BLAIR A CANDIDATE.

He Will Submit His Case to the Voters of the Fifth Ward--What He Has to Say.

In response to the expressed wishes of my friends I have decided to become an independent candidate for the office of alderman of the fifth ward, and as such I will appear before the voters at the February election.

This is the first formal announcement of Mr. Blair's independent candidacy. He claims, as does Benjamin Griffiths, who, also, is an independent candidate, that the result of the caucus on December 16 was not fair and that suspicious methods were used in the Third district. Mr. Blair is the present alderman.

ALDERMAN M. L. BLAIR.

man. He has taken out his nomination papers and already has 52 signatures, some of them of prominent West Siders, attached. According to the law the papers must be filed twenty-one days prior to the election. This will make January 25 the last day for the filing. Mr. Blair says that the caucus in no way determines the choice of the voters. With three candidates in the field it seems that in the fifth, at least, Mr. Blair's idea is correct.

Republican primaries of the Fourteenth ward will be conducted today. Nominations will be for district election boards only.

It is likely that Contractor John Flanagan will be nominated by the Democrats of the fifth ward to oppose Joseph E. Oliver for common council.

ALDERMANIC CASES.

Mrs. Agnes McNulty yesterday caused the arrest of her husband, Timothy McNulty. The newly part of it is that, on the warrant, the husband is charged with "violating the family home, 129 South Grant avenue, and assaulting his wife and children and threatening to kill them." McNulty was held in \$300 bail to appear at court. He furnished it. The hearing was held last night at the office of Alderman Blair.

Another case before Alderman Blair last night was quite complex. Germania Soluczi is a boarder at 240 Tenth street and a warrant for his arrest was issued by Alderman Moses charging him with insulting his boarding mistress, Mrs. Rosa Cordier. But before the warrant was served, the boarder caused another to be issued charging Mrs. Cordier and her husband with assault upon him. Mrs. Cordier was surprised when she was arrested. The constable with her warrant for Soluczi is still chasing him. Both cases will be heard this morning--if Soluczi is captured.

IN HONOR OF A GUEST.

Miss Margaret Herbert, of Hazleton, the guest of Misses Griffiths, daughter of Mr. and Mrs. John Griffiths, of 150 South Bromley avenue, and last night in honor of their visitor the two young ladies gave a party to a number of friends. It was a pleasant event. Those present were Misses Griffiths, Edna Lange, and Miss Williams; J. Peffer, Hayes Williams, Edward Davis, Beverly Reynolds, Nathan Evans, Gomer Williams, George Millet, Bert Giso, Harry Ferber, Ernest Griffiths, Charles Bertine, David Williams, Gus Williams, and Mrs. T. J. Davis and son, Allen; Misses May Green, Jennie Frennell, Agnes Davis, Margaret Morgan, Jennie Lawrence, Rose Hughes, Lizzie Pembroke, Lizzie Bernard, Elizabeth Meredith, Esther Thomas, Gertrude Williams, Addie Williams, Jennie Jones, Johanna Davis.

LAI DOWN THE LAW.

Eight young men were seated about in comfortable positions in the barn club house on North Main avenue Sunday night, when Patrolman Lowry entered without knocking at the door. This is the place where the "Little Egypt" orgie was carried on last Thursday morning, and the mission of the officer was to see how things were Sunday night. He found the young men enjoying a chat, but nothing illegal showed itself. Before going Patrolman Lowry "laid down the law" to the boys. It is not likely that a repetition of the disgraceful scenes of Thursday night will occur.

BENJAMIN HUGHES' CONDITION.

Dr. J. J. Roberts, who is attending Benjamin Hughes, said last night that his patient passed yesterday in a comfortable manner and that no new complications had arisen. Mr. Hughes' condition, considering the adverse circumstances of his suffering, his advanced age for one thing, is very satisfactory. Dr. W. E. Allen, who is Mr. Hughes' regular physician, is himself ill at his home on North Washington avenue. All who refer to Mr. Hughes' accident express their sympathy and regret that so good a man should meet this misfortune.

Suburban News In General

SOUTH SIDE NEWS.

There is at least one speak-er on the South Side. For many years Mr. and Mrs. Patrick Dougherty have lived on Prospect avenue, where by hard work and saving they paid for their once happy home. Then Patrick began imbibing freely, and being finally unable to earn enough to satisfy his thirst, he began signing away little by little his home and home. This, with other family difficulties, came to a crisis yesterday when his wife secured a warrant before Alderman Millar, charging him with threats and non-support. He was given a hearing in the afternoon and held in \$600 bail for his appearance at court. Richard White, of Prospect avenue, appeared and qualified as his bondsman. Now came the grand finale: Mrs. Dougherty again appeared and swore out a warrant for the arrest of White. She charged him with selling liquor without a license and selling on Sunday, stating also that he was partially responsible for her husband's wrong doings, because of the time he spent in White's hotel. She further states that Mr. White is in possession of a \$1,500 mortgage on her husband's property, given him in payment for drink.

