DOES NOT KNOW HIS RESIDENCE. Mayfield Claims Him But He Believes He Belongs to Jermy.

Winford Sente, one of the parties living along the disputed boundary of Jermy and Mayfield, secured from Judge Edwards yesterday, through his attorney, I. H. Harris, an injunction restraining Robert Post, collector of Mayfield, from selling him out for taxes, the plaintiff alleges, that he is not a resident of Mayfield but of Jermy, where he has paid taxes and voted for the past three years.

Mr. Sente says he is willing to pay his taxes but wants to know which borough is authorized to receive them and until such time as the boundary line is established by the commission appointed Monday he wants the Mayfield authorities restrained from including him among its taxable inhabitants. The argument was fixed for Monday, April 5, at 8 o'clock a. m.
