Bluestone Quarrymen Discover Frogs in a Pissure Where They Had Been Imprisoned for a Century or So--A Goose That Had Thievish Propensities--Strays Bits of County News, Personal and Otherwise.

Susquehanna, June 2.—The remains of Miss Annie Prescott, who died in Meadville, were on Sunday morning interred in Evergreen cemetery. Rev. B. H. Abbott, of Carbonade, officiating. Memorial Day was appropriately and generally observed in Susquehanna. District Attorney W. D. B. Alney, of Montrose, delivered an able, eloquent and appropriate address, and was heartily applauded throughout.

THE GOOSE WAS A THIEF. A family in Lansboro, who has long been raising geese, were amazed one day or two ago to find them in the secret nest of a pet goose. Among the articles which the thief had appropriated were two gold thimbles, a tortoise-shell comb, scarf pins, spoons of sewing silk, silver lace and a watch. The goose had a trick of knocking at the door in quest of edible dainties, and, on being admitted and petted, would seek a sunny corner of the room and doze. When left alone it began to perform operations as a deluge from Moody Post to the state encampment of the G. A. R.

SOME COUNTY CURRENCY. The Susquehanna County Pomona Orange is in session at Hickory Grove, a western suburb of Susquehanna.

Memorial Day was very generally observed throughout the county. Susquehanna county is one of the most patriotic counties in the state. In Hallstead, 100 men and boys, armed with rifles, revolvers, shotguns, spears, etc., turned out to kill a carp in the river. They managed to catch it with a net.

OUT OF THE ORDINARY. While calling her cattle from the hillside a Starucca woman dislocated her jaw. Her husband says his heaven has commenced.

Surprised at the small quantity of milk given by one of his Jerseys a Heretic farmer went into the detective business and soon discovered that a woodchuck came out of a grove every afternoon and filled himself with milk.

Bluestone quarrymen at Melrose, while blasting a huge rock, discovered several frogs in a fissure, where they had probably been imprisoned for a century or so. They hopped about vigorously for a few moments and suddenly died.

A Cascade woman has been married seven times. She does not remember the "given name" of her first husband, but has an idea that it was Alphi.

PERSONALIA. Cashier C. Fred Wright, of Susquehanna, will undoubtedly be the next congressman from the Fifteenth dis-

trict. It is so written—and it is all right. George W. Shaeff will undoubtedly be the next postmaster of Susquehanna. It is so scheduled.

On account of the execrable weather, Congressman Cummings will not come to Susquehanna until the latter part of the month.

Postmaster Martin J. Ryan has been one of the very best officials the town has ever known, in every respect. He will go out of office with the respect and hearty good will of the entire community.

During the week a paper has been circulated among Republicans, protesting against the removal of Postmaster Ryan (Democrat) until the expiration of his term of office. "To the victors belong the spoils" is the political slogan, and Mr. Ryan may be asked to abdicate.

St. John's branch, No. 11, Catholic Mutual Benevolent association, attended mass in St. John's Catholic church on Saturday morning. The branch was headed by a large flag. The members wore handsome badges and white gloves and made a fine appearance.

Twins aged eighty years are living near Windsor. A tame crook belonging to a Thomson farmer has been taught to distinguish colors, and will pick out from a pile of various colors one of any color asked for.

A Red Rock man, while sound asleep, grew out of bed at night and swam across the river and back again. He was carried home by some men, who had seen him perform the remarkable feat.

A fisherman recently had an experience while angling in Crystal lake. He was equipped with a barbed pole, to which was fastened a line and a hook, baited with a minnow. While the attention of the fisherman was diverted in another direction, a large hawk suddenly swooped down and made off with the rod, line and bait, and was soon lost in the distance. The fisherman returned home, using some cuss words.

AND THE LAST OF IT. The Oakland Methodists are working hard to secure a new church edifice. Rev. Fred J. C. Ehinger, of Carbonade, is endeavoring to organize a Lutheran society in Oakland. He will probably succeed, as he is a worker.

It is reported that the Brandt Chair factory will shut down for a month. The funeral of Dr. F. D. Lamb, a prominent physician of Hallstead, occurred on Sunday.

Moody Relief corps held a very meritorious musical and literary entertainment in Hogan's Opera house on Saturday evening, to defray the expenses of Memorial.

The Tremont minstrels, whose talent will give an entertainment in this place on Friday evening. An old resident says that in June,

1816, snow covered the earth and ice formed in this vicinity. We see nothing to hinder such a state of things in June, 1897. The frosts have massacred a great number of army worms, but there will undoubtedly be enough on hand, as a matter to make the farmer's life a burden.

"THE DEVIL'S PASTURE FIELD."

A Pastor Launches Forth in Extravagant Language. Stroudsburg, Pa., June 2.—Pastor E. E. Dixon, of the East Stroudsburg Methodist church, has again forged to the front. In a sermon on theaters he called them "the devil's pasture field." He stated that "there was not a Christian actor or actress upon the stage; there were few Christian lawyers, and not many Christian doctors."

ONE OF TWO WAYS.

The bladder was created for one purpose, namely, a receptacle for the urine, and as such it is not liable to any form of disease except by one of two ways. The first way is from imperfect action of the kidneys. The second way is from careless local treatment of other diseases.

CHIEF CAUSE.

Unhealthy urine from unhealthy kidneys is the chief cause of bladder troubles. So the womb, like the bladder, was created for one purpose, and if not doctored too much is not liable to weakness or disease, except in rare cases. It is situated back of and very close to the bladder, therefore any pain, disease or inconvenience manifested in the kidneys, back, bladder or urinary passage is often, by mistake, attributed to female weakness or womb trouble of some sort. The error is easily made and may be as easily avoided. To find out correctly, set your urine aside for twenty-four hours; a sediment or settling indicates kidney or bladder trouble. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney, and bladder remedy is soon realized. If you need a medicine you should have the best. At druggists fifty cents and one dollar. You may have a sample bottle and pamphlet, both sent free by mail. Mention The Tribune and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.
