Each township is to receive of the state appropriation according to the number of miles of road in it.

Mr. Thomas, in behalf of the senate, said committee made a report naming Levi M. Kelly, of Montgomery, for reading clerk; John M. Rhey, of Cumberland, for journal clerk, and T. S. Craigow, of Greene, for message clerk.

The report was adopted.

The appointments were confirmed.

On motion of Mr. Crouse the senate took a recess until 3 o'clock, at which time it balloted for United States senator.

THE VOTE FOR SENATOR. When the senate met at 3 o'clock to cast its vote for United States senator the galleries were crowded and every member of the upper branch was in his seat, with the exception of Senator Penrose and Senator Mitchell, the latter of whom is ill at his home at Troy, Bradford county. After the call to order, Lieutenant Governor J. Lyon observed the formality of announcing the names of the two candidates, which had been presented to the senate on Jan. 6. This done the roll call of senators was ordered. Hon. Boies Penrose received the votes of the forty-two Republicans present, and Hon. Chauncey F. Black the votes of the six Democrats. The vote was as follows:

Penrose--Messrs. Topeka, Kan., Jan. 19.--The Populist members of the Kansas legislature are caucusing for a United States senator. At 1 o'clock twelve ballots had been taken without a choice. There are ten candidates. The chances are against Senator William A. Peffer.

CLERKS APPOINTED.

Fred Flitz and James McGinnis, of Lackawanna, Are Remembered in the Distribution of Favors.

Harrisburg, Pa., Jan. 19.--The state committee of the senate and house will report tomorrow and the legislature will then adjourn until next Monday night.

Most of the clerical appointments have been announced, notwithstanding the secrecy of the committee regarding their work. It is understood, of course, in addition to the senate clerks announced today that T. Larry Eby, of Delaware, will be sergeant-at-arms, and John Cole, of Philadelphia, assistant sergeant-at-arms. Ex-Representative Adolph Berkeley, of Philadelphia, will be a messenger, and Forest Nichols, of Crawford, executive clerk. Ex-Representative Samuel Cochran, of Armstrong, will be clerk to the president pro tem. James McGinnis, of Lackawanna, will be superintendent of the printing and folding room, and George C. Baker, of Philadelphia, assistant docket-keeper.

In the house, the following appointments previously announced, there will be appointed: Joseph Wyatt, Schuylkill, sergeant-at-arms; Fred Flitz, Scranton, reading clerk.

It is stated tonight, on the highest authority, that there will be no retaliation by the majority on the minority in the senatorial contest either in the appointments in the senate and house or in the making up of the committees.

All will be treated fairly. Next week the flood of bills will be introduced and for the next ten days the state printer will have his hands full.

Senator Penrose will qualify as a United States senator on March 4.

SITUATION IN OHIO.

Governor Bushnell Will Take No Action in Senatorial Case at Present.

New York, Jan. 19.--Governor Bushnell, in an interview with a reporter of the United Associated Presses today, said he would take no action one way or the other toward the selection of a successor for senatorial honors in place of Senator Sherman until the resignation of the latter was in his hands.

He denied a published statement that because of the large expense attached to the calling the legislature together in special session to elect a United States senator he would resort to his appointing power. He declared that the expense would be comparatively small, as the members of the legislature are paid by the year.

BUSINESS OF A DAY IN HOUSE AND SENATE.

The Nicaragua Canal Bill Before the Senate.

INTERESTING SESSION IN HOUSE

The Whole Day's Proceeding Devoted to Consideration of Private Pension Bills--Struggle for Recognition Becomes Earnest and Noisy and is Marked by Much Confusion. Mr. Steele Springs a Sensation.

Washington, Jan. 19.--The Nicaragua canal bill was under consideration before the senate for two hours today. At least that length of time was occupied by Mr. Turpie, of Indiana, in an attack upon the measure and in denunciation of the Maritime Canal company, of Nicaragua, which he characterized as a beggar and a pariah in any national or financial system, as an outcast and fugitive from the financial world, and as totally discredited in this and every other country. He is to continue his speech tomorrow, when the bill will come up as the unfinished business.

The legislative appropriation bill was taken up after the Nicaraguan measure had been laid aside and was completed with the exception of the provisions in relation to the library of congress, which went over without action till tomorrow.

Earlier in the day's proceedings Mr. Hill, of New York, spoke for an hour and a half on a joint resolution relative to electric subways in the District of Columbia. While it appeared to be a matter of purely local interest, Mr. Hill's contention was that it was a fight between the United States Electric Light company, which he referred to as the "old monopoly," and the Potomac Electric Light company, owned chiefly in New York, whose money and property, legally invested in the district, were being confiscated by the bill.

Mr. Hill occupied the floor until the close of the morning hour, when the matter went over without action.

The resolution offered by Mr. Morgan, of Alabama, last week as to default in the Pacific railroad companies and the one offered yesterday by Mr. Pettigrew, of South Dakota, as to the Venezuelan and Guiana boundary question, was laid before the senate, but went over, the first indefinitely and the other till tomorrow.

A bill appropriating \$125,000 for a public building at Altoona, Pa., was passed.

HOUSE PROCEEDINGS.

The house spent the whole of today's session in committee of the whole, considering private pension bills. Favorable action was taken upon fifty-two of them, one being the senate bill to increase to \$100 a month the pension of Major General Julius S. Stahl. An amendment was offered by an opponent of members to get their bills through. The steps leading to the speaker's chair swarmed with members urging Chairman Henderson to favor them.

The struggle was a hot one, and noise and confusion reigned in the hall. The speaker's chair swarmed with members urging Chairman Henderson to favor them.

CHIMAY'S DIVORCE CASE. RATIFYING THE TREATY.

Revolting Testimony Brought Out at the Trial in Brussels--Main Facts Are Admitted.

Brussels, Jan. 19.--The Brussels correspondent of the Central News telegraphs the following dispatch purporting to be an account of what took place at the hearing of the Chimay divorce case which began at Charleroi today.

Prince Chimay's counsel brought to the cognizance of the court twenty-three facts showing acts of adultery on the part of the princess, with several persons, but principally with King, her present paramour, whose relations with Princess Chimay were open and notorious in the neighborhood of Chimay, the place of the residence of the prince, and caused an abominable scandal.

Maitre Allain, counsel for the princess, admitted the principal facts brought to the notice of the court, but denied some of the details regarding the cohabitation of the princess, who, he said, had a good heart, but had been spoiled by bad education. Counsel on behalf of the princess, urged the court to pronounce a decree of absolute divorce without going further with an inquiry which had been rendered useless by the notoriety of the facts in the case.

The court then adjourned for a fortnight and in the meantime the public prosecutor will decide the point raised by the prince's counsel.

Counsel for the princess declared on behalf of his client that she would leave to her husband the settlement of the question of alimony. It has also transpired that the princess once made a confession of her relations with other men to her husband, and offered to retire to a convent as an act of atonement.

The settlement of the divorce case will be decided by the court in a few days.

S. E. Carother's Dead Body Found in a Shallow Well.

McKeesport, Pa., Jan. 19.--S. E. Carother, proprietor of the National hotel, was found dead early this morning, drowned in a shallow well in the basement of the hotel building.

Mr. Carother closed the house at 2:30 o'clock this morning and it was thought he had retired. Grant Ross, the bar-keeper, discovered his employer's body when he went to the basement this morning for bar supplies. Various opinions are expressed as to how the accident could have happened, and among them outside is suggested, but not credited.

Mr. Carother was 52 years of age, and one of the city's most prominent and prosperous citizens. He leaves a widow, but no children.
