THREE HAPPY WOMEN!

Each Relieved of Periodic Pain and Backache. A Trio of Fervent Letters.

Before using Lydia E. Pinkham's Vegetable Compound, my health was gradually being undermined. I suffered untold agony from painful menstruation, backache, pain on top of my head and ovarian trouble. I concluded to try Mrs. Pinkham's Compound, and found that it was all my woman needs who suffers with painful monthly periods. It entirely cured me.

For years I had suffered with painful menstruation every month. At the beginning of menstruation it was impossible for me to move for more than five minutes. I felt so dizzy a little book of Mrs. Pinkham's was house, and I sat right down and read it. Lydia E. Pinkham's Vegetable Compound Pills. I can heartily say that to-day I shall always praise the Vegetable Compound done for me.

Lydia E. Pinkham's Vegetable Compound has cured me of painful menstruation and backache. The pain in my back was dreadful, and the agony I suffered during menstruation nearly drove me wild. Now this is all over, thanks to Mrs. Pinkham's medicine and advice.—Mrs. Cassius Y. Williams, South Mills, N. C.

The great volume of testimony proves conclusively that Lydia E. Pinkham's Vegetable Compound is a safe, sure and almost infallible remedy in cases of irregularity, suppressed, excessive or painful monthly periods.
