BASE BALL CHAT AND SPORTING TALK

Athletic Park Now the Mecca of Amateurs and Professionals.

PLAYERS ARE PRACTICING DAILY

All of the Team Will Have Reported by Monday Night--Scranton and Wilkes-Barre Outfielders Compared--Situation at Toronto--News from Many Departments of the Sporting World.

Yesterday's threatening weather and the cold did not deter Manager Griffin, Pitcher Morse, Catcher John O'Neil and Outfielder Walters from a visit to the park and a few hours spent in limbering up. Each day there gathers quite a number of amateurs and professionals, and from now until the opening of the regular season the park will be lively enough as a training quarters. Tomorrow a number of Scranton's players are expected, and by Monday night all will be here.

* * *

A great ado is being made in Wilkes-Barre over the prowess of that club's probable outfield, Powell, Betts and Sharrott. Comparing those three with Eagan, Walters and Daly, of Scranton, the figures are:

Wilkes-Barre, 314 games, 293 runs.
Scranton, 309 games, 305 runs.
Wilkes-Barre, batting average, .329.
Scranton, batting average, .351.
Wilkes-Barre, fielding average, .937.
Scranton, fielding average, .907.

The figures speak for themselves and further comment is unnecessary.

* * *

Says E. H. McBride in the Buffalo Engineer: "What gall some of these Canadian baseball players have! Manager Irwin of the Toronto team, who was with New York last year, and is one of the best known men connected with the national game, has paid out a good sized sum to secure the Eastern league franchise in that city. He is a man who could give tone to a club in any city, and his thorough acquaintance with nearly every baseball player of note in the world would give Toronto in time one of the best teams in the Eastern. But there are several newspaper men in that town who are knockers for fair. If they can't get their bit out of everything that comes along in the sporting line they will try and kill it. Many a good iron dollar Buckenberger was blackmailed out of last year which has never come to light. It was these same alleged sporting writers who were at the bottom of the citizens' committee which recently caused so much trouble to the Toronto Rowing club, and which finally ended in the stopping of legitimate boxing in Toronto. These same men, or at least one of them, is interested in the new Canadian league, and he is trying to kill Irwin and his team in that city in order to boost his own game. They have nerve enough to ask Irwin to make no objection to them securing protection under the national agreement, but that manager is not so foolish as some of these Canadian would make out. Of course he refused and Toronto will do well if it supports the Eastern league team in preference to the little jeh lot organization called the Canadian league."

H. G. Merrill, in the Wilkes-Barre Record: "We don't know about the barrel of money, but it is hoped that Scranton won't go behind something over $8,000 as she did last season, while Wilkes-Barre didn't come out even, although managed very economically throughout the year." Tut, tut. If Scranton went behind $8,000 that would be about $1,500 per month including the practice season—pretty high figuring. Deduct from the hypothetical sum of $8,000 a large per cent. of languid Wilkes-Barre dreamings and then the $2,000 expended in improvements to grounds and buildings, and the sum of $3,500 remaining would be about the correct figure.

EXHIBITION BALL GAMES.

Richmond, Va., April 8.—Baltimore played Richmond today and defeated them by a score of 7 to 2.

Johnson Loses His First.

Norfolk, Va., April 8.—The Philadelphia team played Norfolk today. Score:

	R.	H.	E.
Norfolk .....0 0 0 0 0 2 2 0 0—	4	6	2
Philadelphia .....0 0 0 0 0 0 1 2 0—	3	8	1

Batteries—Newton and Nie; Johnson and Clements.

DIAMOND DUST.

If Egan captains Syracuse who will captain Egan?

Rafter, formerly a Syracuse catcher, is with the Philadelphia Athletics.

Owner Kuntzsch isn't going with the Stars on their exhibition trip. That team is saved one discouragement.

The Tribune may occasionally steal from other papers minor items of sporting news without crediting them to the proper source, but we won't crib big current news stories and not give proper credit where such is possible. We're not insinuatin' who stole our lunchin', but—

"Milt" Whitehead, who played third base for Corning last year and years before, was taken to an insane asylum a few days ago in a straight jacket, says the last number of the Sporting World under date of April 3. He played with Scranton in '95, the Rochester league team and the Lucas Unions of St. Louis.

Herman Doescher is not a perfect umpire, but there were only two, and possibly but one, on last year's staff who excelled him. We don't know that Doescher is anxious to be engaged this year, as he is in business in Buffalo, but President Powers might do worse than reappoint him. Doescher's case is a sample of the injustice that comes from the knocking of a few disgruntled managers and owners who will set down a good man for personal spite and for the fun of experimenting with poor ones.

