ANNA DICKINSON TELLS HER STORY

[Concluded from Page 5/1.

suspend forward and said: "Well, Miss. Dickinson, since someone has to take the responsibility, I will take the respensibility. You know, Miss Dickinson, you used to make speeches and write books and plays; well, Miss Anna Dickinson, we are poing to take you where you will learn to make speeches and write books and plays again. We

Mire Dickinson then went on to deserile ber icmoval from the house, the trip to Durville and her bearceration in the axylum. The defendants, after aurilius her in a stralgus hicker, this there was a carriage to walling Tries this they forced for by pushing and demander and drave to the West that she did not acquiseco to any and appropriate appared was that she did not want to assent in any way to "Surrang," Blig wanted her every word and action to be a protest-

AVAINTED NO TRILITINAPIA

At the station the sought to send, the distanches, but was provening On the fruit the again made an ef-fort to send disputches, but the con-ductor and bearening to whom the arranded, pretended they did not hear r. A distinctor elithic near beard complete for terrell and paper and writed her with a pencil and the wrapper of a newspaper, Seeing that the wrapper had a mane and date on by the decided that it would be better to preserve it as evidence than tend to that the patch the might write on it, ever

is harded from the warn and up to the s Mes. Frest, took her in charge and no her to a lottle room at her request, that she release taking her brilliant and binding arists. She undo no effort equalit to cond disputches to Governor, Patrison, Jay Gould, her counsel, Howeis Hummel; and her brother, but the tills may near by and that the feleus, he told her to me with Mrs First and that the relearants would be arrended to in the marning.
He also fold of her propert against

is isomirent made to the superint ndto and of her charging him with vio-liting the law by receiving a parient called the proper coefficients. A visit from the Ogloddy, at suppor them, and the test day of her incares affor, was absorbed. He naked her if she built ever been in such a place before and if the had come of her own free will and she autowered him by calling his attention to her biscory, which he silutional be was regunaried with and to her framed versus and hidicrous

HE MADE ASSESSORS. the netted if he could be of any see some telegrams for her. He made some ome for not being able to compar with this request. Then the asked him and have the patce take charge of her room and effects. His niewer was that these matters would be all right. She carrily demissed four and went buck to the amper tooms. Miss Dickinson then described in describe style the number and hodily callering she endured during the nyacoeles also was a prisoner in the madhouse, and of her continued efforts to communicate with, her attorders or ome triend with a view of scenting

She also related how, under a rate of the fratitution which permits an inmate to send a scaled letter to her attorney once a month, without having interfered with in any way, the becausht the attention of the board of directors of the algium to her case and will finally culminated in her release She then testified that she came out of the institution impaired in health and to find that the contracts which she had had on entering were all cancelled and she was left without the means of a Hyalthood, because of the blow her requiration had received by her heing reduced a funatic. At this point court adjourned for the mon recess, At 210 Miss Dickinson's examina-

ion was resumed, but the was almost omed many turned over to Attorney A. A. Vesburg for chars-examination. Miss Susan E. Dickinson and beside At-Orner Venburg during nimest the on-

On consexumination Miss Diskinson said the was born in April, 1842. The the Broadway theater, New York, and has the ele went to Pitiston to rough Mr. Voccours tried to gain the admiswere during the holiday season of 1888, Boing to that place from New York. In 1881, 1832 and 1887 she spent some time in Honoscale and an operation bune, that a number of ladies became was there performed on her by Dr. incensed at the language she used and becomen. This operation was made left the theater. Court overculed the secondary by the effects which followed question but intingered that evidence an injury she sustained in 1864 when a with reference to that fact might be datiron fell on her foot from a great hearing fell on her foot from a great mainteen when the ridicaled the sug-hearing splintering the bone and crush- present its case. She ridicaled the sug-REVIVO. It questions ing the end of the sciatic nerve. This position that she had a revolver dirkoperation becausary. Sine went Honesdale for the purpose of having

Now is when you need Scott's Emulsion, especially if you had the Grippe, and the system is depleted and you are virtually exhausted. A tonic won't do. You need the combined food and tonic properties of Scott's Emulsion of Cod-liver Oil with are going to take you to the Danville Hypophosphites and Glycerine. It will give you flesh and strength, and tone up your nervous system in a manner that will almost surprise you. Ask your doctor about it, if you will. His word will strengthen ours

Dr. Posman perform it and he was as

sted by Dr. Burne. In response to several questions with a view to assertain whether or not been relations with her sister had been friendly prior in 1801, with the exception of some slight differences of aprolon about nuarters, Mass Dickinson said: "I had always been no stator's friend. M we had differences that is another

TO BE TIRED IS ONE THING. Dr. Mc(Iman, one of the defendant) attended her in August, 1890, for a sich stomach. He called on her about dozen times. She denied that she was in poor health after 1888. "To be tire is one thing," the said, "to be sick !

