COUNCILS IN A DEADLOCK AGAIN

Joseph P. Phillips Re-elected City Engineer; Blewitt Defeated.

VOTE A TIE FOR CITY SOLICITOR

Mr. Torrey, the Present Republican Incumbent, and Mr. McDonald, Democrat, Each Receives 21 Votes. Mr. Phillips Re-elected by a Vote of 25 to 17, the Republicans Losing One Vote and Gaining Six Democratic Votes.

At last night's joint meeting of councils Joseph P. Phillips, Republican, re-elected city engineer by a vote of 25 to 17 over his Democratic opponent, Edwin F. Blewitt. There was a deadlock in the balloting for city solicitor, James F. Torrey, the present Republican incumbent, and M. E. McDonald, Democrat, each receiving 21 votes.

JOSEPH P. PHILLIPS, Re-elected City Engineer Over Edward F. Blewitt.

Donald, each receiving 21 votes. After three ballots had been taken the session adjourned to meet Monday night.

Although the councils contain a Democratic majority of two, Mr. Sanderson, the Republican chairman of the select branch, was chosen to preside over the joint session. Politically, councils are divided as follows: Select council, 11 Republicans, 10 Democrats; common council, 9 Republicans, 12 Democrats.

When the meeting was called to order and during the vote for chairman, the only absentees were Mr. Frable, Democrat, in select council, and McGrail, Democrat, in the common council, but they arrived before the balloting for city officers began.

Mr. Sanderson was nominated for chairman by Mr. Lansing and Mr. Keller, and Mr. Manley was named for the Democrats by Mr. Clarke and Mr. Noone. The former was chosen by the following vote of 21 to 19, Mr. Torrey, Republican, and Mr. McDonald, Democrat, and the two candidates exchanging complimentary votes.

For Sanderson-Selectmen Ross, Finn, Thomas, Williams, Durr, Chittenden, Wagner, Robinson, Manley, Fellows, Schroeder, and Lansing; Commoners Ross, Thomas, Walker, Oliver and Keller-2.

For Manley-Selectmen Kearney, Clarke, Roche, Sanderson, McCann, Burns, Coyne and McAndrew; Commoners Gottlin, Grier, Regan, Gilroy, Flanagan, Sweeney, Nealis, Zeldler, Noone, Sheridan and Norton-19.

PURPOSE OF MEETING. When Mr. Sanderson announced the purpose of the meeting and called for nominations for city engineer, Mr. Clarke asked if the resolution providing for the meeting did not give precedence to the election of a city solicitor. Chairman Sanderson answered the question negatively.

Mr. Phillips was nominated by Mr. Oliver and Mr. Finn, and the Democratic candidate was named by Mr. Manley and Mr. Flanagan. The latter took occasion to make the only speech during the nominating period.

Mr. Williams, Republican of select council, voted for the Democratic candidate on account of a personal difference with Mr. Phillips, but the loss of that vote was balanced by the voting of Mr. Robinson, Mr. Roche, Mr. McCann and Mr. McAndrew, of the select branch, and Mr. Gilroy and Mr. Nealis, of the common council, all Democrats, who cast their votes with the Republicans. The ballot in detail was as follows:

For Mr. Phillips-Selectmen Ross, Finn, Thomas, Roche, Durr, Chittenden, Wagner, Robinson, Sanderson, McCann, Fellows, Schroeder, Lansing and McAndrew; Commoners Grier, Regan, Gilroy, Flanagan, Sweeney, Zeldler, Noone, Sheridan, McGrail and Norton-25.

For Blewitt-Selectmen Kearney, Williams, Clarke, Manley, Burns, Frable, Coyne and McAndrew; Commoners Gottlin, Grier, Regan, Gilroy, Flanagan, Sweeney, Nealis, Zeldler, Noone, Sheridan, McGrail and Norton-17.