Hon. H. L. Wein returned yesterday to Philadelphia after visiting Rev. Frederick Chanath, pastor of the Greek Catholic church, on Stone avenue. Mr. Wein is consul from Austria at Philadelphia. Mrs. Alvin Barnes, of Carbondale, returned to her home yesterday after a week's visit at the home of her parents, Mr. and Mrs. Jones, on Pittston avenue. The Ladies' Catholic Mutual Benefit association will hold a meeting in Pharmacy hall tonight. We laundry stiff collars with soft button holes. Crystal Laundry. Thomas Donlan, of the First district of the Twentieth ward, desires that the Democrats of that district endorse Charles Simrell for register of votes. He says Philip Roche, of Cherry street, was nominated. Choice cut flowers and flower designs at Palmer & McDonalds, 44 Spruce.

SENATOR CORCORAN'S LECTURE.

Will illustrate the Contributions the Church Has Made to Art. What is spoken of wherever it has been given as one of the most entertaining of events is the lecture "Church and Studio," to be delivered Jan. 22 in St. Thomas' college under the auspices of the Boyle O'Reilly council, No. 134, Young Men's institute, by Hon. M. T. Corcoran, of Cincinnati, O. The argument of the lecture is to show what the church has done for art. Illustrations of some of the notable products of the Christian masters will be given with the aid of a stereopticon and appropriate music will be rendered by a quartette consisting of Mrs. Frank Brundage, soprano; Miss Maggie Jones, contralto; Thomas Beynon, tenor, and Richard Thomas, bass, who have been rehearsing under the direction of Professor Haydn Evans. The diagram of seats is now open at Loftus & Melvin's drug store.

VITASCOPE AT THE ACADEMY.

An Excellent Entertainment Given in That Theatre Last Evening. The Vitascoper company began a two day's engagement at the Academy of Music last night. A number of scenes were reproduced by the vitascoper in a very life-like manner, among them a scene in a swimming school, a cavalry charge, a surf scene, the kissing duet of John Rice and May Irvan and many others. Besides the vitascoper numerous selections, vocal and instrumental, were reproduced by the microphone and a fine vaudeville programme nicely rounds out the entertainment. One of the strong features of the latter is the funny pantomime which holds a number of world's championship records. His equal has never been seen in this city. The company will give performances at the Academy this afternoon and evening.

IT WAS NOT ARSENIC.

Willie Beagle's Death Due to Corrosive Sublimates Says the Chemist. The coroner's inquest to determine the cause of death of Willie Beagle, who died under suspicious circumstances in the home of his parents in Rendham about Jan. 5, which was to have been held in the office of Dr. Strenger in Rendham last night, has been postponed until next Monday evening. The cause for this was the illness of Dr. Pennington, from which it was supposed the boy died. But it was discovered that the death, but discovered corrosive sublimate in sufficient quantity to have caused death. The finding of the latter poison sheds no light upon the cause of death.

HORSE THIEF ARRESTED.

Carbondale Police Locate a Mulletto Wanted in Scranton. The Carbondale police arrested yesterday afternoon Charles Fitz, a mulatto, who early Sunday morning stole a horse and buggy from in front of Mangan's saloon on Lackawanna avenue. The outfit belonged to Livoryman McDonald, of Pittston. Field was brought to Scranton early last evening and arraigned before Alderman Millar who committed him to jail in default of bail. The horse and buggy was found at Peckville.

C. C. MARTIN DEAD.

He was 59 years of age and is survived by -- one daughter and two sons. The funeral will take place tomorrow morning at 9:30 o'clock from Holy Rosary church, Providence. PRESIDENT MAY WAS RE-ELECTED

As Were Vice-President Keller, Treasurer Dickson and Secretary Atherton--The Latter's Yearly Report Will Be Read at the Next Meeting--Manufacturers Committee Reports the Possession of a New Industry--Mr. Dickson Wants to Know About a Telephone Franchise

The annual meeting and election of the board of trade last night developed a very interesting session and an attendance larger than usual. All the old officers were re-elected as follows: W. A. May, president; Luther Keller, vice president; A. W. Dickson, treasurer, and

New members were elected as follows: W. A. Rice, J. M. Harris, Stephen Jones, L. J. Fullman, W. J. Davis, C. L. Merrittman and C. J. Flood.

The following report presented by the manufacturers' committee, through its chairman, Luther Keller, and indicating the location here of a new industry, was adopted:

Your manufacturers committee begs to report that we have investigated the Hughes & Meghan Shoe company, of Williamsport, who are desirous of moving their plant to this city. We find that they are practical men in their line of business, that they have an extensive line of customers and we are of the opinion that under proper management the success of the plant is assured.

They propose to organize with a capital stock of \$75,000, to dispose of two-thirds of it at par, \$25,000, of which will be preferred stock and \$50,000 common stock; \$20,000 common and \$1,000 of the preferred has already been placed. The \$25,000 common already subscribed is made up of 25,000 shares, of which \$18,000 is subscribed by capitalists of the city. They propose to rent a suitable building.

