TWO CENTS A COPY

The

Shows

made during the year, the Spring opening of

White Edgings, Inscrtions

and Embroideries

is undoubtedly the most beautiful. There is a delicate simplicity about these goods which never fails to charm those possessed of an artistic taste, and although they may not vary as much in styles from year to year cs goods of showy hue, still like spring flowers, they have a freshness and newness all their own, which nothing on earth can take from them but time Itself.

Today

in our windows and throughout the department we have placed

On Exhibition Many Thousand Yards

Nainsook Embroideries

in sets and single pieces, varying in width from 1/2 of an inch to 45 inches, while prices range from 10c to \$1.50 a yard.

0000000000000000

Cambric Edgings

come in a hundred different ways and are prettier than ever. Prices begin at 5c. and run to 50c.

0000000000000000

Fine Swiss Edgings

for infants' wear form an important feature in this display. Their dainty sweetness in design cannot fail to win your admiration.

0000000000000000

All-Over Embroideries

will be much worn during the coming season for yokes, set pieces, etc. We have them in Nainsooks, Cambrics and Swisses in a uniform width of 22 inches. The patterns are simply exquisite white figures, run from 50c. to \$5.00 a yard.

KING OF GREECE TO TAKE COMMAND

The Military Spirit is Thoroughly Aroused.

WILL NOT TURN BACK GREEKS

The Powers Are Informed That the Flotilla Will Not Be Withdrawn Until Crete Is Pacific -- Turkish Troops That Attempt to Land Will Be Opposed.

Athens, Feb. 18.-It is announced this

morning that the king of Greece intends to take command of the northern army in person, and this report has had the effect of still further inflaming the martial spirit of the people. In reply to the demands of the diplomats repre-senting the great powers here, that the Greek flotilla be withdrawn from Cretan waters at once, M. Skouses, minister of foreign affairs, sent to each minister a note saying the withdrawal of the flotilla will be impossible until Crete is completely pacific and furthermore that the Greek government will not rescind its orders to the Greek forces in Crete to oppose the landing of Turkish troops upon the island. Colonel Vassos, com-manding the Greek militia forces in Crete, has established headquarters at Gonia and is making preparations to attack the town of Selino.

Constantinople, Feb. 18.-The government has called out 64,000 reserves in the provinces of Broussa and Trebizond. Sofia, Feb. 18.-M. De Tcharykow, the Russian diplomatic agent, has informed the government that the czar desires that the Bulgarians should not help the agitation in Macedonia against the Turks and that the Bulgarian authorities should not allow bands to cross from their country in Macedonia to aid

the malcontents there. TURKS SAIL FOR CRETE.

Athens, Feb. 18.-It is asserted here that a Turkish force embarked at Constantinople today and sailed for Crete. They will not be permitted to land, for Greece is firmly determined to enforce her decree ordering the torpedo flotilla to prevent the debarkation of Turkish reinforcements on the island. It is stated that the commanders of the for-eign squadrons in Cretan waters have induced Colonel Vassos not to bombard the town of Halepa, which he was preparing to do, they promising that a solution of the whole question favorable

The situation on the frontier of Greece is very threatening, and it and after a talk with that officer, would not be surprising to hear of actual hostilities there at any time. All have been dispatched strong Greek a hotel in Philadelphia. They got him forces. In the present temper of the under the influence of liquor and entroops a very slight incident might ticed him to the country. Wilson of these lovely creations, including bring about a collision. The advices is daily becoming more serious.

Canea, Feb. 18.-Many refugees are arriving here from all parts of the Most of them are Moslems. who have fled from their homes, fearing the vengeance of the Cretan Christians or their allies, the Greek soldiery They all have stories to tell of the dangers from which they have escaped, and declare that the life of no Moslem is safe without the limits of the cities. A number of Mussulmans arrived to day on board a Turkish transport. They affirm that the Christians have killed 100 Moslems at Scrakimos and 100 more in the villages adjacent to that

place. The commanders of the British, French and Russian squadrons have left Canea in their flagships. The British commander goes to Sitia, the French commander to Heraklion, and the Russian commander to Retimo.

MASSACRE OF MUSSELMANS. Canea, Feb. 18,-Rumors of a whole sale massacre of mussulmans at Sitla have reached here, some of the reports placing the number of killed at 2,000, which inculdes almost the entire Moslem population of the town. It is said that men, women and children were killed indiscriminately by the Chris-General Bor, who is in command of the Gendarmerie at Canea has sent two Italian officers to Sitia in a gunboat to inquire into the truth or falsity of the reports.

The fort at Voucoulis which is garrisoned by five hundred Turkish troops has been besieged for several days by a large force of well armed insurgents. Yesterday the commander of the besieging force called upon the Turkish safe conduct to any of the garrison who | received in battle. choose to accept it,

The Turks refused to surrender on any terms. It is stated that the garrison has provisions enough to last for twenty days and a plentiful supply of ammu-

It is reported that Greek troops started today for Voucoulis to aid the insurgents in the capture of the place.