For city solicitor, Mr. Torrey was nominated by Mr. Chittenden and Mr. Lansing. The Democratic candidate, Mr. McDonald, was nominated by Mr. Noone and Mr. Sweeney. The first ballot was the same as the two that followed. Mr. Torrey having the select council vote of 12 to 9 and Mr. McDonald the common council branch by the same vote. It was a strict party vote, with one exception, Mr. Robinson joining the Republicans as he did on every ballot taken during the session. The members voted as follows:

VOTE FOR SOLICITOR. For Torrey-Selectmen Ross, Finn, Thomas, Williams, Durr, Chittenden, Wagner, Robinson, Sanderson, Fellows, Schroeder and Lansing; Commoners Ross, Thomas, Walker, Oliver and Keller-21.

Mr. Sweeney, when Mr. Flanagan again clamored for recognition. "Do I understand that the gentleman asks for a ruling?" said Mr. Sanderson. "Yes, sir, I do."

THE SECOND VOTE FOR CITY SOLICITOR was the same as the first. Another vote was recorded with the same result when a second motion was made to adjourn to next Monday night and was carried by a vote of 25 to 17, the Republicans in select voting "aye" and their colleagues in the lower branch voting "no," the select Democrats voting "no" and the Democrats in common council "yes." It was apparently a difference of opinion all around as to the advantage that would be gained or lost.

THE BOARD OF REVISION OF TAXES, composed of Messrs. Finn, Thomas, Williams, Durr, Chittenden, Wagner, Robinson, Manley, Sanderson, Fellows, Schroeder and Lansing; Commoners Gottlin, Grier, Regan, Gilroy, Flanagan, Sweeney, Nealis, Zeldler, Noone, Sheridan, McGrail and Norton-25.

ASSESSMENT ATTACKED.

Joseph J. Jermyn Asks for an Injunction to Restrain the Collection of Taxes on It.

Joseph J. Jermyn yesterday began proceedings in equity against C. S. Fowler, William Dawson and Christ Flekus, members of the board of city assessors, and "Hoffert" P. Fellows, James J. Manley, William J. Thomas, John E. Regan and Joseph Oliver, members of the board of revision and appeal, with a view to testing the legality of the assessment for city purposes recently made at the instance of the board of appeal.

Mr. Jermyn is the owner of certain property on Penn and Franklin avenues which were assessed at the regular triennial assessment in 1895 for \$11,000. This valuation was raised by the recent assessment to \$14,800. It is held that the valuation fixed in 1895 cannot be changed until the triennial assessment in 1898 is made. It is specifically set forth that the assessment is illegal for these reasons:

The attempt to authorize the board of revision of taxes and appeals to order a new assessment is an unlawful delegation of legislative power. The act of May 23, 1895, under which this assessment purports to have been made, is local and special legislation forbidden by the constitution. That it allows different results in different cities of the same class.

The board of revision of taxes and appeals, so far as it exercises the relative functions in ordering a new assessment for 1897, is a municipal commission forbidden by section 29 of Article 3 of the constitution. Legislation in regard to triennial assessment is not a subject peculiarly pertaining to cities, and the aforesaid Act of May 23, 1895, is a general law, and is in violation of Section 1 of Article 3 of the constitution, which provides that all laws shall be levied and collected under general laws.

Mr. Jermyn therefore asked for an injunction restraining the defendants from levying and collecting from him any taxes on the excess of valuation over that fixed by the triennial assessment of 1895. A preliminary injunction was granted by Judge Gunster and made returnable next Monday.

WINTON COUNCIL TROUBLE.

It Was Given a Hearing Before Judge Edwards Yesterday.

The trouble between the rival Winton town council was aired before Judge Edwards yesterday, P. J. Burke, Michael Gallagher, M. J. Barrett, Benjamin Travis and William Barrett composed one board, and Joseph Langan, James Kane, Henry Danne, Thomas Bell and P. C. Welsh the other. The latter is over the Third ward seat claimed both by William Barrett and P. C. Welsh.

The matter was brought to court in the shape of a motion for summary judgment, submitted by the Burke-Barrett board to prevent the Langan-Walsh board from doing business. Messrs. Powderly and Burns represent the plaintiffs and Messrs. Kelly and O'Malley the defense. The latter contended strongly that as the title to the property involved, quo warranto and not equity is the proper proceeding.

KELLY'S TONGUE WAS WICKED.

