Lively Time at Special Session of the Common Council.

special meeting of the common council was called on Monday evening to pass the appropriation ordinance on the final reading.

The street committee reported favorably upon the pellion for grading and curling Thorn street from Canson street to Summit avenue. Then was read the report respecting the Belmon street payement.

Messes, Ditts, Cillicol Enter and Buter as committee commended a forther delivery of bonds to Park Paylor company to the amount of \$2,000-th bulances to be retained to make good any defects which the city emineer of street committee may find in the paynews. After a motion had been made Bud recorded to accept the report, M. M Donouni onlered a profest against paying over the \$2,000 and remaining only \$200 on the ground that the worl was not surbineracy to the city engi-ners. Mr. Warren, president of the Pick Triving company, being present was ushed to make a statement. H admitted fluit there were nome mine numerable conditions when the world was done. The felt that no the city has n 25,000 bond, that should be sufficient as the contemp needed payment t need their obligations. The was will to find a man to do the work, and I the cost was more than the \$300 left is pay for it, the company would incur to expense. After some further consider asion a vote was taken on the motion to decept the report. The vete stood un followic Mesers, Miles, Galour, Kane Collegi; Lindson, Este and Frandov age; Messes Devine, Deckerty, Glennon, McDamough and Smith, may, The motion was thus carried to estain \$500, and pay the Paving company the amount of \$2,000.