BIG ROYALTY CLAIMS.

Peter Snyder's Heir's Want \$250, 000 from the D. & H.

Wilkes-Bare, Pa., Feb. 18.—The heirs of the late Peter Snyder, residing in Plymouth, brought suit today against the Delaware and Hudson Coal com-

pany for \$250,000. Their claim is that Peter Snyder, deceased, purchased some years ago a tract of coal land near Plymouth consiting of thirty-six acres from a man nemed Brennan and that up to the time of Snyder's death he owned one-half of the coal, the title to which he never parted with to anybody. The defendant company, they claim, have mined coal and are now called to account for it.

NO TIME FOR WASTE.

Governor Hastings Expresses His

Opinion on Capitol Rumors. Harrisburg, Pa., Feb. 18.-Governor Hastings says regarding the story from Washington to the effect that a number of gentlemen had been agreed upon as members of the building commission for the new capitol at Harrisburg and that politics entered largely into its com-position; and furthermore that the cost

of the capitol was fixed at five millions and that \$35,000 would be expended for preliminary plans and sketches.

"If such an arrangement has been made I know absolutely nothing about it. I have never had any conversation with Senator Quay directly or indirectly on the subject. I have no right or de sire to speak for the general assembly and know nothing of the plans or pur poses of that body.

"Up to this time my only connection with the matter is authority given me by the joint resolution to solicit plans for the new capitol buildings. This duty is occupying most of my time at present, but you may say this, that no such sum as \$35,000 will be expended for preliminary plans and sketches. . This is not the time for such waste of

MYSTERY EXPLAINED.

James Marshall Confesses That He Murdered C. A. Danne--Story of the Cold-blooded Crime.

Chester, Pa., Feb. 18 .- On the night of Feb. 7, 1894, the body of a well dressed man, with two bullet boles through his heart, was discovered in a swamp just beyond the limits of the city of Philadelphia, and in this coun-There were no evidences of a

struggle, although a revolver with two chambers emptied was found near the man, and the coroner's inquest led to the belief that the man had been killed. No further proof of how the man came to his death was obtained at the time, and beyond the fact that he had regis-tered in a hotel in Philadelphia on the night of Feb. 6 as C. A. Danne, or Hanne, of St. Louis, his identity could not be established. No one in St. Louis could be found who seemed to know him, and the body was buried in potter's field and the authorities here ceased to follow up the case until yesterday, when they were notified that a man serving a sentence in the United States military prison at Fort Co lumbus, Governor's Island, New York, had confessed to the murder. The man is James Marshall, alias James

Brookham. In April, 1894, under the name of Brookham, Marshall enlisted in the United States army and after serving a few months at Fort Adams, R. I., he deserted. He was subsequently arment of two years and six months in
Fort Columbus. Various conversations with is fellow prisoners there convinced them that the deserter had to Greece would be soon arrived at by guilty of a serious crime. The fact was the powers. the Thirteenth United States infantry, Danne or Hanna. Marshall told Capthe available Turkish troops are being | tain Gliman that he and a man named concentrated on the frontier, whither David Wilson ran across a stranger in gave Marshall his pistol an the latter received here show that the situation | shot the stranger and killed him. The pair got \$280 in money and a gold watch

and chain as the fruits of their crime. To create the impression that the man had committed suicide, they left a small sum of money on his person and placed the revolver near him. Marshall and Wilson divided the money and beat their way south on a freight train. In the south they became separated and Marshall returned to his home in Cardington, this county, where he was arrested for desertion and non-support in the army. Marshall was a weaver by trade and is about 29 years of age. The military authorities of Fort Columbus honored a warrant sworn out before a magistrate of this city, chargto jail without bail.

GENERAL ROBINSON DEAD.

A Well Known Grand Army Man of Binghamton Passes Away.

Binghamton, N. Y., Feb. 18.-General John Cleveland Robinson, after a week's illness, died at his home in this city to-General Robinson was born in day. this city April 10, 1817. He spent three years at West Point, afterwards studying law. In 1839 he obtained a comtians. It is impossible at present to mission as second lieutenant and enterconfirm the reports, but the rumors ed the fifth infantry. From this period have created the deepest anxiety here.
General Bor, who is in command of army, General Robinson served his country in the military service, rising through the various grades to brigadier general of volunteers. In 1872 he was elected lieutenant governor of the State of New York.

He was commander in chief of the Grand Army of the Republic in 1877 and 1878 and in 1887 was elected president of the army of the Potomac service. He has been blind for several commander to surrender and promised years as the indirect result of an injury

Mr. Moore's Forestry Resolution Defeated in the House.