PAID \$5 TO ALDERMAN MILLER FOR THE PRIVILEGE OF SAYING THINGS. Thomas Kelly is the name of a colored gentleman who was arraigned before Alderman Miller yesterday morning on a charge of assaulting Thomas O'Brien, porter in the St. Charles hotel. Kelly also used obscene language and as the streets were pretty well inhabited yesterday morning a great many people heard him. Alderman Miller held Kelly under \$500 bail on the assault and battery charge and fined him \$5 for his foul tongue.

ANNIVERSARY OF THE R. R. Y. M. C. A.

Fittingly Observed in the Rooms on Lackawanna Avenue.

SECRETARY PEARSALL'S REPORT

In It He Reviewed the Work Done by the Association During the Year. Expenditures and Receipts—Sam Sloan Was Unable to Be Present and Sent a Letter of Regret—Those Who Assisted at the Celebration.

The railroad department of the Young Men's Christian association last evening suitably celebrated the sixteenth anniversary of its formation with exercises followed by a social in the association building on Lackawanna avenue.

It was expected that Sam Sloan, president of the Delaware, Lackawanna and Western railroad, would be present at the celebration.

SECRETARY F. W. PEARSALL.

The celebration as he had given a favorable answer to a request to that effect but a letter read last night stated that he was unable to attend. It was as follows:

New York, April 8, 1897. My dear Sir:—I am compelled to write my regrets at not being with you on the occasion of the sixteenth anniversary of the Young Men's Christian association of Scranton on Monday p. m. of next week. Your association has done so much good and continued to work so successfully among our men in the direction of good morals and Christian principles that you all have my warmest sympathy and best wishes for your success. Your association does indeed "bear a vital relation to the other associations along the line" and I hope for some future opportunity of being with you. Very truly yours, (Signed) Sam Sloan, To F. W. Pearsall, Secretary.

Mr. Sloan expressed his interest in the association. S. M. Bard, state secretary of the association, and G. A. Warburton, secretary of the New York association, were present; also J. H. McKinley, whose artistic tenor singing has been heard before in this city. The attendance was something remarkable and indicates that the association's effort for a more commodious building is not amiss. Every chair in the hall was taken and the overflow reached into the hall.

COMMITTEE IN CHARGE.

The affair was in charge of a committee of management as follows: J. R. Troch, chairman; William Frink, D. J. Whiteford, A. H. Masters, E. M. Francis, E. K. Crohamek, C. W. Dunn, Frank Edging, W. Pearsall, W. F. Curry, Albert M. V. Nealey, H. F. McKenna, E. T. Swartz, W. G. Young, G. M. Halstead, Frank Bryant, A. Fraunfeiler, ex-officio A. W. Dickson, George G. Mahy, E. W. Pearsall, secretary; W. A. Berry, assistant secretary; H. M. Brewer, assistant secretary.

Bauer's orchestra opened the evening with an overture followed by the anniversary hymn, a number of soulful verses written for the occasion by Mr. Warburton and sung to the tune of "Duke Street." Rev. C. E. Robinson, D. D., pastor of the Second Presbyterian church, led in prayer, in which he called for blessing on the future work of the association. Mr. McKinley then sang "Hozanna." He was compelled to give a second selection, "The Unseen Kingdom," a pathetic ballad. Mr. McKinley afterwards sang "The Little Silver Ring," another pretty ballad. His singing was delightful. He was accompanied on the piano by Mrs. McKinley.

Secretary F. W. Pearsall read his report, given below in full, and was applauded by the audience. The orchestra furnished another number and S. M. Bard, of Harrisburg, made an address on the efficiency of the individual effort in the work, meaning that not alone in fine buildings, etc., but in the men in the association does the chances for success lie. Mr. Warburton then made a very entertaining address. His opening vein was humorous, but the humor was nicely used to effect as an illustration for his serious talk. His main idea, which speaks for itself, was: "The association represents among railroad men as elsewhere, an all-round method of doing things as compared with the old-fashioned method of doing things as usual." He stated that the association is a development in any one direction is abnormal.

SANG THE DOXOLOGY.

