Harrisburg, April 14.-In the senate this morning Mr. Thomas made a report from the finance committee anent the resolution to inquire into certain alleged irregularities in the management of the Jersey Central railroad and the Wilkes-Barre and Lehigh Coal company. It was asserted that the Coal company, which is controlled by the Jersey Central, had not paid its is the second time it has been beaten, state taxes since 1893. The report was accompanied by a statement from the auditor general relative to the matter, The auditor general stated that the coal company and the railroad company had paid the taxes in their gross tinues, "took an appeal from the settlement for tax on capital stock for 1895. The company has paid \$5,000, being the amount of tax admitted to be due by it, and has appealed from the balance of the claim to the Dauphin county court, giving bond, with approved security for the payment of the amount found due."

Later in the day Mr. Gibson asked for the consideration of the resolution to investigate the Wilkes-Barro and electors thereof obtained by a public Lehigh Coal company and the Jersey Central railroad, which resolution was negatively reported by the committee on corporations, Mr. Gibson made a speech in which he declared that the coal company was paying taxes on but \$1,100,000, while its property was worth in the opinion of Attorney General Mc-Cormick, \$30,000,000.