Hor erse against the Republican no tonul committee for services in th ampaign of 1888 was thrown out o ourt for the reason that the court neld it was illegal to make a contracfor more than \$3,000 for campaign pur

She denied having wounded her distor with a seissors. On one occasion Mr. Eaglston divers her to her dressmaker. the became impatient and tired. While the gown was being tried on and in her distress feld them to take the "Danna inperformed it. Dr. Schultz, par her distress told them to take the "Darm thing off." She did not consider that no retermible facilities. When she is minded into that the rown of tape. for III health she grew worse as the work of the govern morressed and an attack of stomach months confins on she infrastened the challes from the upper part of her body and Mrs. Simi-ton, her decoundler, and the women who were with her placed warm clothes on her body. Afterwards Mr. Egale-son drave her home.

She termed a gratituous insult and a He what was implied in a question by Mr. Yoshurg asking her if she did not stren go out rising with Dr. Johnson and this him. When urged for a more definite really site said "It is not true as porhisis of the kind ever occurred." She described in defail her life at Pictation during the few days prior to the time she was taken to the naylum. She denied having slavoed an electrican named Hall, who called to frea her face. She also denied having show ed or used violence to her maid, Mr. tha Griffither or Invites clutched Susa Dickinson by the throat. She said So can tried to force her way into he on and the put her hand on Susan' or out of the room which was her tibe phainthr's) private apartment. Mr. Yosburg asked her af she was at the time preceding her incarescration in the habit of using stimulants or intexcuring denites, and she said she had term in the habit of using liquor for thirty years. She used it for delaking and building. From Mr. Bevan, of Pateron, she got whishey, the heat she could find. She never used anything

NOT AS A BEVERAGE. "Did you use Henor as a beverage

else. She never drank any parter prown stour; it did not agree with her

prior to going to the asylum," asker

"I nover used Hodor as a beverage was the reply. She followed this up by saying she used whiskey medicinally. but never as a beverage or intoxicant. To the lest of her knowledge she had not taken any whisky for two month prior to being taken to the asylum There was none in the house

She denied emphatically that she ever refused to take food in the house in West Pittston because she feared then vas poison in it. She never said that she refused to take food on that ac count. She told of the manuer in which she had been drugged from her home and forced on a train and taken to Danville Insane asylum and of har orversations there with Dr. Onelshy. After her release from the asytum she belivered two lectures in New York sing, on April 27, 1831, she smale in made such a violent attack on Whiteiaw Reid, editor of the New York Tri-

nerve frontile with super-added anxiety knife and a large pair of seissors in soil the strain of travel resulted in a large paye at Pitiston. At 4 o'clock Mr. condition of affairs which made this Vosbarg completed his cross-examinaon restirect examination she said that one time in 1889 she was suffering earlidy from a sick stomach and Dr. Theodore Johnson called to attend her-He afforded her great relief and as her suffering subsided, grantinde for her letterance from pain welled up in her for Suie by MATTHEWS BAUS, July part and as the highest evidence of her thankfulness that she could bester her pulse she touched her lips to his forchead, and said: "Oh, thunks. banks." On the burt trial Dr. John

OUR EASTER OPENING TAKES PLACE

THURSDAY AND

FRIDAY, APRIL 1 and 2

A GORGEOUS MILLINERY DISPLAY

> Will be the principle feature of this event. A large line of European novelties, as well as the most artistic productions of our own milliners, will be on exhibition. We have engaged for the coming season the most competent trimmers and our preparations for business in this department have been made on an unusually large and elaborate scale. Admirers of beautiful and novel creations should not fail to attend on the opening days, when our strongest efforts may be seen to the best advantage.
