite can be learned.

JANITOR TITUS SEEKS FREEDOM.

Titus Smith's Slavey Now Says He Was Hypnotized. Trenton, N. J., Jan. 4.—Renewed efforts have been made by James J. Titus, who is serving a life sentence for the shocking murder of pretty little Miss Smith, to secure a pardon. Titus was janitor of the Hackittstown seminary, where Miss Smith was employed as a domestic, ten years ago. One morning the girl was found choked to death, and after a long investigation the crime was fastened upon Titus. When the noose was tightening about his neck, he confessed the murder. Now he declares that he was under the hypnotic influence of a county official and a newspaper man when he made the confession; that he never committed the murder and wants to be pardoned. This is an entirely new phase of Titus' case.

CANDIDATES PLENTY.

Numerous Aspirants Are in the Field for Davidson's Place. Harrisburg, Pa., Jan. 4.—The death of Congressman-elect Davidson from the Beaver district, which occurred at Phoenix, Arizona, Saturday night, was announced here today, and already there are candidates for the vacancy. Horace G. Miller, of New Castle, and present Congressman Thomas W. Phillips are in the field from Lawrence and ex-Senator Showalter, of Butler, is also a candidate for the office.

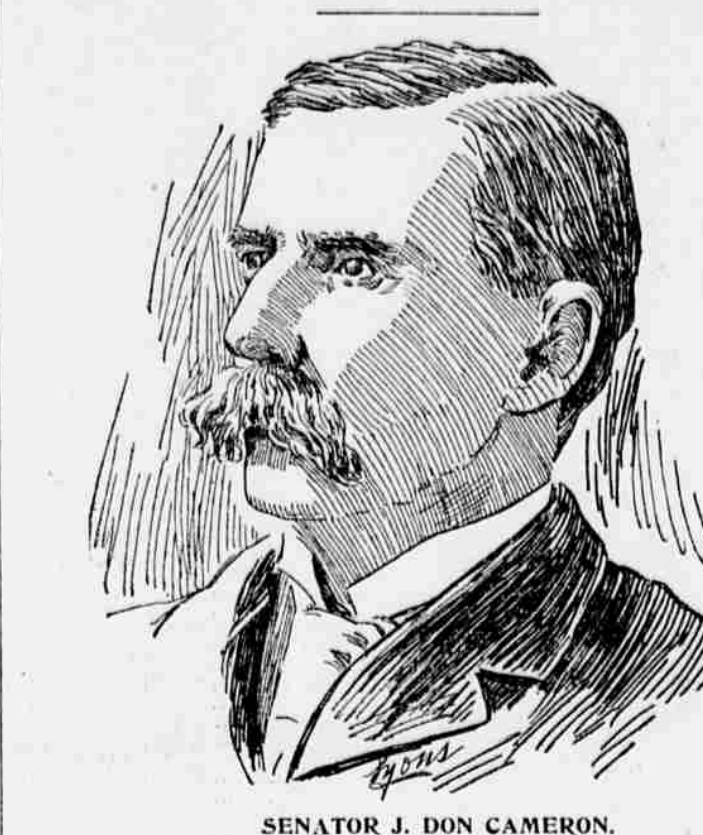

Corbett Is Training.

Detroit, Mich., Jan. 4.—James J. Corbett commenced light training at the gymnasium of the Detroit Athletic club this morning for his fight with Fitzsimmons. He weighed 180 pounds stripped. Although he worked steadily and hard for nearly an hour and a half, Corbett showed no signs of distress when he quit.

Two Thousand Men Employed.

Pittsburg, Pa., Jan. 4.—Two thousand employees of the Westinghouse Air Brake company started to work in the Wheeling shops today after an illness of almost a month. Large orders have been received and the works will probably run steadily from now on.

MEN OF PROMINENCE.

SENATOR J. DON CAMERON.

CASHIER'S SUICIDE.

Richard D. Cornelius, One of the Oldest of Baltimore Bank Officials, Drowns in a Duck Pond.

Baltimore, Jan. 4.—Richard D. Cornelius, one of the oldest and best known bank cashiers of this city, committed suicide today. His body was found in the duck pond in Druid Hill park this afternoon, a few hours after a shortage of \$90,000 had been discovered in his accounts at the National Farmers' and Planters' bank.

