BACK FROM WASHINGTON

William Connell Anthracite Glee Club Had a Splendid Time at the Nation's Capital.

The William Connell-Anthracite Glee club, the party of Welsh singers who represented this region at McKinley's inauguration, returned home at 8 o'clock Saturday evening a little worn out, perhaps, but very glad that they went. There were twenty-seven members to the party, and upon reaching Washington on Tuesday evening they sought their hotel, which had been previously arranged for by the advance committee.

Wednesday afternoon, after securing the necessary permission of the superintendent, the Glee club gave an impromptu concert at the new library building. It is estimated that about 5,000 people were in the place, and their reception of the singers was a sort of ovation. Wednesday night President McKinley was serenaded at the Elliott house, and the money was paid to the Washington Post building. The Post acknowledged the compliment in the next issue as follows: "The William Connell-Anthracite Glee club, of Scranton, Pa., is in the city. The club has many fine voices and all are well trained. It serenaded the Post last night, and for half an hour the office was full of people anxious to note the effect of the chorus in the large auditorium. A number of selections were given, and artistically that the crowd would not be satisfied, and at the departure of the singers followed them in the hope of hearing it all over again." The article concludes with a list of the singers with their offices.

Thursday the club serenaded Colonel McCloy at the National Tribune office and Friday night they gave a concert at Georgetown college. The programme gotten out for the concert contains the names of the club members, also the names of the Georgetown University Band and Mandolin club, which assisted. The concert was quite successful. There was another glee club at the inauguration, a band of 70 from Columbia county. It is whispered that our boys outsang them from a to g.

JONES-DAVIS WEDDINGS

Ceremony Performed by Rev. H. H. Harris of Taylor.

At the parsonage of the Calvary Baptist church, of Taylor, Saturday night, the Rev. H. H. Harris united Thomas W. Jones, of Bellevue, and Miss Rhoda Davis, of Taylor, in marriage. The young lady is a daughter of Thomas Davis, who is a prominent Taylor citizen. Mr. Jones is well and favorably known in Bellevue and the West Side, being a member of a musical family who are quite prominent among this city's musical circles.

The wedding was a quiet family affair and was only attended by the immediate members of each family and a few invited friends. After the ceremony the party went to the home of the bride, where a most enjoyable evening was spent. The bride was attired in a most becoming suit of broadcloth, while the groom was dressed in plain black. Neither were attended.

The couple, who have the well wishes of hosts of friends, are living at present with Mr. Jones' father, but expect in a month or so to begin house-keeping in their own home at 27 Lane street. The house, which is being built, is nearly completed, and will soon be ready for occupancy by Mr. and Mrs. Jones.

Among the few friends present at the wedding were: Mr. and Mrs.

A PLAGUE OF THE NIGHT.

ITCHING PILES AND OTHER RECTAL TROUBLES EASILY CURED BY A NEW AND SAFE METHOD.

A Remarkable Number of Cures Made By the Pyramid Pile Cure. About one person in every four suffers from some form of rectal disease. The most common and annoying is itching piles, indicated by warmth, slight moisture and intense, uncontrollable itching in the parts affected.

The usual treatment has been some simple ointment or salve which sometimes give temporary relief, but nothing like a permanent cure can be expected from such superficial treatment. The only permanent cure for itching piles yet discovered is the Pyramid Pile Cure, not only for itching piles, but for every other form of piles, blind, bleeding or prolapsing. The first application gives instant relief and the continued use for a short time causes a permanent removal of the tumors or the small parasites which cause the intense itching and discomfort of itching piles.

For this reason the Pyramid Pile Cure is probably the only pile cure extensively recommended by physicians, because it is so safe, so around in the relief afforded and so far as known the only reliable cure for piles except a surgical operation. In one year the Pyramid Pile Cure has become the best known, the safest and the most extensively sold of any pile cure before the public.

Address the Pyramid Co., Albion, Mich. For books on cause of cure of piles and also hundreds of testimonials from all parts of the United States. If suffering from any form of piles ask your druggist for a package of Pyramid Pile Cure and try it tonight.

Three men who got away before they could be identified. It appears from the story of bystanders that two young men were standing at the entrance to the Arcade when an older man under the influence of drink came toward them. They told him to go about his business, but he persisted in bumping up against them and slapping them on the back and that sort of thing.

For Spring We don't think its too early to talk about Spring Goods. Talk about, mind you. We don't expect you to buy just yet, but you'll no doubt be glad to hear about the new styles in Clothing. Our stock of Spring Clothing for the little fellows is here. The men's goods will be here in a day or so. The Boys will wear neat little coats with collars rather wider than last year, trimmed with silk braid. One particularly handsome suit has a green broadcloth collar with white silk braid. Some of the suits have buttons on the collar for ornaments. Then there's pretty little sailor suits with fancy fronts and halcyards with whistle attached. Others are made of Russia crash and woolen crash, all somewhat prettier than any we've ever seen before. Reefer suits will be worn again this Spring, but with wider collars and in somewhat different cloths. Some of the new weaves are extremely handsome, and Scranton's boy population will be better clothed this Spring than ever before—if we sell the suits. Price? Well, its rather hard to particularize, but we can fit the purse as easily as the boy. Say anywhere from two to six dollars for a good wearing, good looking suit. SAMTER BROTHERS. For Infants and Children.
