BUFFALO DEFEATS THE MINERS

And They Drop to Third Place. Stars Touch Up Coughlin, and Win Handily -- Rochester Plays All Around the Grays, and Wilkes-Barre Couldn't Touch the Toronto

The eastern clubs made a bad start north yesterday for they all were defeated. A misplay by Gunson lost the Miners the game at Buffalo and their tie in second place with Syracuse was broken, the latter batting out a victory from Springfield. The champion Grays were played to a standstill at Rochester, while Wilkes-Barre at Toronto made more errors than hits

## GUNSON'S MISPLAY

Gave Buffalo an Accepted Chance to Win the Game with Two Out.

Special to the Scranton Tribune Buffalo, N. Y. June 2 .- Scranton made its first appearance of the season in Buffalo today and was greeted by a crowd numbering over 1,500. Although the game was won by the Bison's the Miners put up a corking

Manager Griffin said that it was the slowest the Scranton club had played this season. At that they might have won but for a misplay by Gunson in the fifth when he let a fly ball get away from him, after which several runs came in. Gillon pitched a fair game only, as his control of the ball was anything but good.

Gray was hit hard but in two or three innings, but at other stages of the game was invincible. The Scranton infield played a great game, only one error beand that by Maguire

BUFFALO GETS THE LEAD. Gunson's misplay occurred in the fifth inning after two men had been McFarland, retired. Gilboy hit for a single and stole second. Gremminger went to first base on balls. Sullivan hit a high ball into the air which Gunson ought to have caught, but it dropped between him and Gillon. This filled the bases and Urquhart's single sent two men across the plate. Hits by Gray and Murray, rf. ...... Clymer added two more, which made a Dixon.

total of seven runs. In the sixth the Bison's added two more and the Scrantons were never able to overcome this lead.

Meaney will probably take Daly's place in right field tomorrow and

Eagan will play left. Scranton scored three runs in the fourth on singles by O'Brlen and Bonner and Daly's player's choice, supplemented by Beard's base on balls. Another tally was rolled up in the fifth on Gunson's single, Gillon's sacrifice and Meaney's single.

KEPT ON SCORING.

Beard scored in the eighth on Gremminger's error, on which he made several bases, and Boyd's long fly out to for the two scores made in the last in-

My the Associated Press. Buffalo, N. Y., June 2.-Scranton played its first game in Buffalo this afternoon and it proved to be the most hotly contested of the season. Gillon and Gray were each fairly effective, and the support given each was good.

Here's what yesterday's Wilkes-Barre News-Dealer says of its own club: "The club management realize that if the game is to be kept 'a goin' in this city, the team must be greatly strengthened. Everybody is sick and tired of the record the club has made so far.

The batting and fielding averages of he Eastern league players up to and Lytle, Roch. .. including Monday have been compiled. According to the figures as pub lished in the Syracuse Standard the percentages are not official, as they were compiled from telegraph scores. They are, however, practically correct. In all departments Scranton will average several points about the other clubs. This is particularly true of the batting. Brouthers and Bonner lead in the hitting among those who have played nearly all the games, though their percentages are exceeded by two pitchers and two catchers who played in only a few games. Of the 29 players who have batted over .300 per cent, six are Miners, although there would be only 3.63 players from each team to make up the 29 if all had hit equally well.
