LEGISLATURE TO TAKE A DAY OFF

The Members Will Witness Unveiling of Grant Monument.

WILL RIDE ON THE PENNSYLVANIA

Mayor Strong Will Provide Accommodations at New York on the Reviewing Stand--The Trip Will Be Made Without Expense to the Members--Bills Passed Finally at Sessions Yesterday.

Harrisburg, April 20.—The legislature has decided to take a day off to attend the unveiling of the Grant monument next Tuesday in New York city. Plans for the trip are being made by a joint committee of the two bodies and will be announced during the week. The senate will adjourn Thursday until the following Wednesday and the house expects to get away Friday morning. A resolution providing for the trip was adopted recently by the house and senate and transmitted to the governor. Before action was taken upon it by the executive a resolution was adopted by the house asking that it be returned thout his approval.

The resolution was sent back to the senate Monday night without executive approval and was at once unanimously passed over the governor's veto. When it came up in the house this afternoon for concurrence, Speaker Boyer made a short statement that had the effect of the house taking similar action. The speaker stated that he was informed by an official of the executive department that the governor's reason for disapproving the resolution was because he was asked to do so by the house and that he would not feel offended if that body passed it over his head.

A letter was read from Mayor Strong stating that accommodations would be provided for the legislature at the unveiling and that it was expected to attend in a body. The reception committee has arranged to receive the visitors and seats will be provided for the party on the reviewing stand. Speaker Boyer stated also that he was authorized to say that the Pennsylvania railroad will provide a special train to take the party to New York so that the trip could be made without expense to the members. By a vote of 140 to 5 the house adopted the resolution. Those voting in the negative were Messrs. Patterson, of Cambria; Kerr, of York; Mansfield, of Beaver; Todd, of Lawrence, and Reinhard, of Lebanon.

BILLS PASSED FINALLY.

These bills passed finally: Limiting the right of action upon bonds given by the plaintiff in fraudulent debtor attachments to one year from the date of the accruing of such right of action; amending the act of May 4, 1889, so as to limit the lien of taxes entered of record prior to the date of the enactment of the law; amending the act of April 18, 1895, relating to the indebtedness of municipalities; providing for an increase of indebtedness to an amount not exceeding seven per cent. of the last assessed valuation; to prevent the adulteration, and substitution of drugs and medicinal preparations; providing that incorporated anatomical societies of the county where the death of the person or persons described by the act of June 13, 1883, takes place shall be preferred to all others; providing the bonds of indemnity given to sheriffs in their official capacity shall be justified before a judge of the court in the county and approved by the judge and when the prothonotary shall certify such justification and approval to the sheriff such bond shall thereupon become the property of the successful party in the original suit without recourse to the sheriff who may have executed process or received said bond or indemnities; to secure forestry reservations; to prohibit the adulteration or coloring of milk or cream by the addition of so-called preservalines or coloring matters.

The Anti-Quayites May Name a Third State Ticket.

Harrisburg, April 20.—Finding that the friends of Senator Quay are capturing nearly all of the delegates to the coming state convention, the anti-Quayites who are gathering at the state capital are now talking about the possibilities of an independent state ticket.

The members of the "Seventy-Six" claim that they have a fighting chance because of the predicted failure of certain reform legislation.

NEW RAILROAD LAW.

Governor Signs a Bill Which Requires Corporation Reports.

Harrisburg, April 20.—The governor has approved a bill that, while seemingly of an unimportant character, is of exceeding importance. It requires all railroads, canals, telegraph and telephone lines doing business in or partly in Pennsylvania, or whether foreign corporations owning, leasing or controlling railroads in Pennsylvania, to make annual report to the bureau of railroads.

This new law will bring the Baltimore and Ohio, the New York Central and Hudson River and the Central Railroad of New Jersey, under control of the secretary of internal affairs. It also requires companies to report by June 31, instead of May 31, as heretofore.

Board of Pardons Recommends That Jas. B. Gentry's Sentence Be Commuted to Life Imprisonment.

