BRIEF SESSION OF THE SENATE President McKinley's Cabinet Selections Are All Confirmed.

SENATOR TELLER IS CRITICAL

He Questions the Wisdom of the Appointment of Mr. Bliss as Secretary of the Interior -- A Compliment to Secretary of State Sherman -- Senator Wolcott is Welcomed Home.

Washington, March 5 .- The United states senate being a perpetual body lot expiring with the expiration of a congress, like the house of representatives, was in session today for two and three-quarter hours. There was a very large audience present to witness the opening of the Fifty-fifth congress, and the Republican side of the chamber was made bright and full of perfume with large and exquisite floral gifts in honor of several of the new senators, and of one of the old ones. Mr. Quay, of Pennsylvania, was thus remembered and favored by "the bourgeoise and the men in blouses," as the card accompanying the structure of flowers read. His colleague, Mr. Penrose, had an elaborate but less pretentious tribute of the same kind from

'the labor union. Governor Bushnell, of Ohio, having GRADUAL IMPROVEMENT. appointed Mr. Hanna to succeed Senar Sherman, now secretary of state Mr. Hanna took the oath of office, af-br plauoits from the galleries; and now the state of Ohio has two Republican senators, both of them new to that body-Messrs. Foraker and Hanna.

The chairmanship of the committe on foreign relations, so long held by Mr. Sherman, was conferred temporarily on Mr. Davis, of annesota. The only other occurrence of note in the opening session of the senate, was the from his recent pilgrimage to Europe in furtherance of the project for an insenators.

Shortly after 12.30 Mr. Pruden, one the senate. The president's message consisted of the nomination of his cabinet, as follows

JOHN SHERMAN, of Ohio, to be secre-LATY of state. LYMAN J. GAGE, of Illinois, to be see-

RUSSELL A. ALGER, of Michigan, to

Secretary of the navy. CORNELIUS N. BLISS, of New York, to be secretary of the interior. JOSEPH WKENNA, of California, to be

attorney general. JAMES A. GARY, of Maryland, to be

postmaster general. JAMES WILSON, of Iowa, to be secretary of agriculture.

At ten minutes before one the senate went into executive session to consider the nominations, and within two hours they had all received undisputed confirmation, and at 2.45 p. m., the senate adjourned until Monday.

COMPLIMENT TO MR. SHERMAN. The length of the executive session this afternoon led to the circulation of several unfounded rumors that a contest was being made against the confirmation of at least two of the memers of the cubinet selected by Presi-

o Mr. Teller's criticisms by praising the ability and qualifications of Mi Bliss, and, addressing himself to the one point made by Mr. Teller, asserted that this could be easily overcome by the selection of assistant secretaries, who would have these qualifications and would guide the secretary in his rulings.

No other speeches were made. The names of General Alger and Judge McKenna were not mentioned in the discussion, and all the nominations were then confirmed without a formal

vote being taken.

Peculiar Wreck on the Baltimore and Ohio Railroad.

Aurora, Ind., March 5 .- The fast pasenger train which left Cincinnati at 3.45 o'clock this morning for St. Louis over the Baltimore and Ohio Southwestern railroad, was wrecked four miles west of Cochran this morning. The engine and tender were hurled into a flooded creek. Six hundred feet of track gave way beneath the moving train and the engine plunged into the water

For a time it was believed that both fireman and engineer had been killed, but the trainmen found them later in They had managed to trees make their way from the wreck and had swam to the branches, from which they were finally rescued.

Week-Decrease in Failures.

New York, March 5.-R. G. Dun & Co. will say tomorrow in their weekly Review of Trade:

The slow and gradual improvement observed for some time has continued return of Mr. Wolcott, of Colorado, during the past week, and without material check. There is a better demand for most products on the whole with ternational monetary conference. He continuance of speculative buying in was welcomed back heartily by fellow some, notably in wool, because of expected duties. Meanwhile money mar-

kets continue as easy and undisturbed of the president's secretaries, appeared as if there had never been anxiety and delivered "sundry messages in about the gold reserve and fairly large writing," from President McKinley to sales of stocks on London account during the week, possibly because of international anxieties have made no

perceptible difference in American markets. The market for materials has not changed to any important extent. While the demand for bessemer pig

A PECULIAR PURCHASE TO MAKE WAS THIS 60 DOZEN OF SPANISH LACE SCARFS

You will judge, perhaps, on first thought, but when you know the price you'll not be surprised. Twelve years ago these Spanish Scarfs were in great demand and were worn extensively as a neck and shoulder ornament. And they are good today, as many of our friends who have already bought them tell us for head-gear, if you are going out in the evening, or you can take one of the wide, extra long ones, and make a waist or bodice over a covered ground.

This lot we have are strictly all silk, and many of them are big enough for a shawl. The actual value is from \$1.50 to \$4.50 each.
