SCRANTON PASSES SPRINGFIELD

Miners Defeat the Ponies, Break the Tie in Second Place and Go the Position of the Other Clubs.

Something dropped in the Eastern league yesterday. The miners, thanks to Morse, defeated Springfield in un-mistakable fashion and broke the tle played Rochester in the field. Score: to Morse, defeated Springfield in unwith that club in second place. Buffa lo, very opportunely, lost a game t Rochester and this leaves Scranton only one point below the coveted firs position. The positions of the other clubs are unchanged but Wilkes-Barr is in a position to pass and the Canadians have the same chance to go above the Grays. DIAMOND DUST.

Arlie Latham a Western League Umpire -- Catcher Lake, Formerly of the Torontos, Assaults an Umpire. Trouble Brewing Over the Coaching Rules.

Arlie Latham, who held kings on his little fingers and smote the heart of the fe-male in royalty in his day, has come to a sorry pass, Columbus released him the other day, and all that was left for him to do was to accept a position as umpire in the Western league. Arlie will last there till the glitter gives out, and then there will be a call along the line to help down a little lower. Now is the time for him to develop that nerve without which his wit would have been insipid. He knows the rules and has but to insist on their enforcement to keep hold of a fair job,

Friday's game between Kansas City and Milwaukee ended in a mobbing. After a game of hard hitting and ragged fielding Milwaukee won out in the ninth on a doubtful decision by Umpire Greaves, which resulted in an immediate uproar. Fred Lake, the catcher for Kansas City and last year on the Toronto team, assaulted Greaves, knocking him down, and immediately several hundred men swarmed upon the grounds and Greaves was roughly handled, until four policemen came to his assistance. The policemen finally dragged the umpire out through a side gate, thrust him into a wagon and ed from the mob by driving rapidly oward town.

It seems that National as well as Eastrn league players are rebelling over the w fangled coaching rules. A special to New York Sun from Cleveland yesterlay says: "Trouble is brewing in the National league, and indications point to open rebellion before many days are passed. The outcome were sized up by Jessa Burkett, Cleveland's heavy- hitting fielder, who says: 'The rules framed by the magnates have taken all of the fun out of the game. The allow only on coacher and make every other player st on the bench. The rule takes all the life out of the game. If the rule is not re-pealed it will kill the game; in fact, it is dead now. No one wants to see the game as now played.' Captain Duffy, of the Bostons, says: 'Nearly all the players want the single-conching rule aboltshed I have heard a good deal of muttering against the magnates."

At Springfield again today. Wellner will

Daly batted out .750 per cent. yesterday and .556 in the two games at Providence. Whats' going to happen! Uncle Sam Wise accepted all his eight chances and If the Ponics had sprinkled in a few hits

with Brouthers' cannonade the result might have been different. Toronto has representative teams in the Eastern and Canadian leagues, and they occupy unenviable positions at the tail end of each.

O'Neill is taking his regular turn behind he plate for Rochester and is permitting but few stolen bases, Lezotte has struck his hitting galt. His singles and doubles are cutting quite a figure in nearly all the critical stages of

games played by the Stars. Every player who makes a home run or he Baltimore grounds this season, will serve a new hat from Secretary Vonder-

orst, of the Baltimore club, The Miners are now certain of 600 per cent, on the trip, with two more games at Springfield to hear from. It is reasonable presume that the Ponies wont win

Cleveland is Sockalexis-mad, Cincinna-ti has gone daft over Ritchey, and the staid old Quakers, of Philadelphia, halt on the strets to query, "Does thee know to what extent Lajole connected with the ball this afternoon."

Urquhart batted for Wadsworth in the ninth yesterday, but he couldn't duplicate his hit made under the same circumstanes in Scrunton and which permitted the Bisons to make three runs in the last ining and win the game.

The cranks at the close of 1895 didn't think Catchers Bill Schriver nor Alec Smith were good enough for Scranton, but the former is catching the analysity of games played by Circinnati and Smith doing good work for Brooklyn. The twelve National League clubs have

lighty-three pitchers under contract. New York and Washington have the most, with nine each. The Brooklyns. Phila-ielphias and Clevelands have eight each; "hiengo and Louisville seven each; Pittsburg and Baltimore six each, and Cincin-nati and St. Louis five each.

A great many fans think Hanlon's pitchrs will not hold the season out, es-ecially the younger introductions to the ig league. With seven runs against him Saturday Nops proved that he was a stayer, and the Browns wer unable to do anything with im after the second inning the champions winning out. Hanion is satisfied with the youngsters, and he is somewhat of a judge, if anybody asks you,

Night's Bout. The followers of James Judge, the Scranton lightweight, are pleased with the match he has made with "Jack' MoWilliams, of New London, Conn. and expect to see a good go in their fifteen-round meeting at Music hall Thursday night. It certainly will not deserve the criticism invited by th poor lot of men who met in Music hall wo weeks ago. Judge will find in Mc-Williams a very clever man. He has fought a great many battles and is one of the aspirants to higher fame in the

roped arena.
"Jack" Skelly, the Brooklyn lightweight, who has recently been Judge's matchmaker, advisor and second, was in the city yesterday. He has unbounded confidence in the Scranton hoy's eleverness and is honest in his opinion that before many months Judge's claims for recognition will have to be heeded by the shining lights of the ring. Skelly's opinion is so strong that he offered "Kid" McPartland's representative \$100, a present, to make a twenty-round match.
