HOW TO FIND OUT.

Fill a bottle or common glass with urine and let it stand twenty-four hours. A sediment or settling indicates a diseased condition of the kidneys. When urine stains linen it is positive evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp Root, the great kidney remedy, fills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scalding pain in passing it, or bad effects following use of "Boner" wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and extraordinary effect of Swamp Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists price fifty cents and one dollar. For a sample bottle and pamphlet, both sent free by mail, mention Tribune and send your full postoffice address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.

PROFESSOR J. M. MUNYON.

"Kidney disease is probably the most fatal of all human ailments," says Prof. Munyon. "There is no disease that receives more careful attention. The following are the principal symptoms: Pain in the back, loins or groins, drowsiness, dark circles around the eyes, swelling of the feet and limbs, puffy, flabby face, headache, blurred eyesight, swelling under the eyes, bad taste in the mouth, dry skin, nervousness, sleeplessness, languid, watery feeling, loss of flesh and strength, scanty urine, dark-colored, milky or bloody urine, deposits of red sand, gravel or mucus in the urine, frequent desire to pass water and too great a flow. I will guarantee that my Kidney Cure will cure 95 per cent. of all forms of kidney disease. When the disease is far advanced and there are other complications, the patient had better send a four-ounce vial of my urine, with full symptoms. We will then make a careful analysis of the water, and advise the best course to pursue to get well, absolutely free of charge." Prof. Munyon puts up a separate cure for each disease. At all druggists, mostly a cent a vial.

Personal letters to Prof. Munyon, 425 Arch street, Philadelphia, Pa., answered with free medical advice for any disease.

HAWLEY.

A short time ago the Eddy Cornet band tendered Miss Altemus, proprietor of the Wayne County hotel, a serenade, but were disappointed upon learning that she was out of town at the time. When she returned, her generous disposition impelled reciprocation, and the "boys" were invited to dine with her on the evening of Washington's birthday. Special invitations were also extended to Erie and Wyoming Valley railroad passenger conductor, John Brink, Richard Teeter and D. Hincham. In response to the summons the "boys" appeared with their instruments and in full uniform. After dispersing some good music as a signal of their appreciation of the hostess' kindness, all retired to the dining room and relieved, in part, a long waiting under the weight of an endless variety of luscious viands. The company then resorted to the pleasant reading rooms in the hotel and indulged in pleasant conversation and a smoker. Later in the evening the musicians presented themselves in a body to Miss Altemus and through their speaker extended their gratitude for her kind hospitality.

A musical and grandophone entertainment will be given in the Baptist church Wednesday evening under the auspices of the Young People's Society of Christian Endeavor. One of Edison's latest talking machines, with our car tubes, will be used. A good selection of recitations, vocal and instrumental music will be rendered through a large horn. The people of Hawley should not miss the opportunity to see this wonderful instrument and hear it talk, sing and emit music by our greatest masters. Admission only 10 and 15 cents.

A party from Hawley, comprising Rev. R. D. Mims, Edward Cole, Robert Wheeler, Gardner Wheeler, D. Bingham, Charles Ammerman and Edward Ammerman, attended the semi-annual convention of the Wayne Baptist church and Bible school, held at Honesdale, Wednesday afternoon and evening. D. Bingham read an essay on the "Fletcher's Place and Power in the Bible School" at the afternoon session. Rev. R. D. Mims preached an eloquent sermon in the evening, and the Hawley Baptist choir acquitted themselves creditably in singing two fine selections.

Hood's Sarsaparilla Triumphant in a Severe Test

A Distressing Sore Completely Cured

The testimonials in behalf of Hood's Sarsaparilla are worth reading because they tell things worth telling. Just spare a few moments to read this statement below:

No man is more favorably known in and about Epping, N. H., than Mr. Joseph Stokes, the husband of the lady referred to. His word is as good as a U. S. bond, and every statement from him or his family may be most implicitly relied upon. Read this:

"C. I. Hood & Co., Lowell, Mass. 'Gentlemen—For fully twenty years my mother has been seriously troubled by a sore on her nose. For some time we thought it of a cancerous nature, and it was removed three times. A physician in Boston said the sore was not a cancer, but

Her Face is Well.

The sore has entirely disappeared, leaving not a scar, but only a slight mark, which we think may in time totally disappear. It is such a comfort to her and such a joy to the rest of the family that we feel indebted more than we can express, to Hood's Sarsaparilla, the fact she has been cured after twenty years of suffering." Miss E. A. STOKES, Epping, N. H.

From Mr. Stokes.

"I am glad to say that the cure of my wife is exactly as stated in my daughter's letter above. JOSEPH STOKES.

Col. Bennett,

Who writes the following, is a leading contractor and builder, has been on the Governor's staff, and held other official positions of confidence and trust:

"I know the parties referred to in the letters above, and endorse them as thoroughly reliable. I have known about this case for some time, and am glad this testimonial has been sent to C. I. Hood & Co." J. W. BENNETT, Lowell, Mass.

TAYLOR.

The condition of the affairs at the Summer Avenue Presbyterian church, of Heile Park, and the Presbyterian church of this town are even worse than they were several months ago, when both churches lost their pastors and it was decided to unite the two churches under the one pastor. There are three candidates for the pastorate. Thursday evening, Feb. 18, Rev. J. P. Moffat, moderator of the district, held a meeting at the Summer Avenue church which had been called to select a pastor. Two candidates were balloted for, Rev. Dr. Haines, of Montoursville, Pa., prevailing on the first ballot twelve votes, and Rev. L. F. Foster, a student at Auburn Theological school, receiving eighteen votes. On motion it was agreed to hold another ballot. The results were the same. Rev. Moffat thought it best to disregard the entire action, and decided to hold another meeting. The following night the members of the Taylor church were to ballot for a minister. Mr. Moffat came down and found just eight people ready to cast their votes. Arrangements have been made to hold another meeting tomorrow morning to decide on the question.

NOT IN A HURRY.

From the Wilkes-Barre Record. The famous Van Valkenburg bribery case has now been postponed until next month. This is the second postponement, and both times at the request of the defendant. It looks as if Mr. Van Valkenburg was not in such a very desperate hurry to vindicate himself.
