Stars Steal a March on the Miners by Playing a Sunday Game and Defeating Rochester-Disaster Up at **Providence** in the Last Inning of Saturday's Game -- Four Double Bills for Today.

It was fortunate that the Miners won from Wilkes-Barre on Saturday as the Stars bagged a game from Rochester and repeated the trick yesterday, which ties them with the Min-'ers' in third place. Springfield had Providence shut out by a 5-0 score in the ninth inning on Saturday, but the Grays made ten runs in that inning and won. Yesterday's game was also won by the Grays, which places them in fifth place, passing Rochester and Wilkes-Barre. The Bisons also suf-fered defeat at the hands of the Canucks as a result of a Sunday game. This is Decoration Day, according to the fearfully twisted and wonderfully made schedule and all the clubs are to play two games. Every club in the league is liable to a change in position, excepting Buffalo and Toronto.

IN ONE INNING.

Gonding's Bad Judgment and Errors Gave the Miners the Game with Wilkes-Barre.

Over four thousand spectators, or to be exact, 4,099 who paid admissions, and perhaps a hundred and fifty more who entered the park on complimentary tickets, saw the Miners gain a victory over Wilkes-Barre at Athletic park on Saturday. Together with the large crowd there hangs a blunder, on Eastern league schedule makers

who secured the only walk during the entire game. Odwell hit a single past Gillon, Sharrott scoring and Betts reaching third, Betts tried to get in on Boyd's throw on Odwell's steal, but Beard got the ball back to Boyd in time to make a put-out by a close margin. Mills hit what seemed a safe fly to short right but Daly managed Eagan, 2b. to bag it while on a hard run. Score, 5-1.

In the second inning with Eagan disused of, O'Brien hit one against centerfield fence, but according to the special ground rule could take but two bases. He was forced by Beard at third, Beard going to second in the Daly flew out to Mills. play. It was one-two-three with the Miners in the third and fourth inning.

SMITH'S ERROR.

A Scranton run was made in the fifth. With O'Brien out, Beard put one into the crowd in left center and had to be satisfied with two bases. Daly hit a high foul which Goeckel caught after a long run. Beard started for third on the out and scored on Smith's fallure to handle Goeckel's throw. The white mate to the black rabbit had to be chased off the diamond while Massey was at bat and that may account for Bill's striking out.

Score, 6-1. With Bonner out in the sixth Maguire singled, but Boyd and Gillon went out on a fair and a foul fly respectively. Keenan had to pitch but three balls to retire the side in the seventh.

The eighth inning saw the Miners fill the bases on Daly's single and safe bunts by Massey and Bonner. They failed to score, however. Maguire hit one on an easy bound to Keenan. The ball was fielded to Diggins and by him to Goeckel, forcing Daly at the plate and doubling Maguire. There was plenty of time to make the play. Boyd went out on Odwell's assist,

The Miners' seventh run was made in the ninth on Gillon's single, O'Brien's life-with one out-and a ripgle by Beard. Daly fouled out to Goeckel. After scoring a lonesome run in the first inning the Wilkes-Barreans got eight runners on the circuit up to the close to the contest, but were able to only tally one more run. Massey's excusable error in muffing a wide throw with two out gave Diggins a chance in the second, but Keenan, was an easy prey and struck out.

GILLON FOOLS THEM.

In the third with two out Betts singled, and in the fifth with two out Keenan and Goeckel got on the bases on the former's single and Massey's muff of a thrown ball but in neither case did Gillon permit the much needed Weigand and Drauby. First base on balls -Off Eagan, 2; off Hodson, 1; off Woods, hits to develope. A single in the sixth with one out was followed by a double play by Bonner, Beard and Massey, and pringfields 2. gave the Barons their second and last tally. With Mills disposed of on a fly to Daly, Powell made a single, reached second on Smith's life and came home on Maguire's failure to stop Diggins' grounder. Keenan was assisted out by Gillon. The score in detail:

The University of Pennsylvania athletes won the honors at Saturday's intercollegiate track and field meeting at Berkley oval, New York city, by scoring 34 points. Wefers, of Georgetown, the champion sprinter, was beaten by Colfeit, of Princeton, in the two-twenty run. Records were broken in the hammer throwing, pole vault and high jump contests.

"Pennsy" won no fewer than five of the thirteen events, and was second in two and third in four, the total showing 34 points, based on five for a first, two for a second and one for a third. Yale, the much dreaded rival of the winners of Saturday, scored a total of R.H.E 24% points, and finished a comfortable second from Harvard, with 15%, who just nosed out Princeton, with 15%. Georgetown scored 7, Trinity 6%, Bos ton university 5, Cornell 1, Syracuse 1 and Wesleyan 1-3 of 1 point, this being the latter's share of a triple tie for third place in the pole vault. In consequence the Wilkes-Barre ownwill according to rule share equally the proceeds of the games today, one at Wilkes-Barre this morning and the other here this afternoon. Saturday's game began at 4:15 o'clock

a half hour later than usual on account of the circus. At 4 o'clock a sca of humanity occupied bleachers , and grandstand and overflowed itself about the field. When the game began it extended half way across deep left field, lined the foot of center field fence and had spread itself inside the picket fences enclosing the diamond. A ground rule was made that permitted not more than two bases on a ball batted or thrown into the crowd. GONDING'S FOOR FLAYING.

The result was less a Scranton victory than a game lost for Wilkes-Barre on poor playing by Gonding, the Wilkes-Barre catcher, who essayed to cover left field. He lost the game for and a three base hit that were not dethe game, his position being occupied by Manager Powell. Odwell, the of game-1.35. Wilkes-Barre pitcher, continued to play short-stop in place of McMahon, who is ill, and did the star work of his club's infield, excepting a wide

throw to first in the opening inning. Eagan reappeared in his old position in left field, but in the fourth inning was hit on the shoulder by his own foul tip and was obliged to retire in favor of Meaney.

Even with the Mimer's big lead the Wilkes-Barreans showed a disposition to win the game out while Keenan was holding down the opposing batsmen. Fast work by Bonner, Beard, Maguire and Massey, notwithstanding "Big Bills" two and Maguire's one error, and two hard running catches by Daly kept the Barons from carrying out their purpose.

"Chuck" Gillon pitched a remarkably strong game, particularly so in view of the fact that he had just recovered from a troublesome boil which kept him in bed up to Friday. Of the seven hits off him all were singles and single chapter.

NO FAULT OF KEENAN'S. Keepan pitched better than the score

indicates. Two of the 12 hits off him were bunts and Daly's triple and Boyd's single would not have been made but for Gonding's buil-headed fielding in the first inning. In the seventh inning Keenan performed a rather unusual feat of de-

sufficient to retire the side. Lagan opened the first inning by reaching first on Odwell's bad throw but was forced by O'Brien at second. Beard singled and both runners came oever the plate on Daly's three-baser over Gonding's head. Daly's hit should

not have been a difficit catch. Mossey forced Daly at the plate, reached second on the play and came home on Gonding's muff of Bonner's ily, lionner reaching third. Maguire was scored a hit on a ball batted too hard to be fielded properly by Odwell and on which Bonner came home. Maguire scored on Boyd's two-baser to left conter, Gillon famied and made the third Lynch, If.
