ARBITRATION TREATY.

The President and Secretary of State Will Subscribe to the Document. Good Feeling Prevails.

Washington, March 16.--There is every indication of a much freer interchange of views and of confidence between the state department and the committee on foreign relations of the senate since the advent of the new administration. The visit of Secretary Sherman to the capitol this afternoon was entirely unexpected and the first that was known of his visit was when, after his luncheon, a messenger informed Chairman Davis that Mr. Sherman was in the committee room.

CANDIDATE FOR NUREMBERG.

Rev. R. M. Zimmerman, of Jeannette, Pa., a candidate for consul to Nuremberg, was presented to the president today by Senator Penrose and Representative Robbins. He filed his papers with the secretary to the president, Dr. Pitcairn, of Harrisburg, who is a candidate for consul to Dresden, Germany. They are both from Pittsburg. Their names are A. G. Hatry and ex-General Western Freight Agent Cole, of the Philadelphia and Reading railroad.

Representative Kulp presented the application of L. T. Rohrbach, of Northumberland county, to be collector of internal revenue of the Twelfth district. It is believed that Representative Connell, of Scranton, will have the naming of the collector for that district. Mr. Connell's visit to the president today was of a social nature. He will talk business later on.

John Russell Young is said to be slated for the ministership to China, which post he filled during Grant's second administration. His principal opponent is ex-Secretary of State John W. Foster. Representative Hicks today presented to the president and Secretary Bliss W. A. Hammond, of Altoona, who is an applicant for assistant secretary of the Interior. Secretary Bliss promised to give Mr. Hammond's application careful consideration.

State Senator Chris Magee arrived here this evening from Harrisburg to meet some friends from North Dakota. He expects to return to the state capitol early tomorrow morning without calling on the president.

PENSION BILL PASSED.

Other Business Transacted at Regular Sessions Yesterday.

Washington, March 16.--In the senate today one pension bill was passed, and several hundred bills, public and private, were introduced and referred. There was hardly one of them which had not been on the calendar or on the floor of the chamber in the last congress. When Mr. Allison, of Iowa, in remonstrance against the passage of the one pension bill (\$50 a month to the widow of General John B. Stevenson) suggested that its passage today would expedite the chamber as inconsequent with the action of the senate a few years ago in refusing seats to appointees of the governors of Wyoming, Montana and Washington. Finally Mr. Fiske yielded and permitted the matter to be referred, as were the like cases this session from Kentucky and Oregon, to the committee on privileges and election. At 2:30 p. m. the senate adjourned till Thursday.

AMBASSADORS APPOINTED.

The president today sent to the senate the following appointments: To be ambassadors extraordinary and

THE HEAGY BILL IS AMENDED

According to Its Provisions Building Material for the Capitol Must Be Purchased in the United States. Various Measures Approved in the Senate and House Yesterday.

Harrisburg, Pa., March 16.--Just after the call to order in the senate this morning the civil service bill came up for final passage. Mr. Crouse favored amending the bill so as to exempt the cashier or assistant cashiers in the office of the receiver of tax in Philadelphia. This was rejected and the bill passed finally, yeas, 54; nays, 7. The senators voting against the bill were Messrs. Coyle, Crouse, Haines, Hertzler, Hummel, Magee and Miller.

REV. DR. SWALLOW'S CASE

The Editor Will Not Be Brought Before the Legislature for Contempt Until After His Trial for Libel.

Harrisburg, Pa., March 16.--Senator Gobin said tonight that Rev. Dr. Swallow would not be arraigned before the bar of the legislature for alleged contempt in refusing to testify before the capitol fire investigating committee until after the trial of the libel suits which begin tomorrow in the Dauphin county court. This is in accord with the programme agreed to at a conference last week between some of the parties interested in the suits and members of the senate and house judiciary general committee. Senator Gobin is directly interested in the case and thinks it is wise to delay action in the contempt proceedings until after the trial.

OBJECT TO THE GREEN FLAG.

Governor Black Interviewed by Members of the A. P. A.

Albany, N. Y., March 16.--Rev. Dr. Watkins, of the American Protective Association and another gentleman called on Governor Black today and presented to him a protest against his reviewing the St. Patrick's day celebration parade in this city tomorrow on the grounds that the paraders would carry a green flag. The protest was signed by the secretary of the American Protestant alliance. The protest was handed to Governor Black who, after glancing at it, threw it aside upon his desk and gave it no further attention. These gentlemen also waited on Lieutenant Governor Woodruff, who told them that he believed that the Irish flag in America as the Americans would have to carry the stars and stripes in London.

Sugar Refinery Resumes.

