TWO DWELLINGS DESTROYED.

Delay in Getting Water Caused a Se vere Loss on the South Side.

The absence of proper water service resulted in the destruction of two dwelling houses on the South Side yesterday morning. They were the residence Terrence Carey and Mrs. James Murray, at 822 and 824 Maple street.

The fire broke out in Mrs. Murray's house at 2.55 o'clock a. m. An alarm was sounded from box 49, but before the companies could get water to the scene the Murray home was totally destroyed and Carey's house was beyond salvation. Both were burned to the ground and much of both parties' furni-
