TWO MEN WERE TOUCHED.

Celia Clarke and Cyclone Kate Get Away with Men's Wallets.

Two notorious women, Celia Clarke and Kate Boylan, alias Cyclone Kate, were arrested yesterday for relieving men of their wallets.

The Clarke woman was in the company of a man named Frank Lintz Saturday night. Early yesterday morning when he sobered up he found himself minus his money. He was in the act of assaulting her on Lackawanna avenue when Patrolman Feeney happened along and placed them both under arrest. Yesterday morning in police court she was fined $5 and he was released. She paid the fine and also secured liberty. This is the same woman who was out driving with a man named Schotz when he was shot last fall at a lonely place on North Washington avenue.

Cyclone Kate's offense was committed in Dunmore. She was in Thomas McDonald's saloon Saturday night and early Sunday morning. After she had departed the proprietor missed his wallet containing $53. The only way he could explain its disappearance was that the cyclone had touched him. He had her arrested and at a hearing before Squire Cooney she was committed to jail in default of $300 bail.

PERJURY IS ALLEGED.

Criminal Procedure Grows Out of a Carbondale Failure.

Mr. Koplan, of the defunct Carbondale Furniture company, caused the arrest of David Davidson, of Scranton Bedding company, on Saturday, on the charge of perjury.

Davidson's company is a creditor of the Carbondale company, and when the latter failed two weeks ago instituted an action against them under the fraudulent debtor's act. In the affidavit in this case Davidson made some serious allegations, which the Furniture company says is not true, and hence the arrest.

Davidson, when arraigned before Alderman Millar, gave bail for a hearing Saturday.

ONE FORTY AND THE OTHER FIFTY

Two Churches Observe Very Important Anniversaries.

AT SIMPSON M. E. ON WEST SIDE

The Rounding Out of the Fortieth Year of the Organization of the Sunday School Was Very Appropriately Commemorated---Closing of the Semi-Centennial Celebration of Providence Presbyterian Church. Number of Historical Papers Read.

The large audience, composed of members of the Simpson Methodist Episcopal Sabbath school and members of the church congregation which gathered in the auditorium yesterday morning will not forget the occasion for some time. It was the celebration of the fortieth anniversary of the Sunday school's history and was fittingly carried out. Every available seat was taken and space for chairs was fully covered and yet the vestibue was crowded by those who could not find entrance.

The altar and choir space were beautifully decorated with potted palms and flowering plants and added to this the interested faces and pretty costumes, it was an inspiring scene to look upon.

The addresses were short and interesting. The recitations and singing were of an equally fine order. Sitting inside the altar railing were nine ex-

superintendents. There have been sixteen in charge of the school during these forty years just passed, but four are dead and the remaining two were out of town and unable to attend. Those who are dead are John Scism, third in office; William Wescott, fifth; Isaac Miller, seventh; John M. Acker, ninth. The absent ones were Charles J. Watkins, now of New York city, and W. Gaylord Thomas.

MR. WATKINS' LETTER.

Mr. Watkins sent a letter of congratulation and regretted that he could not be with them. Mr. Thomas was called to Philadelphia on business and was detained there. The former superintendents who were present were: Joseph A. Ladd, Stephen Blatchley, John Cooper, William Munson, John F. Randolph, William Denman, Alfred Godshall, Thomas H. Dale and Charles W. Luell. Superintendent George L. Peck acted as chairman; William Long, precenter; Walter Davis, accompanist, and William Stanton, cornetist. Joseph A. Mears was the guest of honor, being the only one of the original twenty-nine Sunday school pupils now alive. William Munson was the only original church member present.

The first number of the exercises was an organ prelude followed by a hymn sung by the school. Rev. L. W. Peck, D. D., then rendered the invocation and the anthem, "O Come Let Us Worship," was sung by a double quartette with Miss Lillian Shivelly as soloist. A short address was given by the pastor, Rev. J. B. Sweet.

A quartette then sang "I Come O Blessed Saviour," followed by a pleasing recitation by Miss Bessie Slote. The audience sang and Alfred Twining, assitant superintendent, read an exceedingly interesting history of the school. He stated, among other things, that the school which had numbered 29 all told in 1857, now numbers 14 officers, 28 teachers, 120 Bible class scholars, 170 intermediates, and 117 juniors. The total present enrollment is 650 with an average attendance of over 400. A collection was taken and a male quartette sang.

ADDRESS BY MR. DALE.

