THE NEWARK

Has been ruined by the improper fitting of shoes. You know when a shoe looks well and wears well, the rest you have to leave to the dealer. Then isn't it much better when buying your footwear to go to the dealer who is up in his business and careful in fitting your feet? THE NEWARK SHOE STORE offers these advantages to shoe buyers and will be glad to make good to their customers any mistake that might occur. We are receiving new invoices of seasonable footwear daily, and the handsomest styles and colors to be found are in our store

We are making many new customers and every one is surprised at the low prices we are naming on best quality goods.