Harrisburg, April 20.—The board of pardons has recommended that the sentence of James B. Gentry be commuted to life imprisonment. The decision was made public tonight by the board along with the reasons for its action. It was officially announced that the recommendation will be approved by Governor Hastings. Gentry was to have been hanged at Philadelphia Thursday for the murder of his sweetheart, Margaret Drysdale alias Madge Yorke, an actress, two years ago, in a Philadelphia hotel.

The reasons assigned by Gentry's counsel for the granting of a commutation follow:

Because the verdict was against the law; because the verdict was against the evidence; because the verdict was against the law and the evidence; because of the inability of the defendant to procur witnesses from a foreign jurisdiction whose testimony would have reduce the grade of the offense to that of murder in the second degree; because of after discovered testimony relative to the condition of the defendant's mind at the time of the commission of the offense.

Lost Appetite.

COULD NOT EAT THE MOST TEMPTING DISHES.

Many Days Without any Food at All—Can Eat Four Square Meals a Day Now—The Cause of the Change.

From the Leader, Cleveland, Ohio.

For the restoration of an appetite which has been impaired or lost through sickness, no remedy can compare in effectiveness with Dr. Williams' Pink Pills for Pale People. This statement is substantiated by the experience and declarations of men and women with whom these pills have become a household medicine. Among the many who can offer testimony to this particular property of Dr. Williams' Pink Pills is George Marshall, Jr., who lives at No. 19 Norwich Street, Cleveland, Ohio. Mr. Marshall is a news agent on the Lake Shore and Michigan Southern Railroad, and his territory extends from Cleveland to Toledo. Like thousands of others who owe their health and vigor to Dr. Williams' Pink Pills, Mr. Marshall never hesitates to sing their praises. In his case it was necessary to use only a few boxes of the pills to restore him to the full possession of bodily health. His digestive organs had become almost useless through a long and serious illness, but in a surprisingly brief period, through the agency of this wonderful medicine, they were capable of again performing their functions in a regular and perfectly satisfactory manner. In narrating his experience with them Mr. Marshall said:

"Last spring I was taken sick with inflammatory rheumatism, and my entire system was affected. To relieve the suffering it was necessary to paint me with iodine. After three months treatment I became convalescent, but the attack had sapped my strength and left me extremely weak and feeble. I could scarcely lift an arm or a leg. This weakness permeated my entire system, and applied as well to my stomach and digestive apparatus as to my limbs. I soon discovered that I had lost my appetite almost as completely as though I never had one. I had no desire whatever to partake of any nourishment, and the natural result was that my convalescence was extremely slow, and my parents feared that I was going to suffer a relapse or fall prey to another ailment on account of my debilitated condition.

"Many a day I would not take any nourishment, and whenever I did the quantity was too insignificant to materially hasten my improvement. Tempting dishes were prepared for me, but I could not touch them. I began to become more or less alarmed as did my parents, and one day my mother suggested the purchase of some of Dr. Williams' Pink Pills for me. They had been recommended to her by a neighbor who regarded them as nothing short of miraculous, and dwelt so enthusiastically on their excellent qualities that mother was persuaded to try them. There is not much more to tell now, for I don't look like a man who cannot eat three or four square meals a day, do I?

"Three boxes of Dr. Williams' Pink Pills fixed me up sound as a dollar, and they will do the same for anyone else, I am sure. It was not long after I began to use the pills that I could feel myself improving. My strength began to return and so did my appetite, and I was on the road again in a short time. That is my experience, and I am glad to give it for the benefit of others who may have lost their appetites through sickness."

Dr. Williams' Pink Pills contain all the elements necessary to give new life and richness to the blood and restore shattered nerves. They are sold in boxes (never in loose form by the dozen or hundred) at 50 cents a box, or six boxes for $2.50, and may be had of all druggists or directly by mail from Dr. Williams' Medicine Company, Schenectady, N. Y.

MAY HAVE BEEN MURDERED.

Finding of Kassell's Body and Money Gone Excites Suspicion.

