

DOOMED TO WEAR CHAINS FOR LIFE

Horrors of the Spanish Inquisition Revived in Cuba. AMERICAN CITIZEN THE VICTIM. Barbarous Sentence Which Can Only Result in the Prolonged Torture of the Hapless Being Accused of Conspiracy--Ratified through Without Privilege of Defence--A Sample of Spanish Justice.

Havana, Jan. 15.—Luis Somellian, the naturalized American citizen, who was arrested on a charge of conspiracy against the Spanish government, and who was found guilty by the tribunal before which he was tried, was arraigned yesterday for the purpose of being sentenced. The court imposed the penalty of being imprisoned for life in chains.

ONE OF THE COUNTS AGAINST THE PRISONER. Among the various conclusions of the Tribunal, based on the charges against the prisoner, the following was the most important: Whereas, Public rumor, in attributing to Somellian the desire to see the Spanish cause was not misguided, since his change of nationality for an unjustified and unexplained reason suggests a rational suspicion that he is engaged in such a way his traditions and history is actuated by hatred or, at least, indifference to his ancient country, and changes his nationality in order to, while continuing to enjoy the advantages of Spanish legislation and the customs of Spanish society, carry in the bottom of his soul the fanaticism and the fanaticism which Somellian is a living and personal example.

FACTORYVILLE. Solomon Reynolds is building an addition to his planing mill, to be used as an office, etc. Miss Nellie Mack, of Nicholson, has been spending a few days with Mrs. F. L. Foster. Milo Travis and family, of West Nicholson, are arranging to move to this town in the near future. Cupid had a wedding on his programme to come off next Sunday afternoon at a prominent residence on Main street. We will tell you more about it in our next communication. Even cats are taught to imbibe intoxicating beverages up at Susquehanna. Is it to be wondered at that we see so many "wild cat" and "snake" stories issuing from the pens of some versatile scribbler up in that part of the woods? Better teach them to drink "Factoryville Mineral Water."

We noticed James Harpe and Spencer Rod were up from the "mouth of the creek" Wednesday. Dr. Spencer, of Dallas, Pa., was a visitor in town Wednesday. The doctor had a landlord's warrant issued against Rhodes Bros. for rent some time ago, and it has grown somewhat complicated, and the doctor is trying to straighten matters out. Our spiritualistic spirit must have lost his nerve, as he has not made his appearance as yet this week. The revival services at the Methodist Episcopal church the past week have been characterized by earnestness on the part of the church and the manifested power of God. Souls have been saved the Lord, and many church members have been greatly strengthened. Mrs. Carrie Ruffer, of Binghamton, has been present three evenings and rendered efficient service. The services at the Methodist Episcopal church will continue all of next week and Mrs. Ruffer will be present. The pastor's theme next Sabbath morning will be, "Following Christ After All." evening theme, "The Bridgeway Gulf."

The employees of the Delaware and Hudson company were paid on the same date also. Mrs. J. R. Davis, visited Scranton relatives on Thursday. On Wednesday evening next the Ladies Aid society of the Presbyterian church will hold a supper in the lecture room. The supper will be 20 cents. Cornick; first vice president, R. C. Lincoln; second vice president, Miss Bertha Peck; third vice president, Harry Peck; recording secretary, A. W. GOOD TIMES ARE HERE. Hopeful View of the Financial and Business Situation Indicated by Dun's Review of Trade. New York, Jan. 15.—R. G. Dun & Co. will say tomorrow in their weekly review that the business outlook is very bright. The greatest growth and prosperity the country has ever seen since suddenly in 1879 after several months of disappointment because specie resumption had not yet brought the benefits expected. It is the time for new confidence to reach through easy money markets, larger order, resuming mills, expanding employment, and larger distribution, to the results which make still greater and lasting gain possible. Such gradual and steady improvement has been in progress for more than two months. The output of pig iron has gained 4.6 per cent. since October 1. The output of coke has increased 3.7 per cent. since October 1. Sales of wool again have become large. Money markets have been in progress for new confidence for commercial and manufacturing loans. Additional works have gone into operation each week in January, and the working force is larger than at any other time for six months. The most gratifying feature of the business situation is the gradual and steady improvement in the demand for commercial and manufacturing loans. MARKETS AND STOCKS. Quotations—All Quotations Based on Par of 100. Wall Street Review. New York, Jan. 15.—The feeling in stock circles today was more confident than for some time past, mainly owing to the remarkable favorable statement of the foreign commerce of the country for the month of December and the year 1896. The steady increase in the treasury gold reserve and the superabundance of money, both here and in London. The market was strong from the opening to the close of the session. The upward movement in Sugar gained additional force from the announcement of a further advance in prices of refined. The commission houses reported more numerous orders for stocks for outside account, although it is admitted that the business is still to a large extent professional. The transactions aggregated \$25,000,000 and a large portion of this was equal to 10 1/2 per cent. The price in Wheeling and Lake Erie preferred, which sold up to 14 1/2, Sugar, the Crumeyers, Louisville and Nashville, Manhattan, Tennessee Coal and Western Union and Chicago Gas were conspicuous both in point of activity and advance. The market closed strong at the top of the day. Net changes show advances of 1/2 per cent. Manhattan leading. Furnished by WILLIAM JENKINS, ALBION CO., 110 N. 2d St. Scranton, Pa.