Thomas H. Dale spoke of the general aspect of the school of the present as compared with the past. A duet, "O Love Divine," by Miss Lillian Shivelly and Arthur Van Gorder, was rendered.

Superintendent George L. Peck made an address presenting a beautiful testimonial from the school to Mrs. Carrie Powell-Krigbaum, who has been a member and teacher in the school for forty consecutive years. The gift presented was a large onyx table on which was placed a beautiful piece of statuary, to be used as a bouquet holder. The response was read by C. W. Lull for Mrs. Krigbaum and he spoke her profound gratitude for the success of the school, her attachment for it and appreciation of its tender remembrance of her services.

Upon request of the pastor, the audience sang that touching hymn, "Blessed Be the Tie That Binds." The Doxology was then sung and the Rev. J. B. Sweet pronounced the benediction and one of the brightest and best occasions in the history of the Sunday school and church had passed into history.

CLOSE OF THE CELEBRATIONS.

Last Services in Connection with Providence Semi-Centennial.

The last services in connection with the celebration of the fiftieth anniversary of Providence Presbyterian church were held yesterday morning and evening when were read historical papers on the several societies connected with the church. The attendance was large at each service. The papers were read at the conclusion of the devotional exercises.

Rev. George E. Guild, the pastor, conducted the service in the morning. The opening prayer was offered by Rev. Richard Hiorns and the closing prayer by Rev. Samuel Whaley, pastor of the church from 1857 to 1869, and who has been present during the anniversary period.

Papers were read as follows: "History of the Sabbath School," by Mrs. J. K. Smith, of the Sabbath school executive committee; "History of the Senior Endeavor Society," by Mrs. H. H. McKeehan; "History of the Junior Endeavor Society," by Mrs. E. A. Reynolds, superintendent of the society.

The evening service was conducted by the pastor, Rev. D. M. Kinter made the opening prayer and Mr. Whaley conducted the service with a brief address. A delightful feature was a solo by Mrs. J. E. Heckel, director of the choir. She sang "Ave Maria" with a violin obligato by John Walkenshaw. Papers were read as follows: "History of the Ladies' Aid Society," by Mrs. Thomas Gillespie, secretary of the society; "History of the Woman's Foreign Missionary Society," by Mrs. W. H. Sadler, president of the society; the paper prepared by Mrs. J. R. Peck, secretary; "History of the Woman's Home Missionary Society," by Mrs. Thomas S. Morgan, secretary of the society; "History of the Guild Mission Band," by Miss Jennie Zeigler, secretary of literature; "History of the King's Daughters," by Miss Margaret Bentley, paper prepared by Miss Cora Farnham, secretary and treasurer.

It was remarked by those in charge that the semi-centennial celebration far excelled expectations in point of attendance, spirit of interest, and number of letters from and presence of former members, and, in fact, everything which tended to make the occasion a memorable one in the church's history.

ANNUAL MEETING.

The annual meeting of the congregation will be held tonight in the main auditorium of the church.

Dolph B. Atherton, president of the board of trustees, will preside. Two trustees are to be elected and general business will be transacted.

FORTY HOURS' DEVOTION.

Begun Yesterday Morning at St. Peter's Cathedral.

A forty hours devotion was begun at St. Peter's cathedral yesterday morning at 10.30 o'clock. A solemn high mass was celebrated by Rev. J. A. O'Reilly, the rector, assisted by Rev. Michael Loftus, deacon; Rev. J. W. Malone, sub-deacon, and Rev. J. J. B. Feeley, master of ceremonies. Rev. Father O'Reilly announced the order of services and also gave a brief explanation of the significance of the devotion. Following the mass the litanies were chanted.

Last evening there was a sermon by Rev. J. J. McCabe, of Avoca, on "Gratitude." Benediction of the blessed sacrament followed. This morning, tomorrow morning and Wednesday morning there will be masses at 5, 6, 7 and 8 o'clock. The late mass will be a high mass and on Wednesday morning there will be benediction and the chanting of the litanies. The late mass this morning will be a "missa pro pace," or mass of pace.

Tonight the sermon will be delivered by Rev. J. V. Hussie, of Bentley Creek. Tuesday night will be given exclusively to confession.

BLESSED A CHURCH BELL.

Interesting Ceremony Performed at the Slavonic Catholic Church.