Phoenixville, April 20.—Some days ago John Kassell, a native of Austria, came to Phoenixville and called on a fellow countryman residing in Puddlers' Row, a row of houses occupied by foreign employes of the Phoenix Iron works. Kassell is said to have had quite a sum of money with him. Not securing work here he left for Philadelphia in quest of employment. That is the last seen of the man alive.

A day or two ago Coroner Ashbridge, of Philadelphia, informed Chief of Police Carter that the body of John Kassell had been found floating in the Schuylkill river near Strawberry Mansion, and that the address of his Phoenixville friend was found in his vest pocket. His watch was on his person, but only a small sum of money. It is thought here that Kassell may have been waylaid and robbed and his body thrown into the river.

ARREST OF SELIG.

He Is Accused of Being a Member of the Notorious Valentine-McLaughlin Gang of Swindlers.

Philadelphia, April 20.—Henry Selig, 45 years old, claiming to reside in New York, was arrested here today on the charge of being a fugitive from justice who is under indictment for grand larceny. He was identified by Detective Donovan, of Brooklyn, and remanded to await a requisition.

The prisoner remarked to the magistrate:

"I am not a fugitive from justice. I reside in New York and my family is there. I am ready to go to Brooklyn or New York at any time, today or tomorrow."

Detective Donovan stated that Selig was accused of being mixed up with the operations of the now notorious Valentine-McLaughlin gang of swindlers in New York, which was broken up in November last by a number of arrests.

He said Selig was alleged to be a member of a spurious firm calling itself "Beehrens & Co." of Pearl street, New York. The firm had no capital and did a business of endorsing checks. Selig was already under bonds in New York in June, 1896, on other charges, and that District Attorney Batkus, of Brooklyn, had other indictments obtained against him and others by the grand jury for grand larceny on April 12. The other men named in the bills had not yet been located. There were several witnesses against the accused before the grand jury.

Cut in Puddlers' Wages.

Pittsburg, April 20.—The puddlers at "Porkhouse" mill, operated by the Pittsburg Iron and Ferre company, were reduced from $4.50 to $4 a ton. The men, 128 in number, have not decided to accept, but as this is the sixth firm to cut below the Amalgamated scale, it is believed they will have no alternative. The Schoen Manufacturing company is preparing to run full time.

Alleged Station Robbers Held.

Pittsburg, April 20.—A riot occurred last night on the Greensburg accommodation train on the Pennsylvania railroad at Swissdale, during which Brakeman H. H. Stone, of Altoona, was struckin the right eye with a stone, destroying the sight of his eye. Ernest French, a Braddock negro, was captured after a hard chase, and is now in jail.

The train on which the trouble occurred was the last to leave the city. It was in charge of Conductor F. L. Cowle. At East Liberty six negroes boarded the train and tried to run it. The crew put them off. Then French picked up a piece of ballast from the track and threw it at Stone. The latter is in the West Penn hospital.

JUDGE SCORES CONSTABLES.

Sensation in the Lancaster Court Over Liquor Law Violations.

Lancaster, April 20.—At the opening of the April term of quarter sessions court Judge Brubaker created consternation among the city constables. After the constables had reported no violation of the liquor laws the judge stated that he had private information of speakeasies and bogus clubs and that he was tired of hearing the stereotyped reports of the constables.

He concluded by giving them until Saturday morning to discover these places and report them, and in default he threatened to have the constables themselves indicted.

GIRL STRUCK BY A TRAIN.

Met Death While Crossing a Railroad Track to View a Circus Parade.

Pittsburg, April 20.—A desire to view a circus parade was the cause of the death of Rose Jackson, aged 11 years. She was struck by the Erie express at the North avenue crossing of the Pittsburg, Fort Wayne and Chicago railroad and instantly killed.

When Rose and her brother Hugh, aged 14 years, reached the crossing the safety gates were lowered to let a long freight train pass. As soon as the train had passed the two children started to cross the tracks. They did not see the Erie express coming.
