Makes No Boasts, but Is Not Doubtful in Asserting That the Scranton Team Compares Favorably with the Leading Clubs -- Has an Intelligent and Heavy-Hitting Lot of Players. Two to Four Men for Each Position.

"Sandy" Griffin, the base ball manageron whom is pinned the faith of thousands of Scranton base ball cranks, arrived here yesterday from his home at Fayetteville, N. Y. He is head over heels in a mass of correspondence that has been accumulating at the St. Charles hotel since Friday and which with other early-season duties will keep him busy until the championship games begin.

Manager Griffin's arrival had been ardently anticipated by the club owners and others who anxiously awaited personal interviews in corroboration of the much good news and little unfavorable gossip that had reached here through indirect channels. In those particulars there are no material changes in the facts already chronicled in The Tribune.

In discussing the club's prospects Manager Griffin was not boastful nor doubtful in his assertion that he would land a team at least well up toward the top. His reasons were that there would not be an untried player on the club; the team was, on paper, as heavy if not the heaviest batting team in the league; there was an even balance of old and young material, and the men were without exception possessed of more than ordinary intelligence. When asked if he considered the players sufficiently fast he replied:

FASTER THAN PROVIDENCE.

"Providence finished first last seaon with only two real base runners, Murray and Lyons, and second the year before with practically the same make-up. We are faster than Providence and I cannot see where we are weaker, collectively, in the field; we surely can hit as often and as hard-so there you are.

"I cannot tell now exactly how the team will be made up. Of course I have mapped it out in my mind and any one who knows the players we have would figure the make-up about as I have done, but there's no telling what might happen before the seasor opens. However, there is no position with less than from two to four men to fill it. 'That doesn't include pitchers. "There are six pitcher candidates Gillon, Meaney, Harper, Yerkes, Well-

ner and Morse, each a tried man and a good one. We shall retain but four Flannelly, pros. good one. We shall retain but four, 132 Patrick Dougherty, desertion; Brid- although the entire six will be carried for a time." Harper and Gunson, so Manager Grif-

Bonner will be here on Monday and o will Meaney. Each of them has been mentioned as having failed to accent terms.

"In Beard, Boyd and Daly the club has made a ten-strike," said Manager "Respectively each will be a Griffin. tower of strength to the infield, battery and outfield. My signing them was a stroke of good fortune and I don't think any club in the league will have received greater strength in the securing of any three men."

On Saturday and Monday the players will report and will practice twice daily until Thursday, the 15th. From then until the 29th when the season opens exhibition games have been scheduled at home as follows: April 15 and 16 Cuban Giants; April 17, Olyphant Browns; April 22, Bloomsburg State Normal school. On the 19th the club vill go to Philadelphia to play the Athletics and arrangements are pending for games at Lancaster and Reading on the return home, April 20 and 21. Thousands of People Have Dyspepsia in Its Worst Form and Do Not Know It'

A weak stomach is the cause of about nine-tenths of all disease, yet in most cases the wrong thing is treated and the true cause overlooked. This is because a weak digestion produces symptoms resembling nearly ev-ery disease because it weakens and disturbs the action of every nerve and organ in the body; poor digestion causes heart trouble, kidney troubles, lung weakness and especially nervous break down or nervous prostration, the nerves cannot stand the wear and tear unless generously fed by well di-gested, wholesome food.

Keep the digestion good and no one need fear the approach of disease. Mrs. H. M. Lee, of Rochester, N. Y., writes: For the sake of suffering hu-manity I want to say that from a child I had a very weak stomach, threw up my food very often after eating and after a few years nervous dyspepsia resulted and for more than twenty years I have suffered inexpressibly. I tried many physicians and adver-tised remedies with only temporary relief for nervous dyspensia and not un-til I commenced taking Stuart's Dys-pepsia Tablets last September, six months ago, have I been free from suffering caused by the condition of my nervous dyspensia. ervous dyspepsia.

I have recommended Stuart's Dys-pepsia Tablets to many of my friends and now I want in a public way to say they are the safest, pleasantest and I believe surest cure for stomach and nerve troubles. I write my hon-est opinion and I will gladly answer any letter of inquiry at any time and feel that I am in my small way, helpfeel that I am, in my small way, helping on a good cause.
Stuart's Dyspepsia Tablets is not a
patent medicine, but they contain only
the fruit salts, digestive acids and pep-

tones necessary to help the weak stom-ach to promptly and thoroughly digest All druggists sell Stuart's Dyspepsia Tablets at 50 cents for full sized package and anyone suffering from nervous

dyspepsia, sour stomach, headaches, acidity, gases, belching, etc., will find them not only a quick relief but a radical cure.
Send to Stuart Co., Marshall, Mich., for little book describing cause and cure of stomach troubles giving symp-toms and treatment of the various forms of indigestion.
