ONE IN EVERY FOUR

One Person in Every Four Suffers From Piles.

About one person in every four suffers from some form of renal disease. The most common and annoying is itching piles, indicated by warmth, slight moisture and intense, uncontrollable itching of the parts affected.

The usual treatment has been some simple ointment or salve which sometimes give temporary relief, but nothing like a permanent cure can be expected from such superficial treatment.

The only permanent cure for itching piles yet discovered is the Pyramid Pile Cure, not only for itching piles, but for every other form of piles, blind, bleeding or protruding. The first application gives instant relief and the continued use for a short time causes a permanent removal of the tumors or the small parasites which cause the intense itching and discomfort of itching piles.

Many physicians for a long time supposed that the remarkable relief afforded by the Pyramid Pile Cure was because it was supposed to contain cocaine, opium, or similar drugs, but such is not the case. A recent careful analysis of the remedy showed it to be absolutely free from any cocaine, opium, or in fact any poisonous, injurious drug whatever. Sold by druggists at 50 cents per package.

A sheet of paper and set fire to it. The children had not time to get out of the way before the powder exploded into his face, severely burning them. Dr. Winters is attending them.

AMUSEMENTS.

Miss Rhea's appearance at the Academy of Music on Tuesday evening will be accentuated as a social event, from the fact that she has many friends and admirers in this city. Her engagement will also be of special interest because she will present the historical romance, "Neil Gwynne," by the young author, Paul Kester. The play is said to be without question the most delightful in which the gifted Rhea has yet been seen, and it has the greatest scope for clever and artistic delineation than any she has ever played.

"The Mysterious Mr. Bugle" is to have a production here next Thursday evening at the Academy. Mrs. Ryley wrote the drama. A better cast for a light comedy could hardly be had here. Joseph Holland has a reputation in farcical characterizations second to no one on the American stage, and with Miss Annie Russell playing an opposite role who is acknowledged as being one of the most delightful comedienne of the day, the result cannot be but a very happy one.

Says the New York World in speaking of the great Casino production which Messrs. Klaw & Erlanger will present here on Friday evening next, April 2, at the Frothingham, "The Lady Slavee" produced at the Casino, makes one wonder why managers take the trouble and go to the expense of bringing over from England troops of massive, stolid, ox-eyed statuesque creatures, who are mere lay figures in their particular plays, when from the ranks of American girls such an array as the one seen last evening can be recruited. There are some thirty or forty of these beauties on view. It was a busy such as even the Casino of the past never mustered. Talk of your Gaiety girls! Be patriotic and shout for those of the Casino."

In "Kidnapped," which comes today for the first half of the week to David's theater, a young society woman is abducted, and this feature will prove one of the strongest points of the well-acted play. It is a play new and is told directly and forcibly. An exciting first scene, and the appearance of a patrol wagon with a load of policemen, the wagon drawn by a team of spirited black horses, dashing across the stage at breakneck speed will no doubt cause enthusiastic applause. The wagon, it is said, was built from the famous wagon used in the Haymarket riots in Chicago some years ago. The author of the play, M. K. Higgins, is also a capable actor. His impersonation of Louis Rimegold is effective and many throughout. The supporting company is fully equal to all the demands made upon it.

A telegram was received by relatives here yesterday from Evan Reese, residing at Plymouth, advising them of the time at which he would return. Many friends will regret his death, as Mr. Reese was a resident here for many years, but removed about five years ago to the above place. Mr. Reese is a fine foreman. He is survived by a husband and eight children.

Mr. and Mrs. Owen Hughes, of Spring street, are rejoicing over the arrival of a baby boy.
