You think it is because your child is "growing too fast" that he fails to put on flesh. More often it is due to a gradual and general weakening of all the forces of the body. The child may have no pain, may have a fair appetite and yet lose flesh. Perhaps the happiest effects of Scott's Emulsion are in such cases as these. It gives the body a fat which is easily taken up; alters unhealthy action and supplies the best blood-making food known to medical science.

The cure for this common and obstinate trouble is found in a treatment which causes the food to be readily, thoroughly digested before it has time to ferment and irritate the delicate mucous surfaces of the stomach. According to Dr. Harlanson the safest and best treatment is to use after each meal a tablet, composed of Diastase, Aseptic Pepsin, a little Nux, Golclock, he went to an outhouse, stood den Scal and fruit acids. THE BODY IDENTIFIED.

The Drowned Man Was Michael Clinton, of Hazle Street. From the Wilkes-Barre Times.

The body of the man who was drowned in the river yesterday was last night identified at Doran's morgue as that of Michael Clinton, who resides on Hazle street near Moyalen. He was a brother of John Clinon, the well known grocer of Ashley who took charge of the body. Undertaker Mooney removed it from Doran's norgue to the late residence of de-

Michael Clinton was about 52 years f age. His wife is an inmate of the Danville asylum. No children survive. For many years he had been switch-tender at South Wilkes-Barre, but had not been working of late. He owned two properties on Hazle street and was quite comfortably fixed. His relatives are as much mystified by the manner of his death or the cause of it as anybody. They say he was accustomed to walk in his sleep a great deal, and they are inclined to believe that it was while on one of his som nambulistic walks that he met death, They can think of no reason why h would have wished to end his life,

Nanticoke, May 13.-Albert Cooper, a velt-known young man, of 17 years, of a prominent family, was returning home this evening when some boys who were toying with a hanging electric wire, dared him to take hold of it. He seized the wire and instantly received a shock, which laid him out insensible, and from which he died a

few minutes later. An excited crowd gathered and an inquest is to be held. The family is overcome with grief, and one of his sisters has been lying unconscious since the fatality.

THE MARKETS.

Wall Street Review.

New York, May 13.-There was not single effective rallying point in today's market and the only interruption to the sagging of prices was the occasional brief buying of shorts in some few stocks to cover. The strength of American securiies in London and the buying by London in this market, which have been factors in the last two days in sustaining the market were less conspicuous today. The total sales of stocks were 151,000 shares.