VARIOUS BILLS READ IN PLACE

Mr. Connell Asks for \$25,000 for the Scranton Home for the Friendless. Bills to Regulate the Distribution of the School Fund .- Sympathy for

Harrisburg, Pa., Feb. 18.-When the touse met this morning Mr. Martin, of Mercer presented a petition, asking the passage of the bill to regulate tonsorial schools and requiring that the board of

examiners shall be composed of three white and three colored citizens. The committee on Federal relations reported negatively the Cuban resolution of sympathy, but the house, on motion of Mr. Spatz, of Berks, adopted the resolution almost unanimously. It requests the United States senators and members of congress from Pennsylvania to earnestly forward by all proper means any movement looking to a

speedy end to the conflict.

Mr. Voorhees, of Philadelphia, offered a resolution which was adopted, commending the action of the United States senate in the case of Sylvester Scovel, the New York newspaper cor respondent now confined in a Spanish prison in Cuba, and urging prompt action by the state department for his refense.

Mr. Moore, of Philadelphia, offered a esolution which was defeated, authorizing the state forestry commissioner to obtain the assessed valuation of lands which would be suitable for a state forest reservation.

Among the bills read in place were the following:

By Mr. Heagy, of Dauphin-Making it a misdemeanor for superintendents or any one in charge of an asylum or hospital for the insane to refuse the attorney, physician or relative of inmates permission to visit him or her while confined therein within certain hours.

By Mr. Connell, of Lackawanna-Appropriating \$25,000 for the Home for the propriating \$25,000 for the Home for the Friendless of Scranton.

By Mr. Adams, of Philadelphia-To define what corporations, companies or as-sociations, making insurance upon the

By Mr. Hermann, of Snyder-Regulat-ing the taking up of logs and lumber in all rivers and streams, and fixing the salvage at 20 cents per log and \$1 a thousand feet on board measure.

By Mr. Kramlich, of Lehigh-To distinguish applications, certificates and

policies of assessment organizations from applications and policies issued by level premium life and accident insurance companies.

By Mr. Kerr, of York-Providing that when judgment is given against an in-surance company, which has resisted pay-

ment on a policy an additional sum of 12 per cent. of the judgment shall be as-sessed and made part of the judgment. By Mr. Roberts, of Luzerne-Appropriating \$331.70 to Ernest Garrahan for ex-penses incurred during the time of his ickness as a member of the National Buard at Homestead.

By Mr. Smith, of Philadelphia—Limit-

ing the amount of premium and interest which any building and loan association not incorporated by the laws of this commonwealth may charge upon loans and providing a penalty for exceeding the said By Mr. Bell, of Miffin-Regulating the distribution of the school fund. It pro-

vides that when two schools in the same district, located less than two miles apart, shall altogether have less than fifbefore a magistrate of this city, charg-ing Marshall with murder, and he was brought here tonight and committed for that year; that when three or more schools in the same school district are located together, or within one mile of each other, and have an aggregate enrollment of less than forty pupils per school in any school year, the number of these schools reckoned for the purpose of this act shall be the quotient obtained by dividing their aggregate enrollment by

forty. By Mr. Roberts, of Luzerne-Regulating the salaring of court criers and tipstaves in counties having a population of 150,000 and not exceeding 500,000. It provides that the court order shall receive \$1,000 per annum and the tipstaffs

By Mr. Focht, of Union-To make wages of employes a lien on real or personal property.

The house got down to the final passage of bills for the first time today The first one passed was the bill intro duced this winter. It provides that coroners shall have the same fee and mileage when they have been called and viwed a body but declde that no inquest is necessary, as when an inquest has been held. Other bills which passe; air in entering upon marriage. A girl finally, was the following:

An act relating to the election of prothonotaries, clerks, recorders and registers; also an act abolishing the restriction on the tax levied to pay nunicipal indebtedness.

The bill making tax collectors of boroughs ineligible for re-election was discussed and recommitted. Governor Hastings notified the house that he had signed the resolution expressing sympathy with Cuba,

Body Mutilated by Rats.

Pottsville, Pa., Feb. 18.—Mrs. Weaver, an elderly woman, who lived alone at Ashland, was found dead in her room Ashand, was found dead in her room this morning. Her body was very much mutilated by mice and rais. She was last seen alive on Saturday, and neigh-bors suspected that all was not right with her, and the door was burst open, when the horrible condition of her body was

Embezzier Jeffs Sentenced. London, Feb. 18.—Osmond Walter Jeffs, the old employe of the Pacific Steam Navigation company, who disappeared with \$2,000 belonging to the company, while en route to Mexico, via the United States, and who was arrested at Liver-pool on Monday last, was sentenced today

to five months' imprisonment at hard la

bor. He was a geologist and a member of the British association.
