# SELLING BAD BUTTER.

Two Men with a Wagon Load of Butterine Here Tuesday and May Call Again.

Two men in a wagon are "doing" this section of the earth under the guise of farmers. They are making a somewhat successful effort to palm off "butterine" for the real article on any poor unsus-pecting housewife. Tuesday the two fellows drove down Main avenue call-ing out "butter-15 cents a pound!" The stuff was in the pails in a wagon which was drawn by a bejaggled horse. While one of the men drove the other knocked at the house doors in the resident part of the avenue and exhibited his wares. Many an inexperienced housekeeper and especially those of the poorer class purchased quantities of the stuff at the low price at which it was offered. The two men stopped at the store of T. Fellows Mason on South Main avenue and offered their wares. Mr. Mason upon examination discovered that the stuff was "butterine." The men did not stay long in the neighborhood, but journeyed on. The fact that there is a rigid law regulating the sale of imitation butter makes the sale of it quite hazardous to the seller and it very seldom happens that anyone has the nerve necessary to a public yending of it. Good butter at this time costs 20 cents per pound. The wholesale price even is not as low as 15 cents. Butterine is a mixture of butter and clarified fat or of fat alone and so spiced and flavored by artificial processes that it tastes quite palatable. It is of the same bad class as oleomargerine. It is not known where the two men who made the sale here Tuesday came from or where they went. They left no cards City Treasurer Boland will deliver an behind.

### FRESH POLITICAL THINGS.

The rumor that Bezeleel Davis, the successful man at the Fifth ward fight for the Republican nomination for alderman, had withdrawn and would not allow his name to go before the votors February was investigated last night and was found to be false. Mr. Davis stated that he has never entertained the idea of withdrawing. He has a good chance, he says: in fact, the best chance of any of the three candldates. A new phase of the battle is that Alderman M. L. Blair will likely receive the endorsement of the Demo-

ernis of the ward. Another "independent," this time among the Democrats, has arisen in the person of John P. Kelly, of Scranton street, who though defeated at the primaries, wants to be the next alderman of the Eighteenth ward.

### THROUGH STORM AND HAIL.

Seven stalwart Sons of America braved the storm last evening and in a small band wagon were carried over the hills and far away to Waverly when the officers of the camp of that place were installed. The seven stalwarts were District President D. W. Phillips Henry Bradshaw, James Hudson, Alfred Twining, of the Times, J. J. Green, David J. Davis, and Hugh A. Howell. The Waverly brethren were profuse in hen's, Wilkes-Barre. The morning ses-their reception and entertainment of sion opening at 9.15 o'clock with the Scranton Sons, who, by the way, are members of Camp 333, Patriotle Order Sons of America. Hugh A. How-

A SOURCE OF SURPRISE. To Physician and Patient Alike. Dr. Redmond, a specialist in the study and treatment of Piles and rectal discases, recently stated that the Pyra-mid Pile Cure, the new discovery for the cure of piles, was the most remarkable remedy he had over seen or tried in one respect; and that was, the instant relief experienced in all cases, no matter how severe, from the moment the remedy was applied; this was the more surprising to him, because he had

no trace of oplum, cocaine or similar poison could be detected. Physicians look with great favor upon the Pyramid Pile Cure, because it is rapidly taking the place of surgical operations and contains no mineral or other poisons so commonly used in pile cures.

carefully analyzed the preparation and

Dr. Esterbrook reports that the Pyramid File Cure not only cures the various forms of piles, but never fails to give immediate relief on the first application, no matter how severe the pain

or discomfort may be. People who have suffered from piles or years are often astonished at the instant relief experienced from the first application. Another important adantage is the fact that anyone can ise the remedy without detention from usiness or interference with dally ocupation

Mr. J. W. Rollins, of Sweet Springs, Mo., writes; I consider the Pyramid Pile Cure without an equal; it cured me in loss than 20 days. I waited 15 days more to be sure I was fully cured before writing you; I am cured and I shall recommend the Pyramid Pile Cure at every possible opportunity, because It deserves it.

Although a comparatively new remedy, its popularity is such, that all druggists now sell it; if your druggist hasn't it in stock, he will get it for you if you ask him, as all wholesale druggists have it on sale. A pamphlet describing the cause and cure of plies sent free by addressing the Pyramid Co., Albion, Mich.
