## FAREWELL RECEPTION.

The Trinity Rectory Crowded with Friends of Rev. and Mrs. Baisley.

A farewell reception was tendered to Mr. and Mrs. E. J. Balsley at the rec tory on River street Friday afternoon and evening by members of the parish. Nearly four hundred of their friends were entertained. During the evening refreshments were served by the membrs of Trinity guild and the following programme was rendered:

Violin obligato by Carl Hessler. Mandolin and guitar duet,

Messrs, Leonard and Heimes Piano solo ........Mrs. W. M. Lathrop Vocal solo .......Mrs. Hanna Leonard ens; recitation, Mary J. Thomas; solo,

With violin obligato. At the close of the programme Mr Balsley was presented with a purse of \$200 in cash. E. L. Harnden was to Reese; recitation, John D. Thomas; have made the presentation address, but owing to illness the address which had been prepared by him was read by H. O. Watrous,

After the presentation Mr. Balsley responded in a few appropriate words. He expressed the wish that the greatest prosperity might attend Trinity parish and that the general hope for a new church might soon be realized. At the close of the Sunday school yesterday Mr. Balsley was presented with a handsome oak bookcase, the gift of the teachers and scholars, as a token of their regard.

### PLEASANT RECEPTION.

Mrs. G. W. Reynolds and Miss Reynolds Entertain.

A pleasant reception was given Friday afternoon by Mrs. G. W. Reynolds and her daughter, Miss Reynolds, at their home on North Main street and Lincoln avenue. # A GREAT REMEDY. For Sufferers from Piles.

Dr. Redmond, a specialist in the study and treatment of Piles and rec tal diseases, recently stated that the Pyramid Pile Cure, the new discovery for the cure of piles, was the most rematkable remedy he had ever seen or tried in one respect; and that was, the instant relief experienced in all cases, no matter how severe, from the moment the remedy was applied; this was the more surprising to him, because he had carefully analyzed the preparation and no trace of opium, cocaine or similar poison could be de-

tected Physicians look with great favor upon the Pyramid Pile Cure, because it is rapidly taking the place of surgical operations and because it is so simple, so easily applied and contains no mineral or other poisons so commonly used in pile cures.

Dr. Esterbrook reports that the Pyramid Pile Cure not only cures the various forms of Piles, but never fails to give immediate relief on the first application, no matter how severe the pain or discomfort may be. People who have suffered from biles for years are often astonished at the

instant relief experienced from the first application. Another important advantage is the fact that anyone can use the remedy without detention from business or interference with dally occupation. Sold by druggists at 50 cents per package. Send for free book on cause and cure

PROF. COLES FOR MARCH.

Indications of Less Disastrous and More Encouraging Weather Conditions.

From Storms and Signs.

Professor Coles' March predictions are a little more encouraging than some that have preceded, and while there is spice enough for condimentary purposes they are not all spice. There is to be a little something other than disaster, disease and death. Surely, the professor is to be praised for this He is coming gradually to realize that all darkness and no light is not enough day and too much night. But here is what he says:

BETTER TIMES AHEAD.

A Tour to Washington at Exceedingly Low Rates.

Washington is today the handsomest city in America, and undoubtedly one of the most beautiful capitals in the world. That grand monumental building, the Capitol, has no counterpart. The new Congressional library, with its statues, its bas reliefs, and its marble halls, is a veritable palace. The great monument, five hundred and fifty-five feet high, is the loftiest memorial shaft in the world, and the National Museum has the reputation of being the most perfect in design for the purpose of any in existence. In point of interest it is second only to the famous British Museum of London. The three-day tours of the Pennsylvania Railroad company are arranged to cover all these points of interest, and many more. The tour of the city is made under the personal escort of an experienced tourist agent, and every facility

is afforded for a complete visit. The next tour of the present series will leave New York and Philadelphia March 11. Round trip tickets, including hotel accommodations and every necessary expense, will be sold at rate of \$14.50 from New York, \$11.50 from the 31st.
