THE WALTON BILL IS CONCURRED IN

Capitol Measure Will Go to the Governor for Approval.

MR. KAUFFMAN WANTS FAIR PLAY

Asks That His Interest Bill Be Placed on the Calendar .- House Indulges in an Interesting Discussion on the Subject of Capitol Building -- Bills Passed Finalty.

Harrisburg, April 13.—The senate met at 11 o'clock this morning, with Lieutenant Governor Lyon in the chair. Bills were read in place and properly referred.

There was quite a discussion over the matter of charging interest on state funds when Mr. Kauffman asked that the finance committee be discharged from the further consideration of his interest bill. The motion was seconded by Mr. Flinn.

"This bill," declared Mr. Kauffman, "has been slumbering in committee for six weeks. It gives all banks able to furnish bonds and pay interest a share of the state funds. However, I have read in some of the papers this morning that it is the intention of this legislature to pass no interest bill. The senate, I understand, will in

and in this way arraign the countrymen against it, and thus kill the interest scheme. I ask that after waiting six weeks that my bill be placed on the calendar. I ask for fair play." Mr. Flinn declared that he knew that

sist on the passage of the Snyder bill,

it was the intention to pass no interest bill, but this Mr. Grady denied. Mr. Kauffman concluded: "This is a

good bill. It gives all banks a chance. The Snyder bill limits the number of depositories to six and I ask that my bill be placed on the calendar." This ended the discussion, and Mr.

Kauffman's motion was defeated by a viva voce vote.

BILLS PASSED FINALLY. The following bills were among those passed finally:

Prohibiting the assessment of and demands for contributions from state and municipal office holders; prohibiting the payment of any occupation or poll tax of any elector by any person other than the elector against whom such tax is assessed.

The Walton capitol bill, with minor amendments made in the house, was concurred in by the senate.

The governor informed the senate

that he has signed the concurrent resolution for an examination into the condition of miners in the coal regions. These gubernatorial appointments were confirmed by the senate:

John N. Dunn, of Pittsburg, and Miss K. M. Schomberg, of Altoona, to be no-taries public; H. E. Taintor, of Hart-M. C. Somat, of New Orleans; Thomas F. Folsom, of New York, and John L. Lewis, of Corning, N. Y., to be commissioners of deeds for the state of Pennsylvania, and F. H. Wall of Clearfield county, and William A. Nunnall, of Mercer county, to be justices of the

The senate adjourned until 11 o'clock tomorrow morning.

HOUSE PROCEEDINGS. The Walton capitol bill passed finally

in the house by a vote of 149 to 39. The measure now goes to the governor for his signeture. The bill came up this morning on a special order. Mr. Smith, of Redford, moved to go into committee of the whole for amendment. His amendment limited the cost of furnishing and decorating the building to \$300,-000. After a short debate the motion was defeated by 81 year to 95 nays.

to go into committee of the whole to amend by providing for an annex to the east wing on the proposed building equipped at a cost of not more than \$35,000 with a plant to furnish heat and light for the public buildings.

Mr. Marshall, of Allegheny, raised the point that the amendment was out of order because the house had voted down a similar proposition last night when the bill was under consideration on second reading. The speaker ruled the point not well taken. Mr. Harris, of Clearfield, said it would not be wise for the state to erect a light and heat plant in capitol grounds. He favored the state lighting and heating of the buildings, but the work should be done from a plant in the vicinity of the park.

MR. NESBIT'S PROPHECY. Mr. Nesbit, of Northumberland, opposed the bill because he did not approve of the colonial style of architecture. If this plant plan was carried out in the erection of the building it should be followed in the furnishing. Mr. Nesbit was also opposed to the bill because he did not agree with the feature relative to the advertising for bids for the erection of the building. He admitted the bill would pass and declared that ten years from now the people of Pennsylvania will not be proud of today's work. Mr. McElhanny, of Allegheny, also spoke aganst the bill. He was opposed to giving the commission unlimited authority to expend the state's money on furnishing the building. He contended the amount should be ilmited. Mr. Robb's motion was then defeated and the bill passed

The members voting in the negative were: Messr. Abrams, Ackerman, Bell, Gruber, C.; Bernhardt, Black, Carson, Conrade, Corey, Crothers, Edminston, Ely, Evans, Gould, Griffith, Hammond, Hosack, Kayler, Keller, Kerkenslager, Kessler, Long, Luden, McElhanny, Moore, Daniel, F.; Nesbit, Phelps, Place, Robb, Spatz, Stranahan, Tur-

ner, Underwood, Weible, Weiler. The bill appropriates \$550,000 for the erection of a capital on the site of the old structure. The work is to be done under the direction of a commission composed of the governor, auditor general, state treasurer, president pro tem. of the senate and speaker of the house, The building is to be ready for the next session of the legislature. It is to be furnished under the direction of the board of public buildings and grounds. The cost of furnishing and decorating

Mr. Hoy, of Clarion, moved to reconsider the vote by which the bill to prohibit the sale or gift of intoxicating liquor on Memorial day was defeated on second reading. The motion was defeated by 81 to 56.

He Is Given Another Chance to Prove His Charges Concerning the Fire at the State Capitol.

Harrisburg, April 13.-Rev. CATARRH OF THE STOMACH.

Pleasant, Simple, but Safe and

Effectual Cure for It. Catarrh of the stomach has long been considered the next thing to incurable. The usual symptoms are a full or bloating sensation after eating, accompanied sometimes with sour or watery risings, a tormation of gases, causing pressure on the heart and lungs and difficult breathing; headaches, fickle appetite,

on the heart and lungs and difficult breathing; headaches, fickle appetite, nervousness and a general played out, languid feeling.

There is often a foul taste in the mouth, coated tongue and if the interior of the stomach could be seen it would show a slimy, inflamed condition.

The cure for this common and obser-nate trouble is found in a treatment which causes the food to be readily, thoroughly digested before it has time to ferment and irritate the delicate mucous surfaces of the stomach. To secure a prompt and healthy digestion is the one necessary thing to do and when normal digestion is secured the catarrhal condition will have disap-

peared.

According to Dr. Harlanson the safest and best treatment is to use after each meal a tablet, composed of Diastase, Aseptic Pepsin, a little Nux, Golden Seal and fruit acids. These tablets can now be found at all drug stores under the name of Stuart's Dyspepsia Tablets and not being a patent medicine can be used with perfect safety and assurance that healthy appetite and thorough digestion will follow their regular use after meals. ow their regular use after meals. Medical authorities prescribed for me for three years for catarrh of stomach without cure, but today I am the happlest of men after using only one box of Stuart's Dyspepsia Tablets I cannot find appropriate words to express my good feeling.