The committee on legislation and taxes reported in favor of a bill, No. 247, for the creation of a department of commerce and manufactures, administered by a board of trade, and the regulation of the civil service and recommended that the secretary be instructed to inform the legislators from this region of the board's action and to urge them to use every effort to secure the passage of the former bill and to use the same for the defeat of the latter bill when it shall come before the house and senate for action.

THE SECRETARY'S REPORT.

Secretary Atherton announced that his yearly report was ready, but he asked that its reading be deferred until the next meeting, which would be held in the new building, as the report had been prepared with the probability of a reading in the new quarters. His request was granted.

It was stated later in the meeting that possession would be taken of the new rooms this week. In reference to the banquet on the night of Jan. 23, the announcement was made that there would be no charge for members' tickets, but that guests' tickets would cost \$5 each.

A. W. Dickson elicited particular attention in his request for enlightenment on the status of a local telephone franchise project, which he was informed had been halted "held up." He deemed it a matter for board of trade investigation, and for one of his reasons charged that the present service was inadequate, inefficient and unsatisfactory to a great degree. If, under such conditions, Scranton capitalists had the enterprise to attempt the organization of a new company and seek a franchise but had been blocked in their effort, he thought the board should know the reason why.

Mr. Dickson moved that the matter be referred to the committee on legislation and taxes. He negatived President May's suggestion that a special committee be appointed. Mr. Palmer, chairman of the regular committee, remarked upon the difficulty in arousing the interest of the committee, and Mr. Dickson finally consented to refer to the new committee on legislation and taxes that would be announced by the president at the next meeting.

A communication from the Eastern board of trade relative to the necessity of a uniform system of uniform graduation in the graded schools of the county, Superintendent Charles E. Mosley was chosen president and B. W. Pease secretary, of the meeting. After a thorough and harmonious discussion of the subject in its many phases it was unanimously voted that a uniform system of graduation in the common English branches be recommended for the graded schools of the county with the examinations to be conducted by the county superintendent. Said regulations to take effect in the spring of 1898.

The Prohibitionists of this borough will hold a caucus in the lock-up Tuesday evening, Jan. 19, for the purpose of placing in nomination candidates for the various borough offices to be voted for at the February election. The Republicans will hold a caucus Jan. 22, and the Democrats will hold one on Saturday, Jan. 23.

The Young People's Society of Christian Endeavor of the Presbyterian church realized \$31.10 for their chicken pie supper served last Tuesday evening.

The project of forming a Good Roads league, hastened by the recent visit here of General Roy Stone, of the department of agriculture, was mentioned by Secretary Atherton. He stated that the nucleus of the league would be formed of committees of three from the Engineers' club, the Scranton Bicycle club, the board of trade, the farmers of the eastern part of the county and the farmers of the western part. On his motion, President May was requested to appoint a board of trade committee. He named Albert M. Kramer, Walter Henwood and Secretary Atherton.

ARBITRATION TREATY.

A letter from William E. Dodge, of New York city, chairman of the national arbitration committee, was read asking that the state's representatives in the national senate be asked to ratify the arbitration treaty now pending between the United States and Great Britain. The letter intimated that certain efforts to have these diplomatic negotiations nullified were unchristian and a blow to modern thought.

There was an evidence that the request would receive favorable action until Mr. Dickson in a brief but ardent speech opposed such action. He said it would be an insult to the wisdom and integrity of the senate elected by the people to have indicated by trade bodies what their action should be. Scranton and its board of trade had in the past

been too previous, "too soon" in over-reaching itself and "entering where angels fear to tread." When the public recognizes the ability of its great senate it should cease to have a senate. The arbitration treaty as proposed had something besides surface; it had depth which the calm and judicial minds of the senate could grapple with without advice from the Scranton board of trade.

Applause followed Mr. Dickson's remarks and there was no contrary opinion expressed. Mr. Dodge's communication was ordered received and filed.

President May in words and manner that left no misunderstanding, announced just before adjournment that the 1897 committee would be named at the next meeting. Each member named who did not intend to perform the work involved in his appointment, he respectfully asked to decline to serve.

HALLSTEAD.

The teachers in the public schools of this place met at the home of Professor B. W. Pease on Williams street, on Tuesday evening and organized a reading circle to be known as the "Horace Mann Reading Circle." The following officers for the society were elected: President, Professor Charles E. Mosley; vice president, Professor B. W. Pease; secretary, Miss Winnie Tingley. The meetings will be held weekly. The object of the society is the mutual improvement of its members.

A meeting of the principals of the graded schools of the county was held at Hallett on Saturday, Jan. 16, to consider the subject of uniform graduation in the graded schools of the county. Superintendent Charles E. Mosley was chosen president and B. W. Pease secretary, of the meeting. After a thorough and harmonious discussion of the subject in its many phases it was unanimously voted that a uniform system of graduation in the common English branches be recommended for the graded schools of the county with the examinations to be conducted by the county superintendent.
