JERMYN AND MAYFIELD

In all probabilities the citizens of Jermyrn will now settle down to work. For the past two weeks they have been kept excited over the number of caucus cases which have been held. Some are satisfied and some, as is always the case, are dissatisfied. It would be utterly impossible to nominate a ticket, either Citizen, Democratic or Republican that would please every one. But there is one thing conceded, and that is the people attending the Republican caucus voted for the best interests of the party, and to nominate men well qualified to fill the various offices. Jermyrn usually polls a Republican majority, and if the party will now stand up, victory next month will almost be a certainty. The Democrats also have a strong ticket, and they profess to feel confident of getting enough Republican votes to carry them a majority. Following are the three borough tickets:

REPUBLICAN.
Burgess, H. A. Willman; tax collector; Joseph Jay; justice of the peace; W. B. Swick; auditor; F. L. Dewey; high constable; Ira Utt.