Rt. Rev. Bishop Hoban blessed the bell of the Slavonic church of the Holy Family on Capouse avenue, yesterday afternoon at 3.30 o'clock. The event was attended with very interesting ceremonies. Bishop Hoban was assisted by Rev. J. J. B. Feeley, of the cathedral; Rev. Mathias Iankala, of Pittston; Rev. Andro Pavco, pastor of the Church of the Holy Family and Rev. Joseph Murbos, of Wilkes-Barre, who preached the sermon. A brief address in English was delivered by the bishop.

A bevy of little girls dressed in white and crowned with floral wreaths, added much to the beauty of the ceremony. A number of Polish societies in uniform attended.

SCHLAGER'S STORE BURGLARIZED.

Thieves Make Off with $150 Worth of Knives, Razors and Revolvers.

Another burglary in the very heart of the city occurred Friday night. George W. Schlager's bicycle store and repair shop was the scene.

The thieves entered from the rear by prying open a door and made off with about $150 worth of plunder including knives, razors and revolvers. A valuable platinum hand valise, belonging to Miss Clara Simpson, which had been left there to be repaired was among the articles stolen.

The work was evidently done by the same parties who burglarized the Court House Cash store and Owens Bros', office on Adams avenue a few night before.

MR. DUDLEY WAS SOMEWHAT HARSH

Says That Pennsylvania Has a Profane Legislature.

THE CAUSE OF THIS STATEMENT

Primitive Methodist Conference Was Considering the Advisability of Renting a Church at Niles, Ohio, for School Purposes -- Mr. Dudley Did Not Think That as Bad as Leasing Grace Church at Harrisburg to the State Legislature.

Saturday's sessions of the Primitive Methodist church state conference was enlivened by some vigorous remarks by Hon. Robert Dudley, of Irwin, about the state legislature. Mr. Dudley is an ex-member of the legislature.

The Saturday session of the Primitive Methodist conference was opened at 9 a. m. with devotional exercises led by Thomas Hooper. After roll call and the reading and adoption of the minutes of the previous session, the final report of the special committee on the Niles and Youngstown church matters was read. The recommendations offered by the committee evoked some lively discussion. It had been recommended that the Niles church be rented to the school district of that place, but his action was considered by many to be a profaning of the house of God.

This brought the Hon. Robert Dudley of Irwin, to his feet with the declaration that a church had been rented for the uses of a "profane legislature." "Why then," said Hon. Dudley, "should we not rent our church edifice for school purposes." It was decided to follow out the recommendation as the conference would lose the church due to the reverting clause in the lease if the edifice was not used. A reconsideration of the admission of Mr. Trescott, of Nanticoke, as a first year probationer, which was allowed on Friday, was moved but on a vote being taken the grant was allowed to stand.

PUBLICATION OF MINUTES.

The cost of the publication of conference minutes was again discussed but no definite conclusion was arrived at. The claim of Mrs. Ball, of Olyphant, was reported and laid on the table until Monday morning when the conference in secret session will consider it. Mrs. Ball is the wife of the pastor of the Primitive church at Olyphant and she threatens suit if money which she loaned a book concern working under the conference but now defunct, is not returned her.

The redemption committee reported through Rev. W. F. Nicholls, but the report was referred back to the committee. The appropriation committee reported and recommended that no appropriation be made this year for missions. The recommendation was adopted but the report was held for the time as it was time for noon adjournment.

The afternoon session opened with the usual devotional exercises led by Rev. W. T. Williams. The first item of business was the temperance committee's report. The report was adopted and ordered spread on the minutes. It was as follows:

We look upon all sellers of intoxicating beverages of any kind, upon all consumers thereof and upon all brewers and distillers of the same, upon all who make or help make laws to legalize such traffic, also upon all who at the polls vote for any party or parties who are pledged to support this traffic in any way or to any extent, and especially do we look upon all so-called Christian people who, pray God to lead them not into temptation, but deliver them from evil, and who yet by their votes put temptation to their neighbor's lips, as being to some extent a menace to civilization, to the spread of morality and religion, to peace and prosperity, both national and international; we also look upon all such characters as those who build and maintain and people, prisons, penitentiaries and asylums. Further we look upon the conduct of such people as tending to paralyze trade, destroy our industries, ruin our homes and demoralize our young people. We designate the rum traffic as the greatest and gravest evil of modern times. Therefore be it resolved

ADVISE TOTAL ABSTINENCE.

First, That as a body we strongly disapprove the use of intoxicants as a beverage and that we especially urge all Christian communicants to become total abstainers, and to co-operate with us in a determined attempt to abolish this infernal business.

