

STATE OFFICIALS ARE EXONERATED

(Continued from Page 1)

whose duty it shall be to take charge of the collection of claims against delinquent corporations; and further recommends that the auditor general be authorized to employ temporarily a sufficient number of clerks to assist the delinquent clerk. In conclusion the report says: "We deem it of great importance to the commonwealth to require from institutions receiving aid from the state a strict accountability of every dollar expended."

FAVORS UNIFORM INTEREST.

This report favors a uniform rate of interest from all banks now holding or hereafter receiving state funds, and interest to be collected from each and every bank without discrimination. "We are opposed," says this report, "to granting special privileges to the city depositories, selected in Philadelphia, Harrisburg and Pittsburgh, while the country banks are required to pay interest. We, therefore, recommend the passage of an act placing upon an equal basis all banks that receive state money without regard to location."

NO DEPOSIT TO BE EXCEED \$250,000.

No deposit is to exceed \$250,000 and is to be secured by bond. The minority protests against the admission of expert evidence, thereby excluding the right of cross-examination at the sittings of the investigating committee, and also opposes any provision making in view the changing of the present system transferring the payment of public school funds from the department of public instruction to the auditor general's department. The committee concurs in the recommendation of the conduct of the two offices investigated.

Don't let that cough hang on any longer; it may make you serious trouble and become constitutional, and possibly lead to pneumonia. You will find that ordinary cough specifics will not reach the seat of trouble; you must take something to build up and reinforce the body.

Scott's Emulsion of Cod-liver Oil will usually do that when every other thing fails, at least that is the verdict of the people as well as the medical profession. It is particularly true of children and all weak, delicate persons.

AN INTERMITTENT HEART.

STOPPED EVERY THIRD BEAT.

But Mrs. Stroppe's Heart Now no Longer Lags but Throbs Regularly.

From the Leader, Cleveland, Ohio.

In a large, commodious house, No. 304 Huntington Street, Cleveland, Ohio, lives Mrs. Emma Stroppe, widow of the late X. M. Stroppe, and she is the mother of a young man who has been, and is now one of this city's most successful and energetic pharmacists. Mrs. Stroppe, who has lately recovered from a serious cardiac difficulty, when questioned by a reporter regarding her late illness, stated as follows:

"Two years ago, I had my first experience with Dr. Williams' Pink Pills. For a long time I was troubled with an ailment which I could not eventually drive away unless I fed myself of it. It would come on, no matter how long I abstained from it, and I felt as though something would strike my heart with great force, and push it out of place. During that period, whenever I lay down at night, my heart would become perfectly numb and helpless. I could feel the temporary paralysis coming over them, but I could do nothing which would prevent it. My feet were swollen in like manner, and I had considerable difficulty in walking when such a spell had possession of me. Naturally that state of affairs completely upset my nerves, and any one whose nervous system is well known

shattered, can appreciate and understand the nature of my ailment, which I endured. I lost my sleep and rest, and often was compelled from sheer exhaustion to stop during the day to obtain some repose. But as soon as I felt that my condition was over my hands and feet, and I looked violently in my chair to drive it away, but frequently to no avail.

"One day my son, who was keeping a drug store at the time, brought me some of Dr. Williams' Pink Pills for Pale People and advised me to take them for my heart trouble. I did so and soon began to feel better. I used the pills about two months and they certainly cured me, for now my heart beats regularly and all numbness has disappeared and my circulation is in splendid order."

"We print the above hoping Mrs. Stroppe's experience may be beneficial to others who may suffer from derangement of the heart."

Dr. Williams' Pink Pills contain in a condensed form all the elements necessary to give new life and richness to the blood and restore shattered nerves. They are also a specific for troubles peculiar to females, such as irregular menstruation, and general weakness. In men they effect a radical cure in all cases arising from mental worry, overwork or excesses of whatever nature. Pink Pills are sold in bottles, according to size, at 25¢ a box or six boxes for \$2.50, and may be had of all druggists, or direct by mail from Dr. Williams' Medicine Company, Schenectady, N. Y.

MARKETS AND STOCKS.

Wall Street Review.

New York, March 24.—The market for securities today was dominated by the decision rendered yesterday by the United States Supreme court in the Trans-Missouri Freight association case. Efforts were made to contact the important question to connect the importance of this decision by according support to certain of the Vanderbilt stocks, and the bulls were assisted by a rise in Chicago far to the best they could get. The day's trading was a mixed one, operators attached more and more importance to the Supreme court decision, which is now regarded as a severe blow to combinations generally, whether railroad or industrial. As this view of the case led to a quieting of the selling pressure, increasing and during the afternoon the stock market had a decidedly depressed look. The shrinkage in values disconcerted many weak holders and the sales on steep orders
