Card from Mr. Stevens: In the Olyphant Gazette of the 13th inst an article signed "A Voter" appeared, which contained statements that have placed me in a false light with many whose friendship I prize very highly and with whom having lived amongst for the past sixteen years. I desire to live as becomes a good neighbor. As to my defeat last Tuesday I consider it a very small matter as compared with the injury done me, and I take this opportunity to deny that I charged "the Welsh with trying to scoop in all the borough offices," or that I objected to a foreign-born American citizen running for any office, and I challenge any to prove that I said so. I desire to thank all who supported me, not only in this but in previous elections, and had I had the opportunity of contradicting the statements in a public manner before the election, I believe I should have been as successful at the polls as I was at the caucus.

HOW TO FIND OUT.

Fill a bottle or common glass with urine and let it stand twenty-four hours; a sediment or settling indicates a diseased condition of the kidneys.

When urine stains linen it is positive evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp Root, the great kidney remedy, fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages.

It corrects inability to hold urine and scalding pain in passing it, or bad effect following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and extraordinary effect of Swamp Root is soon realized. It stands the highest test of wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists price fifty cents and one dollar. For a sample bottle and pamphlet, both sent free by mail, mention Tribune and send your full postoffice address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.

JERMYN AND MAYFIELD

The Sunday school institute of Lackawanna county met yesterday afternoon in the Methodist Episcopal church.

A very large number of Sunday school workers were present, including many from all the towns in the county. The afternoon session was opened promptly at 2 o'clock with prayer by the pastor of the Methodist Episcopal church, Mr. Halsey Lathrop, of Peckville, president of the session, and Mr. C. D. Winter, secretary. Mr. William F. Nye, of Carbondale, gave an address on "Spiritual Work of the Sunday School Teacher," the merits of which was greatly appreciated. The paper on the "Home Department," which was to have been given by Mr. F. E. Nettleton, was, on account of his unavoidable absence, given by the Rev. H. U. Roop, Ph. D., Mrs. C. Q. Meaker, of Carbondale, spoke in a very interesting manner on "Primary Methods," and was followed by Miss Passmore, of Carbondale, who in her address told a story of a king and his garden. Miss Hunter, of Carbondale, spoke on "Normal Work in Primary Departments" and explained the method of the holding of primary teachers meetings, and in her talk brought forth many questions very helpful to Sunday school workers. Dr. Roop, under "Organized Sunday School Work," gave an address, in the course of which he gave very interesting Sunday school statistics, saying there were 5,458 Sunday schools in the state; 146,000 officers and teachers, and 1,895,000 pupils. He further stated that only about twenty percent of the Protestant adult church members in the state were Sunday school workers. Miss Amanda Curtis, of Moody's bible training school of Chicago, gave a bible lesson from the second chapter and tenth verse of Ephesians. A committee was appointed to organize a county district organization. The committee met after the session and organized as follows: President, C. D. Winters; vice president, William David Hill; secretary, Miss Mandana Hymer; treasurer, C. A. Simpson, of Archbald. Messrs. J. J. Kresge, Louis Moore and Rev. William T. Williams were, in conjunction with the above named officers, appointed an executive committee. The Rev. Dr. Roop, who is the state secretary of Sunday schools, spoke to some extent on the convention, expressing his pleasure at being able to be present, and said that this was one of the finest and best attended conventions he had ever attended. The evening session convened at 7.30 p. m. with a great many more present than in the afternoon, and the addresses were equally as good and enjoyed by those attending.

Mothers Anxiously watch declining health of their daughters. So many are cut off by consumption in early years that there is real cause for anxiety. In the early stages, when not beyond the reach of medicine, Hood's Sarsaparilla will restore the quality and quantity of the blood and thus give good health. Read the following letter:

"It is but just to write about my daughter Cora, aged 19. She was completely run down, declining, had that tired feeling, and friends said she would not live over three months. She had a bad

Cough and nothing seemed to do her any good. I happened to read about Hood's Sarsaparilla and had her give it a trial. From the very first dose she began to get better. After taking a few bottles she was completely cured and her health has been the best ever since." Mrs. ADDIE PECK, 12 Railroad Place, Amsterdam, N. Y.

Miss Mabel Hutchings, of Mooste, is the guest of Superintendent and Mrs. Gebhardt.

Mr. and Mrs. George Cramer, of Greenfield, met with quite a mishap yesterday afternoon. They were moving their household goods to Jermyrn, where they intended to live, having rented a house of Mrs. Meehan, on Main street. They were driving a team and in the attempt to turn the corner at Rushbrook and Third streets, the wagon was upset, throwing the occupants into the air. They were taken to the home of Mrs. James Shields on Third street. Dr. Davis was at once called and found they were suffering from large cuts on the head. It is supposed their injury is not serious. After they were thrown out the team sped down Third street and the horses were not stopped until they reached the lower end of town.

Miss Sarah, daughter of Mr. and Mrs. Bartley Mullen, is expected home today. For some time she has been attending a normal school, and is coming home to recuperate.

The Carbondale and Jermyrn Whist clubs met Thursday night in this town and the Jermyrn players succeeded in defeating the Carbondale club by a score of 8 to 13.