Frank Bonner, of Wilkes-Barre, who has been secured to play second base for Scranton, was at the St. Charles hotel last night. He looks strong and well and fit to bring a little of that much-needed ginger into the Scranton outfit. Bonner said he had been requested to report here next Monday and would be here on that day. While discussing the season's prospects with a party of friends he offered to bet a suit of clothes that Scranton would beat out his old Wilkes-Barre mates, but found no takers.—Scranton Tribune. It's dollars to doughnuts that Frank never made such a crack as that, but if he did, it was because he was in Scranton and recognized the fact that a little patting on the back is what Griffin and his men need just at this time, and he was willing to give it to them. As to betting that suit of clothes it is likely Frank can find a taker nearer his home than Scranton.—Wilkes-Barre Leader. We will wager the Leader man a suit of clothes that Bonner offered to make the bet referred to in the foregoing. "It's dollars to doughnuts" our offer won't be accepted.

AMATEUR BALL NOTES.

The Actives base ball club have reorganized for the coming season and is open to all comers. The players are Thomas Conroy, 1b.; Young and Gardner, catchers; John Kearney, 3b.; Kurtz, ss.; McMonal, cf.; H. Loftus, lf.; H. Tairoy, rf.; James Bradley, 2b.; McVittie and Anderson, pitchers; Thomas Conroy, captain; Martin McVittie, manager.

A BLIND WRESTLER.

University of Michigan Has a Wonder in the Athletic World.

Ann Arbor, Mich., April 7.—One of the most interesting contests in an athletic way in the history of the University of Michigan will be the lightweight wrestling in next Saturday's indoor meet.

The fact that J. P. Hamilton, a blind student at the university, has entered this contest is what is causing so much interest. Hamilton came in prominence in the Michigan amateur state meet in 1892. In this he won a gold medal, the first prize in the heavyweight class. Although Hamilton weighs only 135 pounds he holds first prize in the shape of gold medals in the lightweight, welterweight, middleweight and heavyweight classes.

The majority of his wrestlings has been done in his native state—Michigan—but he was present at the Olympic games in Athens and won considerable fame there, besides being made the subject of much attention.

TONIGHT'S BOXING BOUTS.

Connley and Judge to Battle Fifteen Rounds in Music Hall.

Tonight's fifteen-round mill between Jimmy Judge, of this city, and Red Connley, of Philadelphia, at Music hall, has occasioned no little speculation among the local talent. Judge's friends, while having the utmost confidence in their man, are not underestimating the qualities of Connley, and a lively set-to is expected.

Connley reached here last night. He appears to be in perfect condition and looks the hardy fighter that he is. Ben Wilson, of Danville, who will go against "Kid" Brown, of this city, in an 8-round preliminary, is also in town. The two events should furnish a good entertainment.

McCormick-Scully Bout.

Philadelphia, April 8.—Jack McCormack, of this city, defeated Pat Scully, of Ireland, in four rounds at the Tuxedo Athletic club tonight. The bout was limited to six rounds. The local man had all the best of it and in the fourth had Scully nearly out. When the gong sounded he was unable to stand and the fight was awarded to McCormack.

Fearing Is Champion.

Boston, April 8.—George L. Fearing won the amateur championship of the United States at court tennis this afternoon on the Boston Athletic association's court, defeating his club mate, L. M. Stockton, in a five-set match.

SPORTS OF ALL SORTS.

Sharkey will bring Danny Needham east as a boxing partner.

Pittsfield defeated the Yale whist team on Saturday night by seven points. They played 36 boards.

Lehr, the German champion, is training in Paris, and will remain in that city until the summer tracks open.

"Pittsburg Phil" is another who lost quite a pile. Smith will make no more attempts to pick winners on the coast.

A. Newbold Morris is authority for the statement that next season Fleetwood Park will be cut up into building lots.

The dam of Octavia 2.23¾, who showed a mile over the Cleveland track late last in 2.01¾, has been bred to Gold Leaf 2.19¼.

E. C. Bald will have no team mate this season, being accompanied by Rastus, of the Barnes "black and white" tandem team.

Lord Ferguson 2.19¼, which was up second to Rubinstein 2.09¼ at Windsor a few years ago, is said to be in condition to race this year.

Francis McIlheny, '98, law, has been elected manager of the University of Pennsylvania foot ball team for 1897, vice McAvoy, resigned.

Zimmerman does not seem to think that racing will be divorced from the league, and he advises racing men to keep out of the game, for they will be the ones who will suffer from its failure.

