Swallow was given to the jury at 4:30 this afternoon the second case in which Captain J. C. At 6 o'clock, pending a decision on the motion to quash, court adjourned until 9:30 tomorrow morning.

KNOCKED OUT BY FITZ.

An Impudent Stranger Satisfied as to the Best Man--Jim Corbett Will Return to the Stage. San Francisco, March 22--Robert Fitzsimmons knocked out an English traveler named Campbell in the Baldwin hotel bar room early this morning. After his exhibition at a local resort last night, the champion, Martin Julian and W. A. Brady, Corbett's manager, returned to the hotel, and spent the night discussing a return match. Along towards morning Campbell drifted up to the bar and addressing the Corbettman, said the Carson affair was not a true fight, and that the best man fit out with Fitzsimmons jumped towards the stranger and swung his left with terrific force, knocking the intruder down.

Corbett was at the Baldwin early today, watching for his conqueror. He wanted an interview, but was not favored. When told Corbett was in quest of him, the champion dodged out of the door and down the street.

Corbett says if he cannot meet Fitzsimmons he won't meet anybody. Jim has offer to manage a big athletic club in New York at a magnificent salary. Should his show prove a failure he is liable to take this job. But he has made up his mind to go back to the stage for awhile.

SLUGGER IN JAIL.

Samuel L. Perry is Responsible for the Death of Edward Gibbons. Philadelphia, March 22--Deputy Coroner Dugan today held inquests in the cases of Christian Kielmecker, who died on Saturday after engaging in a boxing bout with Frank Connolly, and of Edward Gibbons, who died the same day from the effects of a heart blow delivered by Samuel L. Perry on Friday night during a bout at the Tenth Ward Democratic club.

It was testified that Kielmecker stumbled and in falling struck his head on a spike which projected from the floor. The autopsy showed that the fall broke an abscess which had formed on the man's brain and that death resulted therefrom. Connolly was discharged.

In the case of Gibbons, Peter Gillespie, the referee; James O'Neill, the second for Gibbons; William Orr, the second for Perry; and several other witnesses testified that it was a brutal contest. Dr. Cattell, the coroner's physician, declared that death was caused by hemorrhage of the neck, nose, pharynx and brain.

The jury returned a verdict that the death of Perry was caused by the contest with Perry, and that death resulted therefrom.