New York, March 16.--The sugar refinery on Sugar Hill, near Williamsburg, belonging to the American Sugar Refining company, after a shut-down of over five months, opened last night with a force of nearly 200 men. The introduction of the tariff bill with its increased duty on sugar is believed to be responsible for the resumption.

Republican Senator from Kentucky.

Frankfort, Ky., March 16.--The five new state senators, four Republicans and one Democrat, were sworn in this morning. The Republicans attempted to refer the credentials, but they were outvoted. This means that the Republicans will be able to elect a United States senator at this session.

The Herald's Weather Forecast.

New York, March 17.--In the Middle states today, fair, warmer weather will prevail, with fresh northeast winds, shifting to easterly, and followed tonight by cloudiness and light rain in the south-western districts and possibly on the seaboard. On Tuesday partly cloudy to cloudy, mild weather will prevail, followed by rain, with fresh to brisk easterly to southeasterly winds.

LATEST PORTRAIT OF SPEAKER REED.

MEN EVENLY MATCHED.

A Sport Who Has Examined Corbett and Fitzsimmons Declines to Risk a Dollar on Either Pugilist.

Carson, Nev., March 16.--This afternoon the weather was bad and the clouds threatened rain or snow. The kinestoscope people can take pictures in such a light, however. The weather bureau indications this afternoon say fair tomorrow. Lan Stuart says there will be no postponement unless there is a heavy snow or rain storm. Later a strong breeze from the south swept away the clouds and the sun beat down on the battleground from a clear sky. Fitzsimmons' right wrist, which he sprained while boxing with Hickey at Colorado Springs a month ago, and which he has favored in his training, is as sound as ever. Bob died this morning in the most severe manner without pain. He will wear no bandages on his hands tomorrow. Corbett is absolutely without blemish. His hands, usually tender, are hard as nails, and there is not a sore tendon or an aching joint in his body. He never received a scratch while training, and was fortunate in avoiding cold and chills. The Australian seems a trifle careless in exposing himself and did not hesitate to indulge in hot mineral baths, which he claimed broke up his cold. He is more rugged than Corbett and his complexion resembles crimson parchment. Both men were examined this morning by a sport who has money to bet. After looking them over carefully he decided not to wager a dollar. The betting in the Paris Mutuals is slow. Corbett, Green and Hawkins are the favorites. Fitzsimmons, Smith and Flaherty are second choices. The bookmakers are offering 10 to 15, Corbett being the favorite. There is still little Fitzsimmons money in sight. Challenges to the winner from Sharkey, Goddard and Maher will be read by the master of ceremonies, who has not yet been selected. The long-looked for sports from the east and the west arrived today and discharged additions to the crowd which has already severely taxed the resources of the town. But the attendance at the ring side will not be large as was anticipated. Between 4,000 and 5,000 people will perhaps be a careful estimate of the number. Overwhelming confidence on both sides is being made to all the sports. It is undoubtedly genuine in the two men and tends to still further shake the ideas of any one who is inclined to waver about picking the winner. The prevailing opinion seems to be that the fight will be limited to fifteen rounds. No one is inclined to think that the battle will be a long one. The interpretation of the rules which allows hitting in clinches and breakaways appears to account in a great measure for the popular idea of a short fight. Dan Stuart, it is evident, assumes what majority since he has put on the two smaller fights to follow the big event. Both pugilists turned in early to get a good hour's rest before the event. According to tonight's arrangements, Corbett will perhaps take a short walk in the morning and then drive to the arena. Of course, the weather will have a great deal to do with the plans of both men.

REV. MULLINGTON EXPELLED.

His Father, Mrs. Dickinson, Also Excluded from the Church.

Newark, N. J., March 16.--At a meeting of the congregation of the Fairmount Baptist church tonight the Rev. F. J. Dickinson Mullington was expelled from the membership of the church, and Mrs. Dorothy Dickinson and the Rev. Mr. Mullington were excluded from fellowship in the church. It will be recalled that a short time ago Rev. Mr. Mullington and Mrs. Dickinson eloped to Montreal and upon their return to Newark a few days ago confessed that intimate relations had existed between them for over a year.

Adirondack Lumber Season Closes.

Saratoga, March 16.--The end of the Adirondack lumbering season is the signal for a grand dance at Dogtown, a settlement near North Creek. The season closed on Saturday. There were four women at the function and the dance proved to be a success. The affair culminated in a grand march, during which one of the belles sustained a broken leg and several of the gallants were more or less injured.

But Little Betting in London.

London, March 16.--There is very little betting in sporting circles in London on tonight's fight between Corbett and Fitzsimmons, and, with a few exceptions, wagers have been made chiefly at even money. One offer of £200 even on Fitzsimmons found no takers, and later £100 to £100 against Corbett was offered by the same better and accepted.