Charter Oak Park, of Hartford, will give races on Independence day, July 3 or 5, the exact date to be decided upon. For this day's sport a purse of $6,000 is offered, for free-for-all pacers, a purse of $2,000 for 2.20 class pacers, and a purse of $500 for 2.30 class trotters. The entries will close on April 17.

E. J. Rector, of the Kinetoscope company, is quoted as saying that the pictures of the Corbett-Fitzsimons fight at Carson are failures and that it will not pay to develop the plates. Queer that the camera failed on one of the best days and under the most favorable conditions ever offered. Rector wil probably discover that the plates are all right after the opposition to showing the pictures has subsided in certain quarters.

Eastern plungers did not do very well in California. They were all heavy losers. Riley Grannan dropped about $30,000. The young Kentucky plunger bears his losses with customary stoicism. "A big bettor can pull out in a few days with any kind of luck," he said recently. "I remember going to Morris park one day with $80. I put it on a 6 to 1 shot and won. Then I bet what I had on a 10 to 1 shot and won that. I lost half my capital on the next race and then beat two long shots in succession. I quit the day more than $32,000 winner."

Fitzsimmons and Corbett are both now working their way east by easy stages. Corbett gives it out that he will camp on Fitzsimmons' trail until he gets a match, no matter how long it takes, and he has also told Fitz that in case he does not give him another chance he will lick him on the street. All this is done for effect. Corbett naturally wants another match, since he now has everything to gain and nothing to lose, but after his experience with Bob in the ring at Carson Jim will think twice before insulting him on the street, especially since he has Fitzsimmons' word that he will kill him (Corbett) if he dares to try any more of his tricks.

IRON FOR BATTLESHIPS.

But One Bid Received for the Contract to Furnish 8,000 Tons.

Washington, April 8.—The navy department received today but one bid in answer to the advertisement calling for proposals for supplying about 8,000 tons of armor for the three battleships, Illinois, Wisconsin and Alabama, and this one was so irregular in form as to be far wide of the advertisement. The single bid was from the Illinois Steel company, of Chicago, and it proposed to supply the 8,000 tons of armor desired at $2.60 per ton on condition that it be given a twenty-year contract to supply all of the naval armor.

Secretary Long this afternoon made public the letters received from the Carnegie and the Bethlehem companies.

President Schwab, of the Carnegie company, writes that they are unable to bid, as with all their facilities and experience they cannot supply the government with armor of the quality they are now making at that price ($300).

President and General Manager Sayre sets out the position of the Bethlehem Iron company in a long letter. He also says the company cannot bid within the price ($300) per ton fixed by congress.

Sciatic Rheumatism Cured.

L. Wagner, Wholesale Druggist, Richmond, Va., says: "I had a fearful attack of Sciatic Rheumatism, was laid up almost two months; was fortunate enough to get MYSTIC CURE FOR RHEUMATISM. This cured me after doctor's prescriptions had failed to have any effect. I have also heard of fine results from others who have used it." A WOMAN'S BODY.

What Its Neglect Leads to. Mrs. Chas. King's Experience.

A woman's body is the repository of the most delicate mechanism in the whole realm of creation, and yet most women will let it get out of order and keep out of order, just as if it were of no consequence. Their backs ache and heads throb and burn; they have wandering pains, now here and now there. They experience extreme lassitude, that don't-care and want-to-be-left-alone feeling, excitability, irritability, nervousness, sleeplessness and the blues, yet they will go about their work until they can scarcely stand on their poor swollen feet, and do nothing to help themselves. These are the positive fore-runners of serious womb complications, and unless given immediate attention will result in untold misery, if not death.

Lydia E. Pinkham's Vegetable Compound will, beyond the question of a doubt, relieve all this trouble before it becomes serious, and it has cured many after their troubles had become chronic.

The Compound should be taken immediately upon the appearance of any of these symptoms above enumerated. It is a vegetable tonic which invigorates and stimulates the entire female organism, and will produce the same beneficial results in the case of any sick woman as it did with MRS. CHAS. KING, 1815 Rosewood St., Philadelphia, Pa., whose letter we attach:

"I write these few lines, thanking you for restoring my health. For twelve years I suffered with pains impossible to describe. I had bearing-down feelings, backache, burning sensation in my stomach, chills, headache, and always had black specks before my eyes. I was afraid to stay alone, for I sometimes had four and five fainting spells a day. I had several doctors and tried many patent medicines. Two years ago I was so bad that I had to go to bed and have a trained nurse. Through her, I commenced to take Lydia E. Pinkham's Vegetable Compound, and I never had anything give me the relief that it has. I have taken eight bottles, and am now enjoying the best of health again. I can truthfully say it has cured me."
