### EACH TOOK ONE.

### Miners and Bisons Dish Up Some Good Base Ball for the Buffalo Cranks.

Special to the Scranton Tribune,

Buffalo, N. Y., June 4.-Buffalo saw the best base ball of the season to date this afternoon when the Buffalo and Seranton clubs met at Olympic park.
Two games were played and each club

Two games were played and each club

Two games were played and each club

The Bisons took the first and the Scranton's the second. In the first Re Du Souders and Wellner did the twirling for their respective sides and there was but little choice in their work. The features were a home run by Clymer in the first inning when he put it over the left field fence and a sensational catch by the same player.

"Grandpa Morse was a prize-winning conundrum in the second game and had the Bisons' guessing up to the very last inning with his south-paw | Score; curves. Up to the eighth inning but two safe hits were made off his delivery and these by Urquhart. Then two White, if, safe hits were made but both batsmen were retired before reaching the home plate.

In the ninth Buffalo scored two runs. Ollie Beard's slashing home run over the left field fence was the prize peach of the game. Pop Wise made a great fielding record accepting sixteen chances without an error.

Pirates Try Dilatory Tactics and the Game Is Forfeited.

Philadelphia, June 4.—Umpire McDon-ald forfeited today's game to the Phillies because, as he said, the Pittsburg men were throwing the ball around the field for the purpose of delaying the game until a threatened rain should arrive. The trouble began when Pittsburg was at the bat in the fourth inning. Smith hit a bat in the fourth inning. Smith hit a ball which McDonnid called foul, but which devision was vigorously protested by the Pittsburg men. McDonaid finally fined Donovan and put him out of the game, Kuhns taking his place. Davis and Killen were also fined. The Pirates took the field and Killen, in warming up, threw a ball at Davis, which went into the seats. Boyle, of the Phillies, claimed that the Pittsburgers were delaying the game in the hope of rain, and McDonald thereupon gave the game to Philadelphia by the score of 3 to 0. The actual score was 4 to 0 in favor of Philadelphia. Rain fell heavily a few moments after play was stopped,

## DIAMOND DUST.

Sandy will get spoiled while on the trip if the writers of other cities hurl bou-quets at him as did the scribes in Bufquets at him as did the scribes in Bul-falo. Said the Buffalo News: "Sandy Griffin, Buffalo's old centerfielder and one of the cleanest players that ever walked out into the diamond, is in charge of the Scranton cohorts this year. Sandy has not been forgotten by the local fans and he was given the hand with a will when he made his first appearance yesterday. Sandy has a like ly-looking lot of ball players with him.

Here's what the Buffalo Times said after Wednesday's game: "Sandy Griffin and his Miners made their first appear-ance here this season, and they put up an article of ball that made the Bisons hustle to win out. It was a fight from the sound of the 4 o'clock gong till the last Miner had been declared out by Umpire Gaffney in the last innings. \* \* \* Don't think those Scranton fellows don't play the game because they were beaten yesterday. \* \* Boyd got the 'glad hand' when he went to bat for the first time. He's still a favorite with the fans. \* \* \* Gaffney is the best thing in the umpire line seen here this season."

Four of the clubs have gone through the strengthening process, Syracuse, To-ronto, Rochester and Wilkes-Barre, Providence, Buffalo and the Miners will be found at the end of the season with practically the same make-up as at prespractically the same make-up as at present, and Springfield is not threatened with much of a shifting. Rochester has installed Shearon in the outfield, and Lynch may be set down in favor of some one else if he doesn't begin to hit. The veteran Mulvey is on the verge of a benching and Manager Dan will have to take an obesity cure if he keeps in the game.

Wilkes-Barre has changed its infield by releasing Mills, putting Odwell on sec-ond and signing McDade to play third if Charley Smith doesn't liven up a bit. Manager Powell's days are numbered if the club doesn't strike a winning gait Tommy Bannon has put into the Star team added ginger, a quality it already possessed in abundance, while Toronto ought to do better with Smith at third and Lush at second vice Ulrich who was a disappointment.

"Freeze" Bogert forgots that last sea-ton he positively declined to consent to a reversal of the order of playing the Decoration Day games. He did decline to do so and that had something to do perhaps with playing last Saturday's and Monday's games as scheduled. His snari-ings over the matter come with poor grace from one who refused to give out rain checks or to give Providence a share of the receipts after a game in Wilkes-Barre that was stopped by rain in the fourth inning. \* \* \*

Beard hit a few. The closest struggle of all is in the Atlantic league.
Uncle Anson says he will alternate at first base with Decker on the trip. A study of the summary shows what a good game both Morse and Wellner pitched.

Harper will pitch today. He has lost four out of seven games pitched and is ine to win. The Miners were quartered at the New Tifft house at Buffalo. The best is none

Tifft house at Buffalo. The best is none too good for them.

Pittsburg can never win the penant by buldozing the umpire and then having to forfeit its games.
