# SENATOR MORGAN MEETS OBSTACLES

He Is Hampered By Various Points of Order.

NOT ALLOWED TO SPEAK IN PUBLIC

Talk on the Clayton-Bulwer Treaty Given in Secret Session -- Suspension Day in the House--Bills Passed .- A Contested Election Case | nies in the same territory. Settled.

Washington, Feb. 15.-The morning business of the senate was broken in upon today by the vice-president laying before that body the joint resolu tion introduced last week by Mr. Morgan, of Alabama, to declare the Clayton-Bulwer treaty abrogated. When Mr. Sherman, of Ohio, called attention to the fact that a joint resolution was not properly a subject for considera-tion in the morning hour, the vice-president promptly sustained the point of order, intimating at the same time to move that the joint resolution be taken up. Instead of making that motion, however, Mr. Morgan appealed from the decision of the vice-president, and was about to make his speech in support of the joint resolution, when was again brought up suddenly by another point of order on the part of Mr. Sherman that the appeal was not debatable, Mr. Morgan insisted that it was, and made the cutting remark that the senator from Ohio had been so long in the senate that he had forgotten its rules. Again the vice-president sustained Mr. Sherman's point. causing Mr. Morgan to intimate that he was being victimized "by the chair and by the senator from Ohio,"

The affection was promptly, and not without a show of annoyance, redled by the vice-president. Senators Faulkner, West Virginia: Quay, Pennsylvania, and Chandler, New Hamphire, made suggestions intended to elear obstructions out of Mr. Morgan's turned out to be a similar warning, path; and finally the latter made the formal motion that the joint resolution be taken up for consideration, and that motion was carried by a majority of one. The vote by year and nays was as follows:

Yeas—Allen, Bacon, Gate, Berry, Black-burn, Blanchard, Brown, Call, Cameron, Chilton, Gallinger, Gibson, German, Haus-brough, Mills, Morgan, Murphy, Pasco, Peffer, Pettigrew, Pettechard, Pugh, Quay, Roach, Smith, Stewart, Tillman, Turple, Vest, Voorhees, Walthall, White—32, Navy, Voorhees, Walthall, White—32, Vest, Voorhees, Walthall, White—32, Nays—Baker, Burrows, Caffery, Cam-non, Carter, Chandler, Cullom, Davis, Gray, Hawley, Hill, Hoar, Irby, Lindsay, Loske, McMillan, Mantle, Martin, Mitchell, of Wisconsin; Nelson, Palmer, Perkins, Platt, Proctor, Sewell, Sherman, Shoup, Thurston, Vilas, Wetmore, Wilson—31.

### BLOCKED AGAIN.

But just as Mr. Morgan was about to enjoy his triumph and deliver his speech for the abrogation of the treaty. he was once more blocked by the objection made by Mr. Hoar, of Massachusetts, that the subject was one for con-sideration in executive session. Mr. Morgan suggested that what Mr. Hear meant was not an executive session but a secret legislative session. Taking the same view of it the vice president ordered the galleries to be cleared and the doors locked.

This occurred at 12.40 and at 2 o'clock three bells were rung, indicating that present price, the executive session proper began Mr. Cates,

It lasted until near 4 o'clock when the doors were reopened and the bankruptcy bill was taken up as the unfinished business. No progress was made the contract asked for is awarded them. with it beyond having the senate substitute read in full.

After that the conference report on the legislative bill was presented and agreed to; and twenty-four private pension bills with a lot of other mis rellanneous bills were passed and at 5.15 the senate adjourned until temerrow. BUSINESS IN THE HOUSE.

Today was suspension way, and the house disposed of a large amount of business. The most important measure passed was the sundry civil appro priation bill, carrying a total of about fifty millions and comprising 111 pages In the short time allowed for debate one hour, this unusual manner of summarily disposing of a bill of such importance was sharply criticised, as were also the appropriations of about sixteen millions for river and harboimprovements under the contract sys tem. After some reflections upon the appropriations committee and its chairman, Mr. Cannon, of Illinois, on account of an item in the bill expreprinting \$200,000 for establishing a new soldlers' home at Danville, Ill. (Mr. Cannon's home), were warmly replied to by that gentleman, who stated that he had urged its location there only after the unanimous recommendation of the soldiers' home officials, the house committee on military affairs and the committee on appropriations.

Of the other bills passed were the following: Appropriating \$250,000 to close the crevasse at Passa Loutfe. Mississippi river; to supply the Na-tional Guard of the various states with modern Springfield rifles; lending tents to the city of Buffalo, N. Y., for use of Grand Army encampment next summer; extending the time for the completion of certain railroads in Minne-sota and furnishing a naval or other vessel to carry supplies from San Francisco to the famine-stricken ef

The Price of Steel Rails Will Probably Be Advanced. New York, Feb. 15.-Local represen-

tatives of the large steel mills were interested this morning in a big contract for steel rails for an eastern road which has been holding off since the pool dissolved. One of the largest companies ffered at noon to close for \$20.25 a ton Including freight charges to this city. The offer will probably be taken, as it comes from a strong concern, fully able to meet competition. The heavy pusiness of last week has reduced the supply at many points and a normal market is expected soon.

The strongest companies, it is be-lieved, will insist on better rates this week and it is not unlikely that an informal agreement of a general nature may be entered into between compa-

## BLOOD ON THE HAWAHAN MOON.

An Affeged Plot to Assassinate the Ex-Queen.

Washington, D. C., Feb. 15.—Captain Julius A. Falmer, of Boston, gives out onight a statement charging that there is a plan to remove the ex-queen of Hawali by assassination from the path of the Hawallan annexationists, that it has the approval of the Dole government. He claims to have received the information in a letter from Honolulu sent the day before Lorin A. that he would recognize Mr. Morgan Thurston sailed for San Francisco, in timating that Thurston would promote the plan upon his arrival in this coun-

At the Hawaiian legation here the story is ridiculed as an absurd invention, intended to help the ex-queen in her effort to arouse sympathy in this country. Captain Palmer made the most of it today, going over to the white house, he says, and reporting it to Private Secretary Thurber, and then, returning to the hotel, he made elaborate arrangements for the greater se clusion and protection of the ex-queen.

He says he not only received this

# COLLAPSE OF ANOTHER TRUST.

The Machine Bolt Combination Has Cone to the Wall.

Cleveland, O., Feb. 15.—The great machine bolt trust has gone to the wall. It comprised all the leading machine bolt manufacturers in the country. The cause of the downfall of the trust was sharp competition, forced by the distrust and jealousy of some of its members. The combination was formed last April for the purpose of governing the price of macnine bolts and regulating the output.

Within the past few months some of the members of the trust have made repeated cuts in the trust price.
