# WHEELMEN ELECT OFFICERS.

#### Annual Election of the Carbondale Cycle Club.

The annual meeting of the Cycle club on Tuesday evening brought many members to the rooms. It was voted to appoint a committee to wait upon the business men and ascertain whether they are willing to have a dry space four or five feet wide left at each curb for the use of wheelmen. The Mitchells, who do the sprinkling, would willingly drive up the middle of the street Thus time and money would be saved. The sprinkling would be just as useful if a dry space was left on each side. A committee of three will ascertaia the sentiments of those who are interested in this matter.

The following officers were elected to serve for the ensuing year: President. C. R. Munn; vice president, C. R. Smith: secretary, G. F. James: treasurer, D. A. Scurry; captain, C. E. Moon; board of directors, W. R. Moon and H. P. Sharlock; auditors, Isanc Singer, J. D. Purtell and C. A. Millard.

### An Office for City Solicitor.

It is considered by many as a pecu llar condition of affairs that should be necessary for the councils to rent at office for the city solicitor which will bring yearly an aditional expense of \$180. There are rooms now occupied by others than the city officials, also vacant rooms on the third floor of the building. Says the Leader; "It would be folly to rent another office while there are several at the city's command. The mayor's appropriation of .Funeral will take place Saturday. the solicitor's office has forced the game to a point at which some of the city's tenants must needs be removed to acitive Methodist church for the coming commodate the municipal law department. If the present resolution is year, and Rev. C. Hall will be pastor sanctioned by the select council, it will of the church in this town. perquisites."

Memorial Day Races. The Gentlemen's Driving club, of this city, have arranged races for Memorial Day at Anthracite park. The entire programme is not yet completed, but active arrangements will be made. It is probable that an exhibition mile will trotted between two of the fastest horses in this part of the state. There will be a team, a paoing, a running horse race and a bicycle race. It is thought that if this is a success other events of the kind on a larger scale will follow during the summer and autumn.

# IMPORTANT TO SUFFERERS. HOW YOU MAY SECURE A LASTING CURE FOR PILES.

THE

No Surgical Operation, No Pain, No Trifling Expense -- A Simple, Harmless Remedy, but It Does the Work.

There are some people who have piles

as frequently and regularly as other peo-ple have colds. Any little bowel trouble will bring them n, any extra exertion, as in lifting, will produce them, and in fact will often apear without any apparent provocation Piles, however, are much more serious than a cold, as the tendency is always to grow worse until the trouble becomes deep resated and chronic, or developes into some fatal rectal disease. While there are many pile remedies

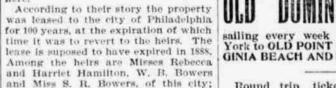

which give relief, yet there is but one which not only gives instant relief but at the same time makes a permanent cure, and that is the well-known Pyramid Pile Cure.

This remedy is composed of simple, harmless, vegetable ingredients, but combined so effectively and act so promptly and thoroughly that it cures every form of piles whether itching, blind, bleeding or protruding.

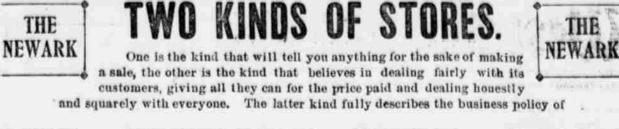

In long standing cases the Pyramid Pile Cure has proven to be the only certain SOLE cure except a surgical operation, and its advantages over an operation are many, as it is painless, causes no delay, or interference, with daily occupation and last but not least, it is cheaper than any surgical operation could possible be, costing but a dollar a package at any drug store.

The cases that the Pyramid Pile Cure will not reach are so few that physicians are doing away with operations for piles and depending on this cheap but effective remedy to accomplish a complete cure, and it never disappoints except in cases beyond the reach of medical skill. The Pyramid Pile Cure is propared by Pyramid Drug company, of Albion Mich., and for sale by druggists every-where at 50 cents per package. Each package contains a treatise on cause and ure of piles, together with testimonials from every section of this country.