Second, That we call upon all sensible and intelligent people to aid us in every possible way in spreading the temperance movement in general, and thus help save the youths of our land from acquiring the pernicious habit of moderate drinking.

Third, That we seek the aid of all corporate bodies, municipal and otherwise, to help along this grand movement by looking for and employing sober and industrious men to fill all vacancies within their jurisdiction.

Fourth, That we call upon all Christian people irrespective of creed "to seek mercies from the God of heaven" in order that success may attend every earnest endeavor along the line of temperance.

The appropriation committee report was then taken from the committee and adopted on the basis of a 50 per cent. mission appropriation and $500 was appropriated for the coming year's mission work. The contingent fund committee reported and it was decided to reserve a part of this fund and pay it into a redemption fund. The general conference fund committee reported and their report was adopted.

The committee on complaints and appeals reported in regard to the request of the St. Clair church of the Schuylkill district, for the payment of water rent. The committee reported that the society should pay it as it contracted for all supplies, and that the minister was not liable for this rent. The report was accepted. The time limit for the session was extended and the report of the Bible committee was read and adopted as follows:

Whereas, It has pleased Almighty God to reveal His will to mankind in matters pertaining to their present and future welfare, through the medium of the Bible, a book penned by chosen and inspired men, and

Whereas, a great amount of irregularity and unbelief exists among men from a lack of a proper knowledge of this book, not having the Truth sufficiently impressed upon their minds in their youth; therefore be it

Resolved, That we encourage the instruction of the Bible in the Sabbath school and that more liberal use be made of it, free and independent of the biased utterances that come through some of our Lesson Helps, and be it

Resolved, That we impressed on parents the necessity of encouraging their children in the study of the Bible as the best safeguards of their lives, and be it

Resolved, That as the Bible is the instrument in the hands of God, in lifting and civilizing the nations of the earth, and the securing to them their highest good, that we assist the American Bible and Tract society in their generous and noble effort to distribute the Bible.

The appropriation committee offered an additional report in which $250 was appropriated to Irwin church on condition that they request no further appropriation. The report was adopted as read.

The stationing committee reported Pittsburg and Shenandoah as two places for the next conference. A vote was taken which supported Pittsburg by thirty-six against eleven for Shenandoah. Adjournment was taken and the Benevolent association held a session behind closed doors.

YESTERDAY'S SERVICES.

Yesterday the usual church services were held. Sacramental service was held at 9.30 by Rev. D. Savage and Rev. Mr. Harvey. Preaching at 10.30 by Rev. W. Bentley. Young People's service at 2.30 p. m., led by Rev. A. Woodcock. Evening sermon at 7 o'clock by Rev. J. B. Tyler. The subjects of the sermons were in line with Primitive church progress.

WAS BURIED AT JERMYN.

Funeral of Harry Westcott Took Place Yesterday Afternoon.

The funeral service over the remains of Harry Wescott, the young man who died from the effects of an electric shock last Wednesday evening, was held yesterday afternoon at his late home, 348 Franklin avenue. Rev. George E. Guild, pastor of the Providence Presbyterian church, which Mrs. Wescott, the deceased's wife, is a member, officiated and preached the sermon. Mr. Guild took his text from the Psalms. There was no special singing, and the service was simple and unpretentious.

Company H. Thirteenth regiment, with the Thirteenth Regiment drum corp, attended the funeral in a body. The deceased was a corporal in Company H, and in testimony to his popularity a handsome floral design of the regulation cross guns was among the offerings. Interment was made at Jermyn cemetery, the regiment drum corp and a firing squad from Company H, accompanying the remains. The squad members were: Sergeant Curtis Rogers, Harry Gardner, Charles Bennett, James Jones, Arkins Bailey, Arthur Mills and Bert Dightman. The pall-bearers were from the company, Bert Stevans, Joseph Loveless, Joseph Reynolds; from the Illuminating Heat and Power company's employes, Harry May, L. J. Lynch and Mr. McManus.

The jury empanneled to investigate the cause of Wescott's death met Saturday evening in Coroner Longstreet's office, and in the absence of any testimony which would explain the exact manner of death, rendered the following verdict: "That Harry Wescott came to his death by receiving an electric shock, while oiling a dynamo in the plant of the Scranton Illuminating Heat and Power company. Signed: Harry Herrmans, W. J. Shiffer, Frank Shiffer, J. W. Richards, L. J. Lynch and Martin Godkin.