VICTORY FOR THE TIMES

Supreme Court Reverses the Judgment of the Common Pleas Body in the Case of Ex-Mayor Smith.

Philadelphia, Jan. 4.—The Supreme court was crowded this morning in the expectation that an opinion would be rendered in the appeal of the Times from the judgment of common pleas in which a verdict for \$45,000 was found in favor of ex-Mayor William B. Smith, who had sued for libel and claimed damages in the sum of \$100,000. This expectation was not disappointed for soon after the court opened President Judge Mitchell handed down an opinion which reversed the lower court and granted a new trial.

While there were some differences of opinion on questions involved in the case, so far as the question of reversing the lower courts judgment and granting a new trial was concerned the supreme judges were unanimous in their action. The opinion of the court as it bore on the verdict of the lower court was as follows: The bill of exceptions in the present case brings up the whole evidence, and the study of it compels the conclusion that the amount of the verdict has been largely influenced by other considerations than calm judgment. The libel case which the press assumes itself in the ruthless hunt for sensational news, and in the unsparing invasion of private matters with which the public has no right nor concern, is the disgrace of modern journalism, and one of the greatest menaces to free institutions. It may well dispose juries in a proper case to give large damages both compensatory and punitive, and with such verdicts the courts will not be readily moved to interfere. In the present case the persistent attacks on the plaintiff after he had ceased to be an office holder or prominent in public affairs gave plausibility to the charge that the amount of the verdict by actual malice, and the vindictive use of the power of a great newspaper for the gratification of personal objects. Taking the facts of the case into consideration, and giving great weight, as it deserves to the opinion of the learned court below, we are still constrained to the belief that the penalty was disproportionate to the offense, and the interests of public justice and the administration of the law which always suffer in the action from undue severity, require that the verdict should not be allowed to stand. As to the exact form which the order shall take the court is not agreed entirely. It is customary in reversing a verdict which is excessive for the common pleas to file an amount which in their judgment would not be unreasonable, and to give the party the choice to accept it or take the chance of a new trial. In speaking for myself I think that course should be pursued here, and I do not think he should be deprived of the whole fruits of it except at his own option. I would, therefore, name a sum which, though large and substantial, would not have been deemed unreasonable had the jury fixed it, and give the plaintiff the choice to reduce the verdict to that amount or go to another jury. But the majority of my brethren think it inexpedient to enter into the consideration of amounts, and an opinion is expressed that the verdict must be set aside generally.

HANGED HERSELF BY HER HAIR.

Novel Suicide of a Patient in an Ohio Insane Hospital. Columbus, O., Jan. 4.—Superintendent H. A. Tobey, of the state insane hospital, tells in his report filed with Governor Bushnell of a remarkable suicide in that institution. A middle-aged female patient hanged herself with a braid of her own hair and did it without cutting the braid from her head. She had quite long hair, and, taking one braid, she wrapped it around her neck and fastened the end to the post of a high-backed chair in which she was sitting. The she let her body slip down into the chair, tightening the loop and strangling herself to death very effectually.

FRENCH ELECTIONS.

The Result Not Expected to Modify the Senate's Policy. Paris, Jan. 4.—The official return of the results of elections held yesterday to replace one-third of the members of the senate, whose terms are expiring, show that 69 Republicans, 12 Radicals, 3 Socialist-Independents and 12 Reactionists have been elected. Most of the newspapers agree in saying that the result will not modify the policy of the senate.

CHURCH GETS ALL HIS MONEY.

Eccentric Michigan Bachelor Leaves Nothing for Relatives. Adrian, Mich., Jan. 4.—Oliver Allen, an eccentric bachelor who died near Clinton last September at the age of 79, bequeathed his entire estate, worth \$25,000, to the Methodist church, one-half to go to the board of superannuated ministers and the rest to the board of ministerial education. Seven nephews and nieces contested the will, which was, however, admitted to probate.

It was shown that Allen had attended church but once in seven years, but the pastor had visited him often.

Herald's Weather Forecast.