The celebration closed with the singing of the doxology. The Ladies' auxiliary of the association served refreshments, ice cream, cake and drinkables. Secretary F. W. Pearsall's report was in part as follows:

It becomes again necessary to review the work done by the association to make comparisons and hold the record of a year's work up for judgment. The history of the year shows much that is encouraging. Not, however, along the lines of material increase, for that is out of the question as long as the association occupies the present building. In my last report I said "I am confident that our work is pre-eminently a new building. The work has suffered during the past year because of the poor accommodation and unless immediate aid is given, much that has been gained in the past two years will be lost." The prophecy of a year ago has become history, although the falling off has not been so great as might have been expected. The membership fell from 28 to 34; the number of letters furnished from 512 to 423. The circulation of the library from 1,531 to 1,125.

Many of the railroad men were keenly disappointed at the failure of the contributing company to make an appropriation toward the new building and refused to renew their membership on that account. It is to be regretted that at times, however, the men are showing a spirit of moderation and the feeling is growing that the company will act when it is able.

The attendance at the building shows a slight increase over last year, the average attendance being week days, 64; Sundays, 226.

The entertainments and members' rallies continued to be a source of social enjoyment for the members and their families during the past winter. The class in arithmetic and penmanship made excellent progress under the leadership of Mr. Glover, the total attendance at the sessions being 260 against 219 last year. The failure of our effort to organize a class in mechanical draughting last fall was one of the disappointments of the year. The religious work has been most encouraging. The regular meetings have been conducted successfully and with good results, but the best work has been done by the Yokefellows' band.

The building and furnishing fund has at present \$1,972.49 in the First National bank as an interest bearing deposit, and \$1,057 in outstanding pledges. The association is indebted to the general manager and other officials of the Delaware, Lackawanna and Western railroad, to Attorney Aaron Vincent Bowyer, George R. Clark and Mr. Gardner, of Factoryville, for their valuable assistance in our work, also to the ladies of the auxiliary committee, the ladies who served at the formation of our recent concert and the friends whose support helped to make the concert a success, besides many others whom we cannot mention.

The year closes with a change in the employees. Assistant Secretary F. P. Browne going to Hallstead, Pa., as general secretary, after three and a half years of faithful service, and brakeman Warren A. Berry becoming assistant in Mr. Browne's stead.

THE BEST YEAR.

In closing I would say that the past year has been the best year for the association since it came to Scranton as secretary. For all these blessings we return most hearty thanks to God and ascribe to Him all the praise. To Him also we look to supply our needs, we ascribe to supply them "through His riches in glory by Christ Jesus."

The treasurer's report for the year ending March 31 was as follows:

PANIC SEEMED CERTAIN.

Kerosene Oil Stove Caused Trouble in Dunmore Last Night. Cool heads prevented what might have been a serious trouble in Boyle's hall, Dunmore, last night. An entertainment was being given by the Rose Bud Drum corps and the hall contained about 200 persons; many of whom were children.

In the rear of the hall is a room used by the Loyol Legion as a reading room and in this a kerosene oil stove is used for heating purposes. In some unexplained way that stove shot out tongues of flame last night which communicated to the surrounding inflammable material.

Smoke almost instantly found its way into the hall where the entertainment was being held, someone shouted fire and then a dash was made for the exit by a number of those in the audience. Some of the more cool headed ones shouted to the excited persons and commanded them to sit down and after a few minutes order was restored.

In the meantime the stove that had caused the excitement had been thrown through a window and the train of fire that it left after it was extinguished. The entertainment was proceeded with but a great deal of smoke remained in the hall all evening to annoy the audience and remind it of the narrow escape it had.

WILLIAM HENDERSON INJURED.

Horses He Was Driving Became Frightened and Ran Away.

William Henderson, a boy 15 years of age, who is employed as a driver by J. T. Hanzel, the Green Ridge grocer, was seriously injured yesterday afternoon. He was driving a team of horses attached to a delivery wagon along Dickson avenue and at Green Ridge street attempted to make a short turn. The horses became frightened and ran away, throwing the driver out and dragging him some distance. Henderson was taken to the Lackawanna hospital, where it was found that he was suffering from bad fractures of the upper and lower jaws besides a painful cut on the forehead and numerous bruises.
